SUMMARY ANALYSIS

State law authorizes legislative designations of transportation facilities for honorary or memorial purposes or to distinguish a particular facility. The legislative designations do not officially change the current names of the facilities, nor does the law require local governments and private entities to change street signs, mailing addresses, or 911 emergency telephone system listings.

The bill creates the Harold Haynes Memorial Pedestrian Bridge in Bay County and directs the Department of Transportation (DOT) to erect suitable markers for the designation.

DOT estimates a \$1,000 negative fiscal impact to the State Transportation Trust Fund associated with erecting suitable markers for the above designation. The cost can be absorbed within existing DOT resources.

FULL ANALYSIS

I. SUBSTANTIVE ANALYSIS

A. EFFECT OF PROPOSED CHANGES:

Current Situation

Section 267.062, F.S., provides for the naming of state buildings and other facilities. The statute provides that except as specifically provided by law, state buildings, roads, bridges, parks, recreational complexes and other similar facilities may not be named for a living person.

Section 334.071, F.S., authorizes legislative designations of transportation facilities for honorary or memorial purposes or to distinguish a particular facility. The legislative designations do not officially change the current names of the facilities nor does the statute require local governments and private entities to change street signs, mailing addresses, or 911 emergency telephone-number system listings.

The Department of Transportation (DOT) must place a marker at each termini or intersection of an identified road or bridge and erect other markers it deems appropriate for the transportation facility. The appropriate city or county commission must pass a resolution in support of a particular designation before road markers are erected. Additionally, if the designated road segment extends through multiple cities or counties, a resolution must be passed by each affected local government.

Proposed Changes

The bill designates, upon completion of construction, the pedestrian bridge over S.R. 390 at Kentucky Avenue and Mowat School Road in Bay County as the "Herald Haynes Memorial Pedestrian Bridge."

Harold Haynes served in the Navy during World War II and worked for nearly 28 years for Swift & Co. Additionally, he served on the Lynn Haven Planning Board, as Chairman of the Lynn Haven Police, Fire Department, and General Pension Boards. He also served nine years as a Lynn Haven City Commissioner. Mr. Haynes passed away on February 4, 2017.

The bill directs DOT to erect suitable markers for the above designation.

B. SECTION DIRECTORY:

Section 1 designates the Herald Haynes Memorial Pedestrian Bridge and directs DOT to erect suitable markers.

Section 2 provides an effective date of July 1, 2018.

II. FISCAL ANALYSIS & ECONOMIC IMPACT STATEMENT

A. FISCAL IMPACT ON STATE GOVERNMENT:

1. Revenues:

None.

2. Expenditures:

DOT estimates a cost of \$1,000 per designation for the appropriate markers, which provides for two signs per designation at \$500 per sign.¹ Therefore, the bill has an estimated negative fiscal impact of \$1,000 to the State Transportation Trust Fund. This cost can be absorbed within existing DOT resources.

B. FISCAL IMPACT ON LOCAL GOVERNMENTS:

1. Revenues:

None.

2. Expenditures:

None.

C. DIRECT ECONOMIC IMPACT ON PRIVATE SECTOR:

None.

D. FISCAL COMMENTS:

None.

III. COMMENTS

A. CONSTITUTIONAL ISSUES:

1. Applicability of Municipality/County Mandates Provision:

Not applicable. This bill does not appear to affect county or municipal government.

2. Other:

None.

B. RULE-MAKING AUTHORITY:

None.

C. DRAFTING ISSUES OR OTHER COMMENTS:

DOT suggested that the designation be changed from an overpass to a pedestrian bridge since the facility being designated is a pedestrian bridge.

IV. AMENDMENTS/ COMMITTEE SUBSTITUTE CHANGES

On January 16, 2018, the Transportation & Infrastructure Subcommittee adopted one amendment and reported the bill favorably as a committee substitute. The amendment changed all references to an "overpass" in the bill to "pedestrian bridge," since the facility being designated is a pedestrian bridge.

This analysis is drafted to the committee substitute as reported favorably by the Transportation & Infrastructure Subcommittee.
