(3) Effective October 1, 2018, the sum of $10 million in recurring funds from the General Revenue Fund is appropriated to the State Board of Colleges for distribution to colleges for students who earn industry certifications during the 2018-2019 academic year. Funding for each college must be calculated based on the percentage of students who earn industry certifications in the following occupations or occupational areas: public safety; health sciences; automotive service technology; automotive collision repair and refinishing; cyber security; cloud virtualization; network support services; computer programming; advanced manufacturing; electrician; welding; Federal Aviation Administration airframe mechanics; powerplant mechanics; pharmacy technician; and heating, ventilation, and air conditioning technician. By June 1, 2019, the State Board of Colleges shall distribute the funds and establish procedures and timelines for colleges to report the percentage of students who earned certifications for funding. The State Board of Colleges may allocate any funds not obligated by June 1, 2019, to schools that have earned awards based on the percentage of earned certifications. By October 31, 2018, the Chancellor of the Florida College System shall identify the associated industry certification, including costs for the certification, the percentage of students who earned such certifications and who are employed, and the average salary of students who earned such certifications. Performance funds may not be awarded for certifications earned through continuing workforce education.
programs. Industry certifications that are earned by students who were enrolled in the 2017-2018 academic year which were eligible to be included in the funding allocation for the 2017-2018 fiscal year but who were not included in the final disbursement due to the early data reporting deadline may be reported by colleges and included in the allocation of funds for the 2018-2019 fiscal year. Colleges shall maintain documentation for student attainment of industry certifications that are eligible for performance funding. The Auditor General shall verify compliance with this requirement during scheduled operational audits of the colleges. If a college does not comply, it must refund the performance funding to the state.

(4) Effective July 1, 2018, and notwithstanding s. 1001.66(2), Florida Statutes, which requires funding for the Florida College Performance-Based Incentive to be determined in the General Appropriations Act, $60 million in recurring funds from the General Revenue Fund is appropriated to the State Board of Education for the Florida College Performance-Based Incentive awarded pursuant to s. 1001.66, Florida Statutes, for the 2018-2019 fiscal year. From these funds, $30 million is included as the state investment in performance funding and $30 million is redistributed from the base budget of Florida College System institutions as the institutional investment in performance funding.

(5) Effective July 1, 2018, and notwithstanding the provisions of s. 1008.30(7)(b), Florida Statutes, which limit funding for the Supporting Students for Academic Success Program to amounts provided in the General Appropriations Act, $30 million in recurring funds from the General Revenue Fund is
appropriated to the State Board of Education for the Supporting
Students for Academic Success Program established in that
section for the 2018-2019 fiscal year. The State Board of
Education shall allocate the funds to each Florida College
System institution through the Florida College System Program
Fund funding model developed pursuant to s. 1011.84, Florida
Statutes.

(6) Effective October 1, 2018, all rules, records, property, and unexpended balances of appropriations, allocations, or other funds relating to the Florida College System which are currently assigned to and administered by the State Board of Education are transferred by a type two transfer, as defined in s. 20.06(2), Florida Statutes, to the State Board of Colleges. Such rules shall remain effective until modified by the State Board of Colleges.

(7) This section shall take effect July 1, 2018.
