17 enrollment, a student may lose the opportunity to participate in
18 a dual enrollment course if the student is disruptive to the
19 learning process such that the progress of other students or the
20 efficient administration of the course is hindered. Student
21 eligibility requirements for initial and continued enrollment in
22 career certificate dual enrollment courses must include a 2.0
23 unweighted high school grade point average. Exceptions to the
24 required grade point averages may be granted on an individual
25 student basis if the educational entities agree and the terms of
26 the agreement are contained within the dual enrollment
27 articulation agreement established pursuant to subsection (21).
28 Florida College System institution boards of trustees may
29 establish additional initial student eligibility requirements,
30 which shall be included in the dual enrollment articulation
31 agreement, to ensure student readiness for postsecondary
32 instruction. Additional requirements included in the agreement
33 may not arbitrarily prohibit students who have demonstrated the
34 ability to master advanced courses from participating in dual
