Senator Taddeo moved the following:

**Senate Amendment (with title amendment)**

Between lines 886 and 887 insert:

(5) A school district or charter school that elects to participate in the Coach Aaron Feis Guardian Program shall establish a policy that provides notification to parents of students who will be attending a participating school and that allows parents to opt-in or out-out of having their child attend class with a teacher in the guardian program. The district school board or charter school governing board may choose
whether the program allows parents to opt-in or to opt-out of participation. The policy must require that such notice be provided before the school year begins and must allow a parent to authorize or decline to allow his or her child to be placed in a classroom in which a school guardian is present at any time during the school day. A school district or a charter school may not place a student in a classroom in which a school guardian is present if the student’s parent has declined to allow his or her child to be so placed.
