Amendment No. 1

17 within the temperatures established in the agency rule for 18 assisted living facilities in the event of a facility's loss of 19 primary electrical power. Any facility acting as a receiving provider under s. 408.821(2) may exceed any minimum square 20 21 footage requirements adopted by agency rule that are associated 22 with the temperature requirements of this subparagraph until 23 such time as the facility is no longer acting as a receiving 24 provider.

25 3. The comprehensive emergency management plan is subject to review and approval by the county local emergency management 26 27 agency. During its review, the county local emergency management 28 agency shall ensure that the following agencies, at a minimum, 29 are given the opportunity to review the plan: the Department of 30 Elderly Affairs, the Department of Health, the Agency for Health 31 Care Administration, and the Division of Emergency Management. 32 Also, appropriate volunteer organizations must be given the 33 opportunity to review the plan. The county local emergency 34 management agency shall complete its review within 60 days and 35 either approve the plan or advise the facility of necessary 36 revisions.

37 <u>4. A comprehensive emergency management plan must be</u>
38 <u>submitted to the county emergency management agency within 30</u>
39 <u>days after issuance of a license.</u>
