---

The Committee on Appropriations (Gibson) recommended the following:

1           **Senate Amendment to Amendment (858228) (with title**  
2 **amendment)**

3  
4           Delete line 334  
5 and insert:

6           (13) OPPORTUNITY TO OPT OUT.—A pregnant woman, a parent on  
7 behalf of a minor under 18 years of age, a senior citizen age 65  
8 or older, or a person who is immunocompromised must be verbally  
9 notified if he or she is to receive prescription drugs through  
10 the program and must be provided an opportunity to opt out of

528536

11 the program without financial penalty.

12 (14) RULEMAKING.—The agency shall adopt rules necessary to

13

14 ===== T I T L E A M E N D M E N T =====

15 And the title is amended as follows:

16 Delete line 1379

17 and insert:

18 certain date; requiring certain persons to be notified

19 and given an opportunity to opt out of the program if

20 they are to receive a prescription drug through the

21 program; requiring the agency to adopt rules;
