Representative Santiago offered the following:

Amendment (with title amendment)

Between lines 947 and 948, insert:

Section 11. The Agency for Health Care Administration shall ensure that the amount paid by a Medicaid managed care plan to a pharmacy benefits manager for any prescription drug is equal to the amount reimbursed by the pharmacy benefits manager to the pharmacy that dispensed the prescription drug.

TITLE AMENDMENT

Remove line 63 and insert:
circumstances; requiring the Agency for Health Care Administration to ensure fair Medicaid reimbursement pricing for any prescription drug; requiring the Department of Business
