I. Summary:

SB 1632 requires a county or municipality to establish maximum rates for the towing and storage of vessels, as well as placing a cap on the maximum rate for immobilizing a vehicle or vessel. The bill prohibits a county or municipality from enacting a rule or ordinance that imposes a fee or charge on authorized wrecker operators. The bill does not impact the ability of a county or municipality to impose a reasonable administrative fee on the legal owner, legally authorized user, or lienholder of a vehicle or vessel to cover the cost of enforcement actions. The bill provides that an authorized wrecker operator may impose and collect the administrative fee and is only required to remit the fee to the county or municipality after it has been collected.

The bill prohibits counties and municipalities from adopting or enforcing ordinances or rules that impose additional fees on the registered owner or lienholder of a vehicle or vessel removed and impounded by an authorized wrecker operator. The bill provides that a wrecker operator who recovers, removes, or stores a vehicle or vessel shall have a lien on the vehicle or vessel that includes the value of the reasonable administrative fee or charge imposed by a county or municipality

The bill takes effect July 1, 2018.

II. Present Situation:

County and Municipal Wrecker Operator Systems

A county or municipal government may contract with one or more wrecker operators to tow or remove wrecked, disabled, or abandoned vehicles from streets, highways, and accident sites.¹

¹ Section 323.002(1)(c), F.S. The definition of “vehicle” does not include a vessel or trailer intended for the transport on land of a vessel. *See* s. 320.01, F.S. (defining “motor vehicle” for the purpose of issuance of motor vehicle licenses and separately

After the establishment of such contract(s), the county or municipality must create a “wrecker operator system” to apportion towing assignments between the contracted wrecker services. This apportionment may occur through the creation of geographic zones, a rotation schedule, or a combination of those methods.² Any wrecker operator that is included in the wrecker operator system is an “authorized wrecker operator” in the jurisdiction, while any wrecker operation not included is an “unauthorized wrecker operator.”³

Unauthorized wrecker operators are not permitted to initiate contact with the owner or operator of a wrecked or disabled vehicle.⁴ If the owner or operator initiates contact, the unauthorized wrecker operator must disclose in writing, before the vehicle is connected to the towing apparatus:

- His or her full name;
- Driver license number;
- That he or she is not a member of the wrecker operator system;
- That the vehicle is not being towed for the owner’s or operator’s insurance company or lienholder;
- Whether he or she has an insurance policy providing at least \$300,000 in liability coverage and \$50,000 in on-hook cargo coverage; and
- The maximum charges for towing and storage.⁵

The unauthorized wrecker operator must disclose this information to the owner or operator in the presence of a law enforcement officer if an officer is present at the scene of the accident.⁶ It is a second degree misdemeanor for an unauthorized wrecker operator to initiate contact or to fail to provide required information after contact has been initiated.⁷ An unauthorized wrecker operator misrepresenting his or her status as an authorized wrecker operator commits a first degree misdemeanor.⁸ In either instance, the unauthorized wrecker operator’s wrecker, tow truck, or other motor vehicle used during the offense may be immediately removed and impounded.⁹ Unauthorized wrecker operators also are prohibited from monitoring police radios to determine the location of wrecked or disabled vehicles.¹⁰

Counties must establish maximum rates for the towing of vehicles removed from private property, as well as the towing and storage of vehicles removed from the scene of an accident or where the vehicle is towed at the request of a law enforcement officer. Municipalities are also authorized to adopt maximum rate ordinances. If a municipality enacts an ordinance to establish

towing fees, the county ordinance will not apply within the municipality.¹¹ A county or municipality may not establish rates, including a maximum rate, for the towing of vessels.¹²

Vehicle Holds, Wrecker Operator Storage Facilities, and Liens

An investigating agency may place a hold on a motor vehicle stored within a wrecker operator's storage facility for up to five business days.¹³ A hold may be applied where the officer has probable cause to believe the vehicle:

