Amendment No.

This section applies to information held by an agency 14 (3) 15 before, on, or after the effective date of this exemption. 16 Section 2. (1) The Legislature finds that it is a public 17 necessity that the telephone number and e-mail address of a 18 voter registration applicant or voter that is held by an agency 19 and obtained for the purpose of voter registration be made confidential and exempt from s. 119.07(1), Florida Statutes, and 20 21 s. 24(a), Article I of the State Constitution. The telephone 22 number and e-mail address of a voter registration applicant or 23 voter is personal and sensitive information and could be misused 24 by a dishonest person if placed in the public domain along with the name of the applicant or voter. The information may be used 25 26 for consumer scams, unwanted solicitations, or other forms of 27 invasive contacts. In addition, a voter registration applicant 28 or voter may be harassed through these mediums if the 29 information is publicly available. The potential for harm that 30 results from unfettered access to a voter registration applicant's or voter's telephone number or e-mail address 31 32 exceeds any public benefit that may be derived from disclosure 33 of such information. 34 (2) The Legislature also finds that e-mail addresses are 35 personal information that could be misused and could result in voter fraud if released. A voter may request a vote-by-mail 36 37 ballot using an e-mail address. Unrestricted access to such email addresses may enable others to determine which voters are 38 548055 Approved For Filing: 4/23/2019 3:53:44 PM

39 intending to vote by vote-by-mail ballot and result in the 40 confiscation and misuse of a mailed vote-by-mail ballot by a 41 person other than the requesting voter. In addition, collection 42 of the e-mail address of a voter registration applicant or a 43 voter would give supervisors of elections the opportunity to employ the cost-saving measure of electronically transmitting 44 sample ballots. If a voter registration applicant or a voter 45 46 knows that his or her e-mail address is subject to public disclosure, he or she may be less willing to provide the e-mail 47 48 address to the supervisor of elections. Accordingly, the 49 effective and efficient administration of a government program 50 would be significantly impaired. 51 (3) The Legislature finds that it is a public necessity that all information concerning preregistered voter registration 52 53 applicants who are 16 or 17 years of age which is held by an 54 agency, and obtained for the purpose of voter registration, be 55 confidential and exempt from public records requirements and be 56 used only for purposes of voter registration. Information 57 concerning preregistered voter registration applicants who are 58 16 or 17 years of age could be misused if released. Minors are more vulnerable members of society, and the widespread release 59 60 of information acquired through preregistration activities may be used to solicit, harass, stalk, or intimidate such 61 individuals. Without such protection, a minor may be less likely 62 to take advantage of preregistering to vote, thus hindering the 63 548055
