Effective January 1, 2019, section 39.4015, 110 Florida Statutes, is created to read: 111 39.4015 Family finding.-112 (1) LEGISLATIVE FINDINGS AND INTENT.-(a) The Legislature finds that every child who is in out-113

114 of-home care has the goal of finding a permanent home, whether

Page 4 of 39

608810

115	achieved by reunifying the child with his or her parents or
116	finding another permanent connection, such as adoption or legal
117	guardianship with a relative or nonrelative who has a
118	significant relationship with the child.
119	(b) The Legislature finds that while legal permanency is
120	important to a child in out-of-home care, emotional permanency
121	helps increase the likelihood that children will achieve
122	stability and well-being and successfully transition to
123	independent adulthood.
124	(c) The Legislature also finds that research has
125	consistently shown that placing a child within his or her own
126	family reduces the trauma of being removed from his or her home,
127	is less likely to result in placement disruptions, and enhances
128	prospects for finding a permanent family if the child cannot
129	return home.
130	(d) The Legislature further finds that the primary purpose
131	of family finding is to facilitate legal and emotional
132	permanency for children who are in out-of-home care by finding
133	and engaging their relatives.
134	(e) It is the intent of the Legislature that every child in
135	out-of-home care be afforded the advantages that can be gained
136	from the use of family finding to establish caring and long-term
137	or permanent connections and relationships for children and
138	youth in out-of-home care, as well as to establish a long-term
139	emotional support network with family members and other adults
140	who may not be able to take the child into their home but who
141	want to stay connected with the child.
142	(2) DEFINITIONSAs used in this section, the term:
143	(a) "Diligent efforts" means the use of methods and

608810

144	techniques including, but not limited to, interviews with
145	immediate and extended family and kin, genograms, eco-mapping,
146	case mining, cold calls, and specialized computer searches.
147	(b) "Family finding" means an intensive relative search and
148	engagement technique used in identifying family and other close
149	adults for children in out-of-home care and involving them in
150	developing and carrying out a plan for the emotional and legal
151	permanency of a child.
152	(c) "Family group decisionmaking" is a generic term that
153	includes a number of approaches in which family members and
154	fictive kin are brought together to make decisions about how to
155	care for their children and develop a plan for services. The
156	term includes family team conferencing, family team meetings,
157	family group conferencing, family team decisionmaking, family
158	unity meetings, and team decisionmaking, which may consist of
159	several phases and employ a trained facilitator or coordinator.
160	(d) "Fictive kin" means an individual who is unrelated to
161	the child by either birth or marriage, but has such a close
162	emotional relationship with the child that he or she may be
163	considered part of the family.
164	(3) FAMILY-FINDING PROGRAMThe department, in
165	collaboration with sheriffs' offices that conduct child
166	protective investigations and community-based care lead
167	agencies, shall develop a formal family-finding program to be
168	implemented statewide by child protective investigators and
169	community-based care lead agencies.
170	(a) Family finding is required as soon as a child comes to
171	the attention of the department and throughout the duration of
172	the case, and finding and engaging with as many family members

608810

	576-03513-18
173	and fictive kin as possible for each child who may help with
174	care or support for the child is considered a best practice. The
175	department or community-based care lead agency must specifically
176	document strategies taken to locate and engage relatives and
177	kin. Strategies of engagement may include, but are not limited
178	to, asking the relatives and kin to:
179	1. Participate in a family group decisionmaking conference,
180	family team conferencing, or other family meetings aimed at
181	developing or supporting the family service plan;
182	2. Attend visitations with the child;
183	3. Assist in transportation of the child;
184	4. Provide respite or child care services; or
185	5. Provide actual kinship care.
186	(b) The department and the community-based care lead
187	agencies must use diligent efforts in family finding, must
188	continue those efforts until multiple relatives and kin are
189	identified, and must go beyond basic searching tools by
190	exploring alternative tools and methodologies. Efforts by the
191	department and the community-based care lead agency may include,
192	but are not limited to:
193	1. Searching for and locating adult relatives and kin.
194	2. Identifying and building positive connections between
195	the child and the child's relatives and fictive kin.
196	3. Supporting the engagement of relatives and fictive kin
197	in social service planning and delivery of services and creating
198	a network of extended family support to assist in remedying the
199	concerns that led to the child becoming involved with the child
200	welfare system, when appropriate.
201	4. Maintaining family connections, when possible.