- Should be seized under the Florida Contraband Forfeiture Act¹⁴ or ch. 379, F.S.¹⁵;
- Was used as the means of committing a crime;
- Is evidence that tends to show a crime has been committed; or
- Was involved in a traffic accident resulting in death or personal injury.¹⁶

An officer may also apply a hold when the vehicle is impounded pursuant to ss. 316.193 or 322.34, F.S., and when the officer is complying with a court order.¹⁷ The hold must be in writing and include the name and agency of the law enforcement officer placing the hold, the date and time the hold is placed on the vehicle, a general description of the vehicle, the specific reason for the hold, the condition of the vehicle, the location where the vehicle is being held, and the name and contact information for the wrecker operator and storage facility.¹⁸

The investigating agency must inform the wrecker operator within the five day holding period if the agency intends to hold the vehicle for a longer period of time.¹⁹ The vehicle owner is liable for towing and storage charges for the first five days. If the vehicle will be held beyond five days, the investigating agency may choose to have the vehicle stored at a designated impound lot or to pay for storage at the wrecker operator's storage facility.²⁰

A wrecker operator or other person engaged in the business of transporting vehicles or vessels who recovers, removes, or stores a vehicle or vessel possesses a lien on the vehicle or vessel for a reasonable towing fee and storage fee, if the vehicle or vessel is removed upon instructions from:

- The owner of the vehicle or vessel;
- The owner, lessor, or authorized person acting on behalf of the owner or lessor of property on which the vehicle or vessel is wrongly parked (as long as the removal is performed in compliance with s. 715.07, F.S.);

- The landlord or authorized person acting on behalf of a landlord, when the vehicle or vessel remains on the property after the expiration of tenancy (and the removal is performed pursuant to ss. 83.806 or 715.104, F.S.); or
- Any law enforcement agency.²¹

Authority for Local Governments to Charge Fees

Counties and municipalities do not have authority to levy taxes, other than ad valorem taxes, except as provided by general law.²² However, local governments possess the authority to impose user fees or assessments by local ordinance as such authority is within the constitutional and statutory home rule powers of local governments.²³ The key distinction between a tax and a fee is that fees are voluntary and benefit particular individuals in a manner not shared by others in the public.²⁴ On the other hand, a tax is a “forced charge or imposition, operating whether we like it or not and in no sense depends on the will or contract of the one on whom it is imposed.”²⁵ Usually a fee is applied for the use of a service and is tied directly to the cost of maintaining the service. Money collected from a fee is not applied to uses other than to provide the service for which the fee is applied. An administrative fee for towing and storage services may be permissible to the extent the fee provides a specific benefit to vehicle owners.²⁶

Administrative Fees Related to Towing and Storage

Some municipalities impose an administrative fee on vehicles towed by an authorized wrecker operator if the vehicle is seized or towed in connection with certain misdemeanors or felonies. The administrative fee is collected by the towing company on behalf of the municipal government and, in addition to towing and storage fees, must be paid before the vehicle is released to the registered owner or lienholder.

The City of Sarasota seizes the vehicle of those arrested for crimes related to drugs or prostitution.²⁷ The registered owner of the vehicle is then given two options:

- The registered owner may request a hearing where the city must show by a preponderance of the evidence that the vehicle was used to facilitate the commission of an act of prostitution or any violation of ch. 893, F.S., the Florida Comprehensive Drug Abuse Prevention and Control Act. The owner may post a bond equal to the civil penalty (\$500), hearing costs (\$50), and towing and storage fees (\$125 plus \$25 per day) to receive the vehicle back pending the outcome of the hearing, or the owner may leave the vehicle in impound, incurring additional fees; or
- The registered owner may waive the right to a hearing and pay the civil penalty (\$500).

