I. Summary:

SB 278 requires local governments to hold a referendum during a general election to adopt or amend local option discretionary sales surtaxes under s. 212.055, F.S.

The bill takes effect July 1, 2017.

II. Present Situation:

Discretionary Sales Surtax

The Florida Constitution preempts all forms of taxation to the state, except for ad valorem taxes on real estate and tangible personal property, unless otherwise provided by general law.¹ Counties have limited authority to levy discretionary sales surtaxes on transactions subject to state sales tax.^{2,3} The Legislature has prescribed authorized uses for the local option discretionary sales surtax revenues, which include:

- Operating a transportation system in a charter county;⁴
- Financing local government infrastructure projects;⁵
- Providing additional revenue for counties having less than 50,000 residents as of April 1, 1992;⁶
- Providing medical care for indigent persons;⁷

¹ Art. VII, s. 1(a), Fla. Const.

² Section 212.054, F.S.; s. 212.055, F.S.

³ Surtaxes only apply to the first \$5,000 of a taxable transaction pursuant to s. 212.054(2)(b)1, F.S.

⁴ Section 212.055(1), F.S.

⁵ Section 212.055(2), F.S.

⁶ Section 212.055(3), F.S.

⁷ Section 212.055(4)(a), F.S. (for counties with more than 800,000 residents); s. 212.055(7), F.S. (for counties with less than 800,000 residents)

- Funding trauma centers;⁸
- Operating, maintaining, and administering a county public general hospital;⁹
- Constructing and renovating schools;¹⁰
- Providing emergency fire rescue services and facilities; and¹¹
- Funding pension liability shortfalls.¹²

The surtax is collected by the Department of Revenue (DOR) using the same procedures utilized for the administration, collection, and enforcement of the general state sales tax.¹³ DOR places these funds into the Discretionary Sales Surtax Clearing Trust Fund. A separate account is established for each county imposing a discretionary surtax. The proceeds of the surtax are distributed to the county on a monthly basis, minus an administrative fee of the lesser of three percent or administrative costs solely and directly attributable to the surtax. Each county is liable for administrative costs equal to its prorated share of discretionary sales surtax revenue to the amount collected statewide.¹⁴

New surtaxes and rate changes to existing surtaxes take effect on January 1, while the repeal of an existing surtax takes effect on December 31.¹⁵ The governing body of the county or the school district must notify DOR of the imposition, termination, or rate change of a discretionary sales surtax within 10 days of final adoption by ordinance or referendum, but no later than November 16. The notification must include the duration of the surtax, the surtax rate, a copy of the ordinance, and any additional information DOR requires by rule.¹⁶ If the county or school district fails to provide timely notice, the effective date of the change is delayed by one year.¹⁷ Counties and school districts are also required to notify DOR if a referendum or consideration of an ordinance to impose, terminate, or change the rate of a surtax is to occur after October 1.¹⁸

The forty-nine counties and fifteen school districts levying one or more discretionary sales surtaxes are projected to realize \$2.2 billion in revenue in fiscal year 2016-17.¹⁹ If all counties and school districts levied discretionary sales surtaxes at the maximum possible rate, they would be projected to raise \$11.68 billion in revenue in fiscal year 2016-17.²⁰

Most local discretionary sales surtaxes may only be approved by referendum, while some may be approved by an extraordinary vote of the county commission.²¹ For those requiring voter

approval, the referendum must be approved by a majority of electors voting.²² Except for the emergency fire rescue services and facilities surtax, the date of the referendum is at the discretion of the county commission.²³

Referendum Process

The Florida Election Code states the general requirements for a referendum.²⁴ The question presented to voters must contain a ballot summary with clear and unambiguous language, such that a “yes” or “no” vote on the measure indicates approval or rejection, respectively.²⁵ The ballot summary should explain the chief purpose of the measure and may not exceed 75 words.²⁶ The ballot summary and title must be included in the resolution or ordinance calling for the referendum.²⁷ For some discretionary sales surtaxes, the form of the ballot question is specified by statute.²⁸

Five types of elections exist under the Election Code: primary elections, special primary elections, special elections, general elections, and presidential preference primary elections.²⁹ A “general election” is held on the first Tuesday after the first Monday in November in even-numbered years to fill national, state, county, and district offices, and for voting on constitutional amendments.³⁰

III. Effect of Proposed Changes:

SB 278 requires local governments to hold a referendum during a general election to adopt or amend local option discretionary sales surtaxes under s. 212.055, F.S. In order to become law, the referendum must receive approval of a majority of the votes cast on that ballot question. For purposes of this bill, the term general election is defined in s. 97.021(16), F.S., means:

an election held on the first Tuesday after the first Monday in November in the even-numbered years, for the purpose of filling national, state, county, and district offices and for voting on constitutional amendments not otherwise provided for by law.

The bill is effective July 1, 2017.