608810

202	5. Keeping siblings together in care, when in the best
203	interest of each child and when possible.
204	(c) A basic computer search using the Internet or attempts
205	to contact known relatives at a last known address or telephone
206	number do not constitute effective family finding.
207	(d) The court's inquiry and determination regarding family
208	finding should be made at each stage of the case, including a
209	shelter hearing conducted pursuant to s. 39.402. The court shall
210	place its determinations on the record as to whether the
211	department or community-based care lead agency has reasonably
212	engaged in family finding. The level of reasonableness is to be
213	determined by the length of the case and the amount of time the
214	department or community-based care lead agency has had to begin
215	or continue the process.
216	(4) RULEMAKINGThe department shall adopt rules to
217	implement this section.
218	Section 2. Paragraphs (c) and (d) of subsection (11) of
219	section 39.402, Florida Statutes, and subsection (17) of that
220	section are amended to read:
221	39.402 Placement in a shelter
222	(11)
223	(c) The court shall request that the parents consent to
224	provide access to the child's <u>child care records, early</u>
225	education program records, or other educational records and
226	provide information to the court, the department or its contract
227	agencies, and any guardian ad litem or attorney for the child.
228	If a parent is unavailable or unable to consent or withholds
229	consent and the court determines access to the records and
230	information is necessary to provide services to the child, the

608810

576-03513-18

231 court shall issue an order granting access.

(d) The court may appoint a surrogate parent or may refer the child to the district school superintendent for appointment of a surrogate parent if the child has or is suspected of having a disability and the parent is unavailable pursuant to s. 39.0016(3)(b). If the child is under the age of school entry, the court must make the appointment.

238 (17) At the shelter hearing, the court shall inquire of the 239 parent whether the parent has relatives who might be considered 240 as a placement for the child. The parent shall provide to the 241 court and all parties identification and location information 242 regarding the relatives. The court shall advise the parent that the parent has a continuing duty to inform the department of any 243 244 relative who should be considered for placement of the child. The court shall place its determinations on the record as to 245 246 whether the department or community-based care lead agency has 247 reasonably engaged in family finding. The level of reasonableness is to be determined by the length of the case and 248 249 amount of time the department or community-based care lead 250 agency has had to begin or continue the process.

251 Section 3. Present subsection (9) of section 39.506, 252 Florida Statutes, is redesignated as subsection (10), and a new 253 subsection (9) is added to that section, to read:

39.506 Arraignment hearings.-

(9) The court shall review whether the department or community-based care lead agency has reasonably engaged in family finding and make a written determination as to its findings. The level of reasonableness is determined by the length of the case and amount of time the department or

260 community-based care lead agency has had to begin or continue 261 the process.

262 Section 4. Paragraphs (c) and (d) of subsection (7) of 263 section 39.507, Florida Statutes, are amended to read:

39.507 Adjudicatory hearings; orders of adjudication.-

266 (c) If a court adjudicates a child dependent and the child 267 is in out-of-home care, the court shall inquire of the parent or 268 parents whether the parents have relatives who might be 269 considered as a placement for the child. The court shall advise 270 the parents that, if the parents fail to substantially comply 271 with the case plan, their parental rights may be terminated and 272 that the child's out-of-home placement may become permanent. The 273 parent or parents shall provide to the court and all parties 274 identification and location information of the relatives. The 275 court shall review whether the department or community-based 276 care lead agency has reasonably engaged in family finding and 277 make a written determination as to its findings. The level of 278 reasonableness is determined by the length of the case and 279 amount of time the department or community-based care lead 280 agency has had to begin or continue the process.

(d) The court shall advise the parents that, if they fail to substantially comply with the case plan, their parental rights may be terminated and that the child's out-of-home placement may become permanent.

285 Section 5. Effective January 1, 2019, section 39.5085,
286 Florida Statutes, is amended to read:

39.5085 <u>Kinship Care</u> Relative Caregiver Program.-(1) LEGISLATIVE FINDINGS AND INTENT.-

Page 10 of 39

608810

289	(a) The Legislature finds that an increasing number of
290	relatives and fictive kin are assuming the responsibility of
291	raising children because the parents of these children are
292	unable to care for them.
293	(b) The Legislature also finds that these kinship
294	caregivers perform a vital function by providing homes for
295	children who would otherwise be at risk of foster care placement
296	and that kinship care is a crucial option in the spectrum of
297	out-of-home care available to children in need.
298	(c) The Legislature finds that children living with kinship
299	caregivers experience increased placement stability, are less
300	likely to reenter care if they are reunified with their parents,
301	and have better behavioral and mental health outcomes.
302	(d) The Legislature further finds that these kinship
303	caregivers may face a number of difficulties and need assistance
304	to support the health and well-being of the children they care
305	for. These needs include, but are not limited to, financial
306	assistance, legal assistance, respite care, child care,
307	specialized training, and counseling.
308	(e) It is the intent of the Legislature to provide for the
309	establishment and implementation of procedures and protocols
310	that are likely to increase and adequately support appropriate
311	and safe kinship care placements.
312	(2) DEFINITIONSAs used this section, the term:
313	(a) "Fictive kin" means an individual who is unrelated to
314	the child by either birth or marriage, but has such a close
315	emotional relationship with the child that he or she may be
316	considered part of the family.
317	(b) "Kinship care" means the full-time care of a child

