The Committee on Appropriations (Stewart) recommended the following:

Senate Amendment to Amendment (313546) (with title amendment)

Between lines 84 and 85 insert:

Section 2. Paragraph (a) of subsection (1) of section 790.065, Florida Statutes, is amended to read:

790.065 Sale and delivery of firearms.—
(1)(a) A licensed importer, licensed manufacturer, or licensed dealer may not sell or deliver from her or his
inventory at her or his licensed premises any firearm to another
person, other than a licensed importer, licensed manufacturer,
licensed dealer, or licensed collector, until she or he has:
1. Obtained a completed form from the potential buyer or
transferee, which form shall have been promulgated by the
Department of Law Enforcement and provided by the licensed
importer, licensed manufacturer, or licensed dealer, which shall
include the name, date of birth, gender, race, questions about
the buyer’s criminal history and other information relating to
the potential buyer’s or transferee’s eligibility to purchase a
firearm, and social security number or other identification
number of the such potential buyer or transferee and has
inspected proper identification including an identification
containing a photograph of the potential buyer or transferee.
   a. In any case in which records reviewed pursuant to
subsection (2) indicate that the potential buyer or transferee
is prohibited from having in her or his care, custody,
possession, or control any firearm under state or federal law
and the potential transfer, sale, or purchase has received a
nonapproval number, the Department of Law Enforcement shall send
notification of such nonapproval to the federal or state
correctional, law enforcement, prosecutorial, and other criminal
justice agencies that have jurisdiction in the county where the
attempted transfer or purchase was made.
   b. The Department of Law Enforcement shall, for each
county, identify appropriate federal or state correctional, law
enforcement, prosecutorial, and other criminal justice agencies
to receive the notification described in sub-subparagraph a.
   c. The notification described in sub-subparagraph a. must
include the identity of the potential buyer or transferee, the identity of the licensee who made the inquiry, the date and time when a nonapproval number was issued, the prohibiting criteria for the nonapproval, and the location where the attempted purchase or transfer occurred.

d. The Department of Law Enforcement shall make the notification described in sub-subparagraph a. within 1 week after receipt of the notice of the nonapproval, and may aggregate any notifications required pursuant to sub-subparagraph a. and issue them together within the required timeframe, except that a notification may be delayed for as long as necessary to avoid compromising an ongoing investigation.

e. The Department of Law Enforcement may make the notification required pursuant to sub-subparagraph a. in any form, including, but not limited to, by oral or written communication or by electronic means.

2. Collected a fee from the potential buyer for processing the criminal history check of the potential buyer. The fee shall be established by the Department of Law Enforcement and may not exceed $8 per transaction. The Department of Law Enforcement may reduce, or suspend collection of, the fee to reflect payment received from the Federal Government applied to the cost of maintaining the criminal history check system established by this section as a means of facilitating or supplementing the National Instant Criminal Background Check System. The Department of Law Enforcement shall, by rule, establish procedures for the fees to be transmitted by the licensee to the Department of Law Enforcement. Such procedures must provide that fees may be paid or transmitted by electronic means, including,
but not limited to, debit cards, credit cards, or electronic funds transfers. All such fees shall be deposited into the Department of Law Enforcement Operating Trust Fund, but shall be segregated from all other funds deposited into such trust fund and must be accounted for separately. Such segregated funds must not be used for any purpose other than the operation of the criminal history checks required by this section. The Department of Law Enforcement, each year before February 1, shall make a full accounting of all receipts and expenditures of such funds to the President of the Senate, the Speaker of the House of Representatives, the majority and minority leaders of each house of the Legislature, and the chairs of the appropriations committees of each house of the Legislature. In the event that the cumulative amount of funds collected exceeds the cumulative amount of expenditures by more than $2.5 million, excess funds may be used for the purpose of purchasing soft body armor for law enforcement officers.

3. Requested, by means of a toll-free telephone call or other electronic means, the Department of Law Enforcement to conduct a check of the information as reported and reflected in the Florida Crime Information Center and National Crime Information Center systems as of the date of the request.

4. Received a unique approval number for that inquiry from the Department of Law Enforcement, and recorded the date and such number on the consent form.
