Senator Stargel moved the following:

**Senate Amendment to Amendment (151688) (with directory and title amendments)**

Between lines 206 and 207 insert:

(10) In addition to the comprehensive package of health insurance and other benefits required or authorized to be included in the state group insurance program, the program must provide coverage for medically necessary prescription and nonprescription enteral formulas and amino-acid-based elemental formulas for home use, regardless of the method of delivery or
intake, which are ordered or prescribed by a physician. As used in this subsection, the term “medically necessary” means the formula to be covered represents the only medically appropriate source of nutrition for a patient. Such coverage may not exceed an amount of $20,000 annually for any insured individual.