608810

576-03513-18

I

318	placed in out-of-home care by the court in the home of a
319	relative or fictive kin.
320	(c) "Kinship navigator program" means a statewide program
321	designed to ensure that kinship caregivers are provided with
322	necessary resources for the preservation of the family.
323	(d) "Relative" means an individual who is caring full time
324	for a child placed in out-of-home care by the court and who:
325	1. Is related to the child within the fifth degree by blood
326	or marriage to the parent or stepparent of the child; or
327	2. Is related to a half-sibling of that child within the
328	fifth degree by blood or marriage to the parent or stepparent.
329	(3) FINANCIAL ASSISTANCEThe department shall provide
330	financial assistance to all caregivers who qualify under this
331	subsection.
332	(a) Relatives or fictive kin caring for a child who has
333	been placed with them by the court shall receive a monthly
334	caregiver benefit, beginning when the child is placed with them.
335	The amount of the benefit payment is based on the child's age
336	within a payment schedule established by rule of the department.
337	The cost of providing the assistance described in this section
338	to any caregiver may not exceed the cost of providing out-of-
339	home care in emergency shelter or foster care.
340	(b) Caregivers who receive assistance under this section
341	must be capable, as determined by a home study, of providing a
342	physically safe environment and a stable, supportive home for
343	the children under their care and must assure that the
344	children's well-being is met, including, but not limited to, the
345	provision of immunizations, education, and mental health
346	services, as needed.

608810

347	(c) Caregivers who qualify for and receive assistance under
348	this section are not required to meet foster care licensing
349	requirements under s. 409.175.
350	(d) Children receiving cash benefits under this section are
351	not eligible to simultaneously receive WAGES cash benefits under
352	chapter 414.
353	(d) A caregiver may not receive a benefit payment if the
354	parent or stepparent of the child resides in the home. However,
355	a caregiver may receive the benefit payment for a minor parent
356	who is in his or her care, as well as for the minor parent's
357	child, if both children have been adjudicated dependent and meet
358	all other eligibility requirements. If the caregiver is
359	receiving a benefit payment when a parent, other than an
360	eligible minor parent, or stepparent moves into the home, the
361	payment must be terminated no later than the first day of the
362	month following the move, allowing for 10-day notice of adverse
363	action.
364	(e) Children living with caregivers who are receiving
365	assistance under this section are eligible for Medicaid
366	coverage.
367	(4) ADDITIONAL ASSISTANCE AND SERVICES
368	(a) The purpose of a kinship navigator program is to help
369	relative caregivers and fictive kin in the child welfare system
370	to navigate the broad range of services available to them and
371	the children from public, private, community, and faith-based
372	organizations.
373	(b) By January 1, 2019, each community-based care lead
374	agency shall establish a kinship navigator program. In order to
375	meet the requirements of a kinship navigator program, the

608810

576-03513-18

376 program must:

377 1. Be coordinated with other state or local agencies that promote service coordination or provide information and referral 378 379 services, including any entities that participate in the Florida 380 211 Network, to avoid duplication or fragmentation of services 381 to kinship care families; 382 2. Be planned and operated in consultation with kinship 383 careqivers and organizations representing them, youth raised by kinship caregivers, relevant governmental agencies, and relevant 384 385 community-based or faith-based organizations; 386 3. Establish a toll-free telephone hotline to provide 387 information to link kinship caregivers, kinship support group 388 facilitators, and kinship service providers to: 389 a. One another; 390 b. Eligibility and enrollment information for federal, 391 state, and local benefits; 392 c. Relevant training to assist kinship caregivers in 393 caregiving and in obtaining benefits and services; and 394 d. Relevant knowledge related to legal options available 395 for child custody, other legal assistance, and help in obtaining 396 legal services. 397 4. Provide outreach to kinship care families, including by

398 <u>establishing, distributing, and updating a kinship care website,</u> 399 <u>or other relevant guides or outreach materials; and</u>

400 <u>5. Promote partnerships between public and private</u>
 401 <u>agencies, including schools, community-based or faith-based</u>
 402 <u>organizations, and relevant governmental agencies, to increase</u>
 403 <u>their knowledge of the needs of kinship care families to promote</u>
 404 better services for those families.

