	.	

The Committee on Infrastructure and Security (Hutson)
recommended the following:

Senate Amendment (with title amendment)

Delete lines 40 - 52
and insert:
in the motor vehicles involved; however, in the event of a crash involving a railroad train, including crashes covered by s. 316.027, s. 316.061, s. 316.065, or s. 316.066, the collection of the information specified in this paragraph shall be at the discretion of the law enforcement officer having jurisdiction to investigate the crash;

611068

11 (e) The names and addresses of witnesses;
12 (f) The name, badge number, and law enforcement agency of
13 the officer investigating the crash; and
14 (g) The names of the insurance companies of the motor
15 vehicles for the respective parties involved in the crash,
16 unless not available. A member of a railroad train crew or a
17 passenger on a railroad train is not a passenger for purposes of
18 this section. A member of the railroad train crew shall furnish
19 the information required under paragraphs (a), (b), (c), and (e)
20 and, upon the request of the law enforcement officer with
21 jurisdiction to investigate the crash, the train engineer's and
22 conductor's federal certification pursuant to 49 C.F.R., parts
23 240 and 242. The absence of

26 And the title is amended as follows:

27 Delete lines 9 - 10

28 and insert:

29 revising the collection of information to include the
30 names of insurance companies of the motor vehicles
31 involved in the crash, rather than the names of
32 insurance companies for all respective parties;
33 specifying that certain persons are not considered
34 passengers for the purpose of making crash reports;
35 requiring a member of the railroad train crew to
36 furnish specified information;
