At the end of existing proviso language, following Specific Appropriation 689, INSERT:

From the fund in Specific Appropriation 689, \$100,000 in nonrecurring general revenue funds are provided to the department for the implementation of an automated staffing and scheduling enhancement to the current automated time and attendance system to replace the Roster Management System. The department may procure this pursuant to chapter 287, Florida Statutes.

Line item amendments are accepted as part of the amendatory process. However, due to the necessity of using computerized systems this may entail a different placement within a budget entity or the renumbering of the specific appropriation items.