405 (5) RULEMAKING.-The department shall adopt rules to 406 implement this section. 407 (1) It is the intent of the Legislature in enacting this 408 section to: 409 (a) Provide for the establishment of procedures and protocols that serve to advance the continued safety of children 410 by acknowledging the valued resource uniquely available through 411 grandparents, relatives of children, and specified nonrelatives 412 413 of children pursuant to subparagraph (2) (a) 3. 414 (b) Recognize family relationships in which a grandparent or other relative is the head of a household that includes a 415 child otherwise at risk of foster care placement. 416 417 (c) Enhance family preservation and stability by 418 recognizing that most children in such placements with 419 grandparents and other relatives do not need intensive 420 supervision of the placement by the courts or by the department. 421 (d) Recognize that permanency in the best interests of the 422 child can be achieved through a variety of permanency options, 423 including permanent guardianship under s. 39.6221 if the 424 guardian is a relative, by permanent placement with a fit and willing relative under s. 39.6231, by a relative, guardianship 425 under chapter 744, or adoption, by providing additional 426 427 placement options and incentives that will achieve permanency 428 and stability for many children who are otherwise at risk of 429 foster care placement because of abuse, abandonment, or neglect, 430 but who may successfully be able to be placed by the dependency 431 court in the care of such relatives. 432 (e) Reserve the limited casework and supervisory resources 433 of the courts and the department for those cases in which

608810

576-03513-18

434 children do not have the option for safe, stable care within the 435 family.

436 (f) Recognize that a child may have a close relationship 437 with a person who is not a blood relative or a relative by 438 marriage and that such person should be eligible for financial 439 assistance under this section if he or she is able and willing 440 to care for the child and provide a safe, stable home 441 environment.

442 (2) (a) The Department of Children and Families shall 443 establish, operate, and implement the Relative Caregiver Program 444 by rule of the department. The Relative Caregiver Program shall, 445 within the limits of available funding, provide financial 446 assistance to:

1. Relatives who are within the fifth degree by blood or marriage to the parent or stepparent of a child and who are caring full-time for that dependent child in the role of substitute parent as a result of a court's determination of child abuse, neglect, or abandonment and subsequent placement with the relative under this chapter.

453 2. Relatives who are within the fifth degree by blood or 454 marriage to the parent or stepparent of a child and who are 455 caring full-time for that dependent child, and a dependent half-456 brother or half-sister of that dependent child, in the role of 457 substitute parent as a result of a court's determination of 458 child abuse, neglect, or abandonment and subsequent placement 459 with the relative under this chapter.

460 3. Nonrelatives who are willing to assume custody and care
461 of a dependent child in the role of substitute parent as a
462 result of a court's determination of child abuse, neglect, or

608810

1	
463	abandonment and subsequent placement with the nonrelative
464	caregiver under this chapter. The court must find that a
465	proposed placement under this subparagraph is in the best
466	interest of the child.
467	4. A relative or nonrelative caregiver, but the relative or
468	nonrelative caregiver may not receive a Relative Caregiver
469	Program payment if the parent or stepparent of the child resides
470	in the home. However, a relative or nonrelative may receive the
471	Relative Caregiver Program payment for a minor parent who is in
472	his or her care, as well as for the minor parent's child, if
473	both children have been adjudicated dependent and meet all other
474	eligibility requirements. If the caregiver is currently
475	receiving the payment, the Relative Caregiver Program payment
476	must be terminated no later than the first of the following
477	month after the parent or stepparent moves into the home,
478	allowing for 10-day notice of adverse action.
479	
480	The placement may be court-ordered temporary legal custody to
481	the relative or nonrelative under protective supervision of the
482	department pursuant to s. 39.521(1)(c)3., or court-ordered
483	placement in the home of a relative or nonrelative as a
484	permanency option under s. 39.6221 or s. 39.6231 or under former
485	s. 39.622 if the placement was made before July 1, 2006. The
486	Relative Caregiver Program shall offer financial assistance to
487	caregivers who would be unable to serve in that capacity without
488	the caregiver payment because of financial burden, thus exposing
489	the child to the trauma of placement in a shelter or in foster
490	care.
491	(b) Caregivers who receive assistance under this section

