Nuisance Wildlife Control IOEA		

DELETE the proviso immediately following Specific Appropriation 1898:

The nonrecurring funds in Specific Appropriation 1898 are provided for the removal of lionfish in the areas of greatest need as determined by the Fish and Wildlife Conservation Commission. The Commission shall not tag and release lionfish as an incentive or reward for divers pursuing these fish.

AND INSERT:

From the funds in Specific Appropriation 1898, \$400,000 in nonrecurring funds are provided for the removal of lionfish in the areas of greatest need as determined by the Fish and Wildlife Conservation Commission. The Commission shall not tag and release lionfish as an incentive or reward for divers pursuing these fish.

From the funds in Specific Appropriation 1898, \$100,000 in nonrecurring funds are provided for the Florida International University Invasive

Species Research Consortium (Senate Form 1561).

Line item amendments are accepted as part of the amendatory process. However, due to the necessity of using computerized systems this may entail a different placement within a budget entity or the renumbering of the specific appropriation items.
