(d) To exercise the power of eminent domain pursuant to part IV of chapter 166, Florida Statutes, and to use utility funds to appropriate or acquire property, excluding federal or state property, for the purpose of obtaining, constructing, and maintaining utility facilities, provided that title to all such property is vested in the city.

(e) To issue revenue bonds, upon resolution of the authority establishing the form, terms, and purpose of such bonds, for the purpose of financing or refinancing utility system projects, and to exercise all powers in connection with the authorization, issuance, and sale of such bonds as conferred upon municipalities by part II of chapter 166, Florida Statutes, provided that such bonds may be validated in accordance with chapter 75, Florida Statutes. For example, upon expiration of a member's term or upon an authority vacancy, if the ratio of total electric meters serving customers outside the city boundaries to total electric meters serving all electric customers reaches 40 percent, the city commission must appoint a second member from outside the city boundaries to serve the next term that would otherwise be served by a qualified elector of the city. Members appointed for subsequent terms shall be appointed for 4-year terms commencing at 12 a.m. on October 1 of the year in which they are appointed. If a member is appointed to complete an unexpired term, the member's term shall commence at the time of appointment and shall continue through the remainder of the unexpired term.
(4) The city commission shall fill any vacancy for the unexpired portion of a term within 60 days after the vacancy occurs if the remainder of the term exceeds 90 days.

(5) The GRU general manager or his or her designee shall be responsible for making arrangements for and providing
adequate notice of the initial meeting of the authority.

7.08 Removal and suspension of members.—

(1) A member may be removed or suspended from office by the city commission in accordance with s. 112.501, Florida Statutes. In addition to the grounds for removal set forth therein, a member may be removed by the city commission for failure to maintain the qualifications specified in section 7.04.

(2) The authority may recommend to the city commission that a member be removed or suspended from office if it finds, by vote of at least three members, a reasonable basis for removal or suspension on one or more of the grounds set forth in s. 112.501, Florida Statutes, or for failure to maintain the qualifications specified in section 7.04. The authority shall give reasonable notice of any proceeding in which such action is proposed and must provide the member against whom such action is proposed a written statement of the basis for the proposed action and an opportunity to be heard. The member against whom such action is proposed may not participate in the authority's debate or vote on the matter.

(2) All officers and employees of the city who serve under the supervision and direction of the sitting general manager of GRU shall serve under the CEO/GM. The CEO/GM shall have the exclusive authority to hire, transfer, promote, discipline, or terminate employees under his or her supervision and direction.

(3) The authority shall fix the salary of the CEO/GM, and the CEO/GM shall fix the salaries of all other employees who serve under his or her direction consistent with the annual budget approved by the authority. The sitting general manager of GRU, as well as all officers and employees of the city who, by virtue of this article, become subject to the supervision and direction of the CEO/GM, shall continue without any loss of rights or benefits as employees under the pension plans and civil service merit system of the city existing as of the creation of the authority.

7.10 General provisions.—

(1) The city and the authority shall perform all acts necessary and proper to effectuate an orderly transition of the governance, operation, management, and control of the utilities to the authority, including, but not limited to, the creation of such instruments as are necessary for the authority to function
in accordance with this article.

(2) All city ordinances, policies, rates, fees, assessments, charges, rules, regulations, and budgets related to operation of the utilities shall remain in effect until the authority, pursuant to the powers granted in this article, modifies any such item.
