11 or municipality and the residential recycling collector to
12 reduce the amount of contaminated recyclable material being
13 collected;

14 2. The procedures for identifying, documenting, managing,
15 and rejecting residential recycling containers, carts, or bins
16 that contain contaminated recyclable material;

17 3. The remedies authorized to be used if a container, cart,
18 or bin contains contaminated recyclable material; and

19 4. The education and enforcement measures that will be used
20 to reduce the amount of contaminated recyclable material.

21 (d) Each contract between a recovered materials processing
22 facility and a county or municipality for processing residential
23 recyclable material, and each request for proposal or other
24 solicitation for processing residential recyclable material,
25 must define the term "contaminated recyclable material." The
26 term should be defined in a manner that is appropriate for the
