69	39.01 DefinitionsWhen used in this chapter, unless the
70	context otherwise requires:
71	(2) "Abuse" means any willful act or threatened act that
72	results in any physical, mental, or sexual abuse, injury, or
73	harm that causes or is likely to cause the child's physical,
74	mental, or emotional health to be significantly impaired. <u>Abuse</u>
75	of a child includes the birth of a new child into a family
76	during the course of an open dependency case when the parent or
77	caregiver has been determined to lack the protective capacity to
78	safely care for the children in the home and has not
79	substantially complied with the case plan towards successful
80	reunification or met the conditions for return of the children
81	into the home. Abuse of a child includes acts or omissions.
82	Corporal discipline of a child by a parent or legal custodian
83	for disciplinary purposes does not in itself constitute abuse
84	when it does not result in harm to the child.

101	child being placed in the home.

576-03802-18 20181360c2 175 Section 7. Paragraph (d) of subsection (2) of section 39.701, Florida Statutes, is amended to read: 176 177 39.701 Judicial review.-(2) REVIEW HEARINGS FOR CHILDREN YOUNGER THAN 18 YEARS OF 178 179 AGE.-180 (d) Orders.-181 1. Based upon the criteria set forth in paragraph (c) and 182 the recommended order of the citizen review panel, if any, the court shall determine whether or not the social service agency 183 184 shall initiate proceedings to have a child declared a dependent child, return the child to the parent, continue the child in 185 186 out-of-home care for a specified period of time, or initiate 187 termination of parental rights proceedings for subsequent 188 placement in an adoptive home. Amendments to the case plan must 189 be prepared as prescribed in s. 39.6013. If the court finds that 190 the prevention or reunification efforts of the department will 191 allow the child to remain safely at home or be safely returned 192 to the home, the court shall allow the child to remain in or 193 return to the home after making a specific finding of fact that 194 the reasons for the creation of the case plan have been remedied 195 to the extent that the child's safety, well-being, and physical, 196 mental, and emotional health will not be endangered.

197 2. The court shall return the child to the custody of the 198 parents at any time it determines that they have substantially 199 complied with the case plan, if the court is satisfied that 200 reunification will not be detrimental to the child's safety, 201 well-being, and physical, mental, and emotional health.

3. If, in the opinion of the court, the social serviceagency has not complied with its obligations as specified in the

#### Page 7 of 22

576-03802-18 20181360c2 204 written case plan, the court may find the social service agency 205 in contempt, shall order the social service agency to submit its 206 plans for compliance with the agreement, and shall require the 207 social service agency to show why the child could not safely be 208 returned to the home of the parents. 209 4. If, at any judicial review, the court finds that the 210 parents have failed to substantially comply with the case plan 211 to the degree that further reunification efforts are without merit and not in the best interest of the child, on its own 212 213 motion, the court may order the filing of a petition for 214 termination of parental rights, whether or not the time period 215 as contained in the case plan for substantial compliance has 216 expired. 5. Within 6 months after the date that the child was placed 217 218 in shelter care, the court shall conduct a judicial review 219 hearing to review the child's permanency goal as identified in 220 the case plan. At the hearing the court shall make findings 221 regarding the likelihood of the child's reunification with the 222 parent or legal custodian. In making such findings, the court 223 shall consider the level of the parent or legal custodian's 224 compliance with the case plan and demonstrated change in 225 protective capacities compared to that necessary to achieve 226 timely reunification within 12 months after the removal of the 227 child from the home. The court shall also consider the 228 frequency, duration, manner, and level of engagement of the 229 parent or legal custodian's visitation with the child in 230 compliance with the case plan. If the court makes a written 231 finding that it is not likely that the child will be reunified 232 with the parent or legal custodian within 12 months after the

233 child was removed from the home, the department must file with 234 the court, and serve on all parties, a motion to amend the case 235 plan under s. 39.6013 and declare that it will use concurrent 236 planning for the case plan. The department must file the motion 237 within 10 business days after receiving the written finding of 238 the court. The department must attach the proposed amended case 239 plan to the motion. If concurrent planning is already being 240 used, the case plan must document the efforts the department is taking to complete the concurrent goal. 241

242 6. The court may issue a protective order in assistance, or 243 as a condition, of any other order made under this part. In 244 addition to the requirements included in the case plan, the 245 protective order may set forth requirements relating to 246 reasonable conditions of behavior to be observed for a specified 247 period of time by a person or agency who is before the court; 248 and the order may require any person or agency to make periodic 249 reports to the court containing such information as the court in 250 its discretion may prescribe.

251 Section 8. Subsection (3) of section 63.092, Florida 252 Statutes, is amended to read:

576-03802-18 20181360c2 262 relative, a preliminary home study may be required by the court 263 for good cause shown. The department is required to perform the preliminary home study only if there is no licensed child-264 265 placing agency, child-caring agency registered under s. 409.176, 266 licensed professional, or agency described in s. 61.20(2), in 267 the county where the prospective adoptive parents reside. The 268 preliminary home study must be made to determine the suitability 269 of the intended adoptive parents and may be completed prior to 270 identification of a prospective adoptive minor. A favorable 271 preliminary home study is valid for 1 year after the date of its 272 completion. Upon its completion, a signed copy of the home study 273 must be provided to the intended adoptive parents who were the 274 subject of the home study. A minor may not be placed in an 275 intended adoptive home before a favorable preliminary home study 276 is completed unless the adoptive home is also a licensed foster 277 home under s. 409.175. The preliminary home study must include, 278 at a minimum: 279 (a) An interview with the intended adoptive parents; 280 (b) Records checks of the department's central abuse 281 registry, which the department shall provide to the entity

302	If the preliminary home study is favorable, a minor may be
303	placed in the home pending entry of the judgment of adoption. A
304	minor may not be placed in the home if the preliminary home
305	study is unfavorable. If the preliminary home study is
306	unfavorable, the adoption entity may, within 20 days after
307	receipt of a copy of the written recommendation, petition the
308	court to determine the suitability of the intended adoptive
309	home. A determination as to suitability under this subsection
310	does not act as a presumption of suitability at the final
311	hearing. In determining the suitability of the intended adoptive
312	home, the court must consider the totality of the circumstances
313	in the home. A minor may not be placed in a home in which there
314	resides any person determined by the court to be a sexual