If the registered owner of the vehicle is unable to pay the administrative penalty within 35 days, the city disposes of the vehicle. The City of Bradenton uses the same process and rate structure.²⁸

Other municipalities have enacted ordinances charging an administrative fee for any vehicle impoundment associated with an arrest. For example, the City of Sweetwater imposes an “impoundment administrative fee” on all vehicles seized incident to an arrest. The fee is \$500 if the impoundment stems from a felony arrest and \$250 if the impoundment stems from a misdemeanor.²⁹

The City of Winter Springs imposes an administrative fee for impoundment arising from twelve offenses enumerated in the authorizing ordinance, ranging from prostitution to dumping litter weighing more than 15 pounds.³⁰ The registered owner may request a hearing, either accruing additional storage fees pending the hearing or posting a bond equal to the amount of the administrative fee (\$550). If the registered owner waives the right to hearing, the administrative fee is reduced to \$250. These fees are payable to the city but are collected by towing companies.³¹

By contract, some municipalities require wrecker services to pay a monthly fee for serving as authorized wrecker operators. For example, the contract between the City of Sarasota and a wrecker operator requires the operator to pay the city \$10,151 per month for “the opportunity to provide” wrecker services, as well as \$500 for each impounded vehicle sold by the wrecker service.³²

III. Effect of Proposed Changes:

Sections 1 and 3 amend ss. 125.0103 and 166.043, F.S., to authorize a county or municipality to regulate the rates for the towing or immobilization of vessels. A county or municipality is required to establish a maximum rate that may be charged for the towing, immobilization or storage of vehicles and vessels. The bill provides that the maximum rate to immobilize a vehicle or vessel may not exceed 20 percent of the maximum rate allowed by the county or municipality for towing a vehicle or vessel from private property. The bill defines immobilization as the act of rendering a vehicle or vessel inoperable by the use of a device such as a “boot,” “club,” “Barnacle,” or any other device that renders a vehicle or vessel inoperable.

Sections 2 and 4 create ss. 125.01047 and 166.04465, F.S., to prohibit a county or municipality from enacting a rule or ordinance that imposes a fee or charge on authorized wrecker operators or on a towing business for towing, impounding, or storing a vehicle or vessel. The prohibition does not affect the county’s or municipality’s ability to levy a business tax under ss. 205.0315, 205.033, 205.043, or 205.0535, F.S., or to impose a reasonable administrative fee or charge on the legal or authorized owner or lienholder of a vehicle or vessel to cover the cost of enforcement by the county when the vehicle or vessel is towed from public property. The administrative fee

may not exceed 25 percent of the maximum towing rate. The bill authorizes an authorized wrecker operator or towing business to impose and collect the administrative fee or charge on behalf of the county or municipality, but only remits such fee or charge after it is collected.

Section 5 amends s. 332.002, F.S., to prohibit a county or municipality from adopting or enforcing an ordinance or rule that imposes any charge, cost, expense, fine, fee, or penalty, on the owner or lienholder of a vehicle or vessel towed by an authorized wrecker operator. This prohibition does not apply to a reasonable administrative fee or charge, not to exceed 25 percent of the maximum towing rate, to cover the cost of enforcement when the vehicle or vessel is towed from public property.

Section 6 amends s. 713.78, F.S., to provide that the administrative fee shall be included as part of the lien on the vehicle or vessel held by the towing operator.

Section 7 provides an effective date of July 1, 2018.

IV. Constitutional Issues:

A. Municipality/County Mandates Restrictions:

None.

B. Public Records/Open Meetings Issues:

None.

C. Trust Funds Restrictions:

None.

V. Fiscal Impact Statement:

A. Tax/Fee Issues:

None.

B. Private Sector Impact:

The bill will reduce expenses for towing companies that are located in counties or municipalities currently charging a fee on authorized wrecker operators.

C. Government Sector Impact:

The bill will have an indeterminate impact on local government revenue. The bill prohibits counties and municipalities from charging certain fees to authorized wrecker operators and towing companies which are currently charged by some jurisdictions, while authorizing the collection of administrative fees for the cost of enforcement.