643	Section 8. Section 39.604, Florida Statutes, is amended to
644	read:
645	39.604 Rilya Wilson Act; short title; legislative intent;
646	requirements; attendance; stability and transitions reporting
647	responsibilities
648	(1) SHORT TITLE.—This section may be cited as the "Rilya
649	Wilson Act."
650	(2) LEGISLATIVE FINDINGS AND INTENT
651	(a) The Legislature finds that children from birth to age 5
652	years are particularly vulnerable to maltreatment and that they
653	enter out-of-home care in disproportionately high numbers.
654	(b) The Legislature also finds that children who are abused
655	or neglected are at high risk of experiencing physical and
656	mental health problems and problems with language and
657	communication, cognitive development, and social and emotional
658	development.
659	(c) The Legislature also finds that providing early
660	intervention and services, as well as quality child care and
661	early education programs to support the healthy development of
662	these young children, can have positive effects that last
663	throughout childhood and into adulthood.
664	(d) The Legislature also finds that the needs of each of
665	these children are unique, and while some children may be best

666	served by a quality child care or early education program,
667	others may need more attention and nurturing that can best be
668	provided by a stay-at-home caregiver The Legislature recognizes
669	that children who are in the care of the state due to abuse,
670	neglect, or abandonment are at increased risk of poor school
671	performance and other behavioral and social problems.
672	(e) It is the intent of the Legislature that children who
673	are currently in <u>out-of-home</u> the care of the state be provided
674	with an age-appropriate developmental child care or early
675	education arrangement that is in the best interest of the child
676	education program to help ameliorate the negative consequences
677	of abuse, neglect, or abandonment.
678	(3) REQUIREMENTS
679	1. A child from birth to the age of school entry, who is
680	under court-ordered protective supervision or in <u>out-of-home</u>
681	care and is the custody of the Family Safety Program Office of
682	the Department of Children and Families or a community-based
683	lead agency, and enrolled in <u>an</u> a licensed early education or
684	child care program must attend the program 5 days a week <u>unless</u>
685	the court grants an exception due to the court determining it is

688	b. With a caregiver who works less than full time to attend
689	an early education or child care program fewer than 5 days a

An exemption 703 to participating in the licensed early education or child care 704 program 5 days a week may be granted by the court.

705

(4) ATTENDANCE AND REPORTING REQUIREMENTS.-

706 <u>1.(a)</u> A child enrolled in <u>an</u> a licensed early education or 707 child care program who meets the requirements of <u>paragraph</u> (b) 708 subsection (3) may not be withdrawn from the program without the 709 prior written approval of the <u>department</u> Family Safety Program 710 Office of the Department of Children and Families or the 711 community-based care lead agency.

712 2.a. (b) 1. If the person 716 with whom the child resides, whether the parent or caregiver, 717 fails to timely report the absence, the absence is considered to 718 be unexcused. If more than two site visits are 740 conducted pursuant to this subsection, staff shall initiate 741 action to notify the court of the parent or caregiver's 742 noncompliance with the case plan.

(5) EDUCATIONAL STABILITY.-Just as educational stability is
 important for school-age children, it is also important to
 minimize disruptions to secure attachments and stable
 relationships with supportive caregivers of children from birth
 to school age and to ensure that these attachments are not
 disrupted due to placement in out-of-home care or subsequent
 changes in out-of-home placement.

(a) A child must be allowed to remain in the child care or
 early educational setting that he or she attended before entry
 into out-of-home care, unless the program is not in the best

608810

576-03513-18

753 interest of the child.

754 (b) If it is not in the best interest of the child for him 755 or her to remain in his or her child care or early education 756 setting upon entry into out-of-home care, the caregiver must 757 work with the case manager, guardian ad litem, child care and 758 educational staff, and educational surrogate, if one has been 759 appointed, to determine the best setting for the child. Such 760 setting may be a child care provider that receives a Gold Seal 761 Quality Care designation pursuant to s. 402.281, a provider 762 participating in a quality rating system, a licensed child care 763 provider, a public school provider, or a license-exempt child 764 care provider, including religious-exempt and registered providers, and non-public schools. 765

766 (c) The department and providers of early care and 767 education shall develop protocols to ensure continuity if 768 children are required to leave a program because of a change in 769 out-of-home placement.

(6) TRANSITIONS.-In the absence of an emergency, if a child from birth to school age leaves a child care or early education program, the transition must be pursuant to a plan that involves cooperation and sharing of information among all persons involved, that respects the child's developmental stage and associated psychological needs, and that allows for a gradual transition from one setting to another.

777 Section 9. Paragraph (b) of subsection (6) and subsection
778 (7) of section 39.6251, Florida Statutes, are amended to read:
779 39.6251 Continuing care for young adults.-

(7) During each period of time that a young adult is in care, the community-based lead agency shall provide regular case management reviews that must include at least monthly contact with the case manager. If a young adult lives outside the service area of his or her community-based care lead agency, monthly contact may occur by telephone.
