(b) The state's operating investment in Enterprise Florida, Inc., and its divisions is the budget contracted by the department to Enterprise Florida, Inc., less any funding that is directed by the Legislature to be subcontracted to a specific recipient entity.

(c) The board of directors of Enterprise Florida, Inc., shall adopt for each upcoming fiscal year an operating budget for the organization, including its divisions, which specifies
(2)(a) The Legislature finds that it is a priority to maximize private sector support in operating Enterprise Florida, Inc., and its divisions, as an endorsement of its value and as an enhancement of its efforts. Thus, the state appropriations must be matched with private sector support equal to at least 100 percent of the state operational funding.

(b) Private sector support in operating Enterprise Florida, Inc., and its divisions includes:

(c) If Enterprise Florida, Inc., fails to meet the one-to-one match requirements of this subsection, the corporation shall revert all unmatched public contributions to the state treasury by June 30 of each fiscal year.

In-kind contributions, which include, but are not limited to, the value of strategic alliance services contributed, the value of loaned employees, discounted service fees, items contributed for use in promotions, and radio or television air time or print space for promotions. The value of air time or print space shall be calculated by taking the actual time or space and multiplying by the nonnegotiated unit price for that specific time or space which is known as the media equivalency value. In order to avoid duplication in determining media equivalency value, only the value of the promotion itself shall be included; the value of the items contributed for the promotion may not be included.

It also is the intent of the Legislature that Enterprise Florida, Inc., coordinate its operations with local economic development organizations to maximize the state and local return on investment to create jobs for Floridians.

(5) By August 15 of each fiscal year, the Department of Economic Opportunity shall submit a proposed operating budget for Enterprise Florida, Inc., including amounts to be expended on incentives, business recruitment, advertising, events, other operating capital outlay, and salaries and benefits for each employee to the Governor, the President of the Senate, and the Speaker of the House of Representatives.
