PUBLIC DEFENDERS

The Office of Program Policy Analysis and Government Accountability (OPPAGA) shall develop a weighted caseload model and conduct a workload assessment of the State Attorney and the Public Defender offices in all 20 Judicial Circuits. In developing the weighted caseload model, OPPAGA shall include but is not limited to, an analysis of caseload statistics

SECTION 4 - CRIMINAL JUSTICE AND CORRECTIONS

based on the complexity of the various kinds of cases filed and the amount of time needed for state attorneys and public defenders to resolve these cases. OPPAGA shall also analyze whether the expansion of specialty courts has impacted the workload needs of state attorney and public defender offices. OPPAGA shall recommend any needed adjustments to the number of FTE positions necessary to meet the workload needs of each state attorney and public defender office by December 31, 2020.

The Public Defenders Coordination Office's budgeting, legal, training, and education needs may be funded by each Public Defender's office within the funds provided in Specific Appropriations 952 through 1097. Funding for this office shall not exceed \$450,000 from the Indigent Criminal Defense Trust Fund.

Each Public Defender Office must submit to the Justice Administrative Commission (JAC) a quarterly report detailing the number of appointed and reappointed cases by case type, number of cases closed by case type, number of clients represented, and number of conflicts by case type and the basis for the conflict. The JAC shall compile the reports and submit the results to the Governor, President of the Senate, and Speaker of the House of Representatives within three weeks after the end of each quarter.

JUVENILE JUSTICE, DEPARTMENT OF

From the funds in Specific Appropriations 1153 through 1229, the Department of Juvenile Justice shall conduct a comprehensive statewide review of county-level data, including a gap analysis of services and programs available across all counties in the state, to evaluate the implementation of juvenile justice policies at the county level. As the result of such review, the department shall prepare a report that includes benchmarking of counties' performance on factors that demonstrate how a county is supporting the department's strategic goals of preventing and diverting more youth from entering the juvenile justice system; providing appropriate, less restrictive, community-based sanctions and services; reserving serious sanctions for youth who pose the greatest risk to public safety; and focusing on rehabilitation. The report shall also include recommendations and strategies that can be implemented by the department or counties to address any identified deficiencies and to assist in developing a statewide, coordinated response across all of Florida's communities to support the department's strategic goals. A copy of the report shall be submitted to the Governor, President of the Senate, and Speaker of the House of Representatives by January 1, 2020.

PROGRAM: RESIDENTIAL CORRECTIONS PROGRAM

From the funds in Specific Appropriations 1203 through 1215, the Department of Juvenile Justice shall provide a monthly residential resource utilization report that identifies operating capacity, current placements, vacant placements, number of youth awaiting placement, and the percent of use for all residential commitment beds. The department may increase or decrease beds or overlay services provided that the change will better serve taxpayers and the youth under its care. Notification and justification of changes will be provided to the Governor's Office of Policy and Budget, chair of the Senate Appropriations Committee, and chair of the House Appropriations Committee prior to implementing any change.

From the funds in Specific Appropriations 1203 through 1215, in selecting a private provider for operation of secure and non-secure residential programs, the Department of Juvenile Justice must consider the provider's history of performance of services in other jurisdictions as well as its performance of services in Florida. The department must also provide a report of serious incidents to the Governor, President of the Senate, and Speaker of the House of Representatives on no less than a quarterly basis. The report must include, at a minimum: the number of incidents and allegations of staff abuse or abuse by another child, including whether or not an allegation was substantiated; descriptions of incidents or allegations of such abuse that resulted in physical injury or significant psychological trauma, or that involved deprivation of food, water, or medical care; and the failure of a provider to report incidents or allegations within required timeframes established by the department. In addition, the department must conduct an independent review of each out-of-state provider before issuing a new contract. The report must be organized so that the incidents and allegations relating to a particular facility and to a particular provider can be readily ascertained. The department must also immediately report the death or serious bodily injury of a youth in a secure or non-secure residential program to the Governor, President of the Senate, and Speaker of the House of Representatives, and may make any additional reports that it determines to be appropriate based upon the seriousness of an incident or allegation.

In the event that such annual appropriation does not occur, or in the alternative, there is either a reduction in funding from the prior annual appropriation or the entity which is the lessee determines that the annual appropriation is insufficient to meet the requirements of the leases, then the lessee has the right to terminate the lease upon written notice by the lessee and the lessee shall have no further obligations under the contracts.

No funds are appropriated in Specific Appropriations 2240 through 2334 or sections 74, 75, 76, and 77 for the payment of rent, lease, or possession of space for offices or any other purpose or use at Northwood Centre, 1940 North Monroe Street, Tallahassee, Florida, pursuant to State of Florida Lease Nos. 720:0139, 750:0068, 790:0098, 400:0068, or 590:M139 or any other lease, except for State of Florida Lease No. 400:0070, by the Department of Economic Opportunity, including any one or more predecessor agencies, notwithstanding any lease or contract to the contrary. The Department of Economic Opportunity is prohibited from expending any specific appropriation from the General Revenue Fund, any trust fund, or from any other source for the rent, lease, or possession of any space for offices or other purpose or use at Northwood Centre, 1940 North Monroe Street, Tallahassee, Florida, pursuant to State of Florida Lease Nos. 720:0139, 750:0068, 790:0098, 400:0068, or 590:M139 or any other lease, except State of Florida Lease No. 400:0070.

PROGRAM: WORKFORCE SERVICES

WORKFORCE DEVELOPMENT

From the funds in Specific Appropriations 2266 through 2294, the Department of Economic Opportunity must determine if any funds provided for specific workforce programs, projects, or initiatives are not an allowable use of federal funds. If the department finds that any workforce program, project, or initiative for which funds are specifically appropriated in this act is not an allowable use of federal funds, the department must notify the Executive Office of the Governor's Office of Policy and Budget, the chair of the Senate Appropriations Committee, and the chair of the House Appropriations Committee.

When allocating full-time equivalent (FTE) positions to individual local workforce development boards, the Department of Economic Opportunity must ensure that workforce services are effectively and efficiently provided throughout the state. The department is authorized to reallocate any FTE position allocated to a local workforce development board that has been or becomes vacant for more than 180 days. When reallocating a vacant FTE position, the department must give priority to a local workforce development board that would use the FTE position to provide additional services to veterans.
