### SUMMARY ANALYSIS

State law authorizes legislative designations of transportation facilities for honorary or memorial purposes or to distinguish a particular facility. The legislative designations do not officially change the current names of the facilities, nor does the law require local governments and private entities to change street signs, mailing addresses, or 911 emergency telephone system listings.

The bill creates the Deputy Ryan Seguin Memorial Highway in Broward County and directs the Department of Transportation (DOT) to erect suitable markers for the designation.

DOT estimates a \$1,000 negative fiscal impact to the State Transportation Trust Fund associated with erecting suitable markers for the above designation. The cost can be absorbed within existing DOT resources.

## FULL ANALYSIS

### I. SUBSTANTIVE ANALYSIS

#### A. EFFECT OF PROPOSED CHANGES:

##### **Current Situation**

Section 267.062, F.S., provides for the naming of state buildings and other facilities. The statute provides that except as specifically provided by law, state buildings, roads, bridges, parks, recreational complexes and other similar facilities may not be named for a living person.

Section 334.071, F.S., authorizes legislative designations of transportation facilities for honorary or memorial purposes or to distinguish a particular facility. The legislative designations do not officially change the current names of the facilities nor does the statute require local governments and private entities to change street signs, mailing addresses, or 911 emergency telephone-number system listings.

The Department of Transportation (DOT) must place a marker at each termini or intersection of an identified road or bridge and erect other markers it deems appropriate for the transportation facility. The appropriate city or county commission must pass a resolution in support of a particular designation before road markers are erected. Additionally, if the designated road segment extends through multiple cities or counties, a resolution must be passed by each affected local government.

##### **Proposed Changes**

The bill designates that portion of I-595 between S.W. 136<sup>th</sup> Avenue and S.R. 823/Flamingo Road in Broward County as “Deputy Ryan Seguin Memorial Highway.”

Deputy Ryan Seguin was a deputy with the Broward County Sheriff’s Office. He was struck and killed, by the driver of a vehicle, while making a traffic stop on I-595 on February 15, 2016. He was 23 years old and had served with the Broward County Sheriff’s Office for three years.

The bill directs DOT to erect suitable markers for the above designation.

#### B. SECTION DIRECTORY:

Section 1 designates the Deputy Ryan Seguin Memorial Highway and directs DOT to erect suitable markers.

Section 2 provides an effective date of July 1, 2018.

### II. FISCAL ANALYSIS & ECONOMIC IMPACT STATEMENT

#### A. FISCAL IMPACT ON STATE GOVERNMENT:

##### 1. Revenues:

None.

##### 2. Expenditures:

DOT estimates a cost of \$1,000 per designation for the appropriate markers, which provides for two signs per designation at \$500 per sign.<sup>1</sup> Therefore, the bill has an estimated negative fiscal impact of \$1,000 to the State Transportation Trust Fund. This cost can be absorbed within existing DOT resources.
