Section 11. Section 1006.149, Florida Statutes, is created to read:

1006.149 Public School Emergency Response Learning System Program.—

(1) The Public School Emergency Response Learning System Program is established to assist school personnel in preparing
for and responding to active emergency situations and to implement local notification systems for all Florida public schools, with the ultimate goal of preventing tragedy and the loss of life through proactive strategies.

(2) The program is created within the department and shall be administered by the Office of Safe Schools, established pursuant to s. 1001.217. Through the program, local law enforcement agencies shall partner with participating public preschools, public child care providers, or public school districts and schools. Training, notifications, and resources must be available for school personnel and students and their families through, at minimum, the following mechanisms:

(a) Activities and direct training to mitigate risk and save lives in emergency situations, such as lockdown, bomb threat, active shooter, and other emergency situations.

(b) Vital local notification systems implemented to alert schools of imminent danger.

(c) Other resources provided in conjunction with the training including, but not limited to, an emergency plan flip chart, communication cards, instructional resources, activity books for children and teachers, and certificates of training and completion.

(3) Each program participant must develop a preemptive plan of action that includes multiple options for addressing various situations based on the form of danger present and the unique needs and circumstances of each school and its faculty, staff, students, and visitors.

(4) A school district must include in its emergency notification procedures established pursuant to s. 1006.07 any
program participant who notifies the district of his or her desire to participate.

(5) Funding for program activities may be provided by the Legislature to implement this section.
