(2) Each fiscal year, the amount of funds available for allocation to the state universities based on the performancebased funding model shall consist of the state's investment in performance funding plus institutional investments consisting of funds deducted from the base funding of each state university in the State University System in an amount provided in the General Appropriations Act. The Board of Governors shall establish

12	minimum performance funding eligibility thresholds for the
13	state's investment and the institutional investments. A state
14	university that meets the eligibility thresholds for both the
15	state's investment and the institutional investment shall
16	receive its proportionate share of the state's performance-based
17	investment based on its ranking among all eligible universities.
18	A state university that meets the minimum institutional
19	investment eligibility threshold, but fails to meet the minimum
20	state investment eligibility threshold, shall have its
21	institutional investment restored but is ineligible for a share
22	of the state's investment in performance funding. The
23	institutional investment shall be restored for each institution
24	eligible for the state's investment under the performance-based
25	funding model.
