790.065 Sale and delivery of firearms.—
(2) Upon receipt of a request for a criminal history record
check, the Department of Law Enforcement shall, during the licensee’s call or by return call, forthwith:

(c)1. Review any records available to it to determine whether the potential buyer or transferee has been indicted or has had an information filed against her or him for an offense that is a felony under either state or federal law, or, as mandated by federal law, has had an injunction for protection against domestic violence entered against the potential buyer or transferee under s. 741.30, has had an injunction for protection against repeat violence entered against the potential buyer or transferee under s. 784.046, or has been arrested for a dangerous crime as specified in s. 907.041(4)(a) or for any of the following enumerated offenses:

a. Criminal anarchy under ss. 876.01 and 876.02.

b. Extortion under s. 836.05.

c. Explosives violations under s. 552.22(1) and (2).

d. Controlled substances violations under chapter 893.

e. Resisting an officer with violence under s. 843.01.

f. Weapons and firearms violations under this chapter.

g. Treason under s. 876.32.

h. Assisting self-murder under s. 782.08.

i. Sabotage under s. 876.38.

j. Stalking or aggravated stalking under s. 784.048.

If the review indicates any such indictment, information, or arrest, the department shall provide to the licensee a conditional nonapproval number.

2. Within 24 working hours, the department shall determine the disposition of the indictment, information, or arrest and
inform the licensee as to whether the potential buyer is prohibited from receiving or possessing a firearm. For purposes of this paragraph, “working hours” means the hours from 8 a.m. to 5 p.m. Monday through Friday, excluding legal holidays.

3. The office of the clerk of court, at no charge to the department, shall respond to any department request for data on the disposition of the indictment, information, or arrest as soon as possible, but in no event later than 8 working hours.

4. The department shall determine as quickly as possible within the allotted time period whether the potential buyer is prohibited from receiving or possessing a firearm.

5. If the potential buyer is not so prohibited, or if the department cannot determine the disposition information within the allotted time period, the department shall provide the licensee with a conditional approval number.

6. If the buyer is so prohibited, the conditional nonapproval number shall become a nonapproval number and the department must notify by telephone or by electronic means, followed by written notice, the appropriate sheriff’s office and the local law enforcement agency and identify the potential buyer who is prohibited from receiving or possessing a firearm.

7. The department shall continue its attempts to obtain the disposition information and may retain a record of all approval numbers granted without sufficient disposition information. If the department later obtains disposition information which indicates:

a. That the potential buyer is not prohibited from owning a firearm, it shall treat the record of the transaction in accordance with this section; or
b. That the potential buyer is prohibited from owning a firearm, it shall immediately revoke the conditional approval number and notify local law enforcement.

8. During the time that disposition of the indictment, information, or arrest is pending and until the department is notified by the potential buyer that there has been a final disposition of the indictment, information, or arrest, the conditional nonapproval number shall remain in effect.

And the title is amended as follows:
