By Senator Brandes

	24-00270-19 2019304
1	A bill to be entitled
2	An act relating to prescriptive authority
3	certification for psychologists; creating s. 490.017,
4	F.S.; defining terms; requiring the Board of
5	Psychology to certify specified psychologists to
6	exercise prescriptive authority; requiring the board
7	to adopt rules relating to prescriptive authority
8	certification; authorizing the board to require that a
9	prescribing psychologist correct certain deficiencies
10	under certain circumstances; specifying application
11	requirements for certification; requiring the board to
12	adopt a rule providing for certification renewal;
13	requiring each applicant for renewal to demonstrate
14	the completion of specified continuing education;
15	specifying requirements for the prescribing of drugs
16	and controlled substances by a prescribing
17	psychologist; prohibiting specified prescribing
18	actions; requiring a prescribing psychologist who is
19	authorized to prescribe controlled substances to file
20	his or her federal Drug Enforcement Administration
21	registration and number with the board; requiring the
22	board to maintain a record of every prescribing
23	psychologist authorized to prescribe controlled
24	substances; requiring the Board of Psychology to
25	transmit specified information to the Board of
26	Pharmacy; requiring the Board of Psychology to
27	establish an interim panel before a specified date;
28	providing panel membership; requiring the panel to
29	submit recommendations to the board by a specified

30	date; providing an effective date.
31	
32	Be It Enacted by the Legislature of the State of Florida:
33	
34	Section 1. Section 490.017, Florida Statutes, is created to
35	read:
36	490.017 Certification for prescriptive authority
37	(1) DEFINITIONSAs used in this section, the term:
38	(a) "Clinical experience" means a period of supervised
39	training and practice in which diagnoses and interventions are
40	learned, conducted, and supervised by a psychologist.
41	(b) "Controlled substance" has the same meaning as in s.
42	893.02.
43	(c) "Drug" has the same meaning as in s. 499.003.
44	(d) "Prescribing psychologist" means a psychologist who has
45	received from the board a certificate for prescriptive authority
46	which has not been revoked or suspended.
47	(e) "Prescription" has the same meaning as in s. 465.003.
48	(f) "Prescriptive authority" means the authorization to
49	prescribe, administer, discontinue, or distribute drugs or
50	controlled substances recognized or customarily used in the
51	diagnosis, treatment, or management of an individual who has a
52	psychiatric, mental, cognitive, nervous, emotional,
53	developmental, or behavioral disorder within the scope of the
54	practice of psychology.
55	(2) DUTIES OF THE BOARDThe board shall:
56	(a) Certify psychologists who meet the requirements listed
57	in subsection (3) to exercise prescriptive authority.
58	(b) Develop and implement procedures to review education

Page 2 of 6

	24-00270-19 2019304
59	and training requirements for certification.
60	(c) Adopt rules to deny, modify, suspend, or revoke
61	prescriptive authority certification. The board may require
62	remediation by a prescribing psychologist to correct
63	deficiencies in his or her training or practice upon the board's
64	determination that such deficiencies could reasonably be
65	expected to jeopardize the health, safety, or welfare of the
66	public.
67	(3) CERTIFICATION REQUIREMENTS
68	(a) A psychologist who applies for prescriptive authority
69	certification shall demonstrate by an official transcript or
70	other official evidence deemed satisfactory by the board:
71	1. A current license as a psychologist.
72	2. Graduation from a doctoral program in psychology.
73	3. A passing score on an examination developed by a
74	nationally recognized body, such as the Psychopharmacology
75	Examination for Psychologists offered by the Association of
76	State and Provincial Psychology Boards, and approved by the
77	board to establish competency in prescriptive authority.
78	4.a. Consistent with the American Psychological
79	Association's established policies for education of
80	psychologists in preparation for prescriptive authority, the
81	successful completion of an organized sequence of study in a
82	program offering intensive didactic education which includes
83	core areas of instruction in basic sciences, neurosciences,
84	physical examination, interpretation of laboratory tests,
85	pathological basis of disease, clinical medicine, clinical
86	neurotherapeutics, systems of care, pharmacology, clinical
87	pharmacology, psychopharmacology, psychopharmacology research,

