Section 20. For the 2018-2019 fiscal year, the nonrecurring sum of $27,035,360 from the Federal Grants Trust Fund and the recurring sum of $25 million from the General Revenue Fund are appropriated to the Department of Children and Families. From the recurring general revenue funds, the following amounts are appropriated, as specified:

(1) Two million dollars, to expand acute care and detox
services on both integrated crisis stabilization units and freestanding detoxification units;  

(2) Seven million dollars, to expand residential treatment capacity;  

(3) The sum of $3.1 million for managing entity care coordination, deployment of targeted opioid responses for communities, and housing;  

(4) Three million dollars for outpatient, case management, and aftercare services;  

(5) Two million dollars for hospital diversion programs;  

(6) Two million dollars for recovery support services;  

(7) The sum of $2.5 million for targeted prevention, to expand evidence-based prevention for youth and to administer a statewide media campaign;  

(8) Four hundred thousand dollars to the Florida Association of Managing Entities, to ensure consistent messaging on the dangers of using opioids, safe medication management, and access to recovery resources; and  

(9) Three million dollars for faith-based matching grants.