Page 3 of 6

91has the knowledge and skills required to prescribe drugs in a safe and effective manner.93b. Consistent with the American Psychological Association94established policies for training of psychologists in preparation for prescriptive authority, relevant clinical experience sufficient for the applicant to attain competency in the psychopharmacological treatment of a diverse patient population.97The educational and training requirements under this subparagraph may be met as part of a doctoral program in psychology or postdoctoral training or fellowship in psycholog100The educational and training requirements under this subparagraph may be met as part of a doctoral program in psychology or postdoctoral training or fellowship in psycholog101(b) A psychologist is exempt from the educational requirements established under paragraph (a) if he or she: 1. Is a physician licensed under chapter 458 or chapter106459, a nurse practitioner licensed under chapter 458, chapter107health care practitioner licensed under chapter 458, chapter10825, or chapter 464 who has comparable prescriptive authority.1092. Has completed the United States Department of Defense110Psychopharmacology Demonstration Project.111(4) CERTIFICATION RENEWAL (a) The board shall establish by rule a method for the renewal of prescriptive authority certification, to occur in conjunction with licensure renewal pursuant to s. 490.007. (b) Each applicant for renewal shall present satisfactory	i	24-00270-19 2019304
90instruction, as determined by the board, to ensure the applicat91has the knowledge and skills required to prescribe drugs in a92safe and effective manner.93b. 117	of continuing education relevant to prescriptive authority
118	during the previous 2-year licensure period.
119	(5) PRESCRIPTION PRACTICES.—
120	(a) A prescribing psychologist may use his or her
121	prescriptive authority certification in accordance with rules
122	adopted by the board.
123	(b) A prescribing psychologist shall:
124	1. Maintain a record of all of a patient's prescriptions.
125	2. Consult and collaborate with a patient's primary care
126	physician and concur with such physician before prescribing a
127	drug, altering a drug treatment plan, or discontinuing a drug.
128	(c) A prescribing psychologist may not:
129	1. Issue a prescription unless the psychologist holds a
130	valid and current prescriptive authority certification that has
131	not been revoked or suspended.
132	2. Delegate the authority to prescribe drugs to another
133	person.
134	3. Issue a prescription to a patient who does not have a
135	primary care physician.
136	(d) A prescription issued by a prescribing psychologist
137	must:
138	1. Be written in a manner as determined by the board.
139	2. Comply with all applicable state and federal laws.
140	(6) CONTROLLED SUBSTANCE PRESCRIPTION AUTHORITY
141	(a) When authorized to prescribe controlled substances, a
142	prescribing psychologist shall file with the board, within 10 $$
143	days after such authorization, his or her federal Drug
144	Enforcement Administration registration number.
145	(b) The board shall maintain a current record of every
I	

Page 5 of 6

	24-00270-19 2019304
146	prescribing psychologist authorized to prescribe controlled
147	substances.
148	(7) INTERACTION WITH THE BOARD OF PHARMACY
149	(a) The board shall transmit to the Board of Pharmacy an
150	initial list of prescribing psychologists which contains the
151	following information:
152	1. The psychologist's name.
153	2. The psychologist's certification number.
154	3. The effective date of the psychologist's prescriptive
155	authority.
156	(b) The board shall promptly forward to the Board of
157	Pharmacy any changes to the list, including changes relating to
158	certification, revocation, suspension, or reinstatement of a
159	psychologist's prescriptive authority.
160	(8) INTERIM PANEL.—The board shall establish an interim
161	panel by October 1, 2019, to provide recommendations for
162	proposed rules governing prescriptive authority for
163	psychologists. The interim panel shall consist of a psychiatrist
164	licensed under chapter 458 or chapter 459 and a pediatrician
165	selected by the Board of Medicine, a pharmacist who holds a
166	doctoral degree selected by the Board of Pharmacy, and two
167	psychologists who hold postdoctoral master's degrees in clinical
168	psychopharmacology selected by the board. The panel shall submit
169	its recommendations for proposed rules to the board by February
170	<u>1, 2020.</u>
171	Section 2. This act shall take effect July 1, 2019.
