**I. Summary:**

SB 772 makes several changes as it relates to performance liens used by motor vehicle repair shops and towing - storage companies.

The bill:

- Allows lienholders to post a bond for the release of a vehicle subject to a claim of lien for repair;
- Adds information that must be included in notices of claim of lien and sale;
- Revises procedures for identifying unknown vehicle and vessel owners and lienholders;
- Requires notices of claim of lien and sale to be received within specified timeframes;
- Requires repair shops to allow inspection of vehicles subject to a claim of lien following a written inspection request;
- Permits administrative fees of no more than \$250 for the repair, towing, or storage of vehicles, prohibits fees not expressly authorized, and caps the total amount of fees that may be charged at \$250;
- Allows owners and lienholders to post a bond for the release of a vehicle or vessel subject to a claim of lien for towing and storage charges at any time before the sale of the vehicle or vessel;
- Requires repair shops and towing-storage operators to file specified documentation with the Department of Highway Safety and Motor Vehicles (DHSMV) prior to transferring title to a vehicle or vessel sold to satisfy a lien for repairs, towing, or storage; and
- Prohibits the DHSMV from transferring title to a vehicle or vessel without certain documents.

The bill provides an effective date of July 1, 2019.

## II. Present Situation:

### Liens

Liens are claims against property that evidence a debt, obligation, or duty. Liens can be created by judgment, equity, agreement, or statute. The rights and duties of a lienholder depend on the type of lien created and are generally set out in the order, agreement, or statute creating the lien.

Motor vehicle repair shops (repair shops) may place liens on motor vehicles (vehicles) for labor or services performed on the vehicles under a written repair estimate to recover the costs of repair and storage. Similarly, the operators of towing and storage companies (towing-storage operators) may place liens on vehicles or vessels to recover the costs of towing and storage. Notice of the claim of lien must be sent to interested parties by certified mail within a specified timeframe, and the vehicle or vessel may be sold if no one claims it or the balance owed for repairs, towing, or storage remains unpaid. Notice of the sale must be sent to interested parties and published in a newspaper in the county where the sale is to occur prior to the date of the sale.

### Motor Vehicle Repair Shops

Motor vehicle repair shops (repair shops) are regulated by the Department of Agriculture and Consumer Services (DACCS) under the Florida Motor Vehicle Repair Act, which requires all repair shops, with minor exceptions, to register with DACCS.<sup>1</sup> A repair shop may be fixed or mobile and includes a person or business that does vehicle glass work for compensation.<sup>2</sup>

When a customer<sup>3</sup> requests that a repair shop perform repairs to a motor vehicle<sup>4</sup> (vehicle) that will cost more than \$100, the shop must prepare a written estimate of the cost of the repairs before beginning any work, unless the customer waives his or her right to such an estimate.<sup>5</sup> Following the completion of any repairs, the repair shop must give each customer a legible copy of an invoice for the repairs.<sup>6</sup>

### *Unlawful Acts and Practices*

It is unlawful for any repair shop or its employees to:

- Make or charge for repairs not expressly or impliedly authorized by the customer;<sup>7</sup>
- Misrepresent that repairs have been made to a vehicle;<sup>8</sup>

<sup>1</sup> Ss. 559.901-559.9221, F.S.

<sup>2</sup> S. 559.903(6) and (7), F.S.

<sup>3</sup> “Customer” means the person who signs the written repair estimate or any other person whom the person who signs the written repair estimate designates on the written repair estimate as a person who may authorize repair work. S. 559.903(1), F.S.

<sup>4</sup> “Motor vehicle” means an automobile, motorcycle, truck, trailer, semitrailer, truck tractor and semitrailer combination, or any other vehicle operated on the roads of this state, used to transport persons and property, and propelled by power other than muscular power. “Motor vehicle” also means a recreational vehicle primarily used as temporary living quarters for recreational, camping, or travel use, which either has its own motive power or is mounted on or drawn by another vehicle. Ss. 320.01(1)(a) and (b), F.S.

- Fraudulently alter a customer contract, estimate, invoice, or other document;<sup>9</sup> or
- Make or authorize a false, deceptive, or misleading written or oral statement.<sup>10</sup>

### **Liens Claimed by Motor Vehicle Repair Shop**

#### ***Claim of Lien; Notice***

At any time after completion of repairs made to a motor vehicle under a written estimate, a repair shop may claim a lien on the vehicle for the cost of the repairs.<sup>11</sup> A repair shop must give notice of a claim of lien to:

- The registered owner of the vehicle;
- The customer listed on the repair order; and
- All other persons claiming an interest in or lien on the vehicle, as disclosed by the records of:
  - The Department of Highway Safety and Motor Vehicles (DHSMV); and
  - Any corresponding agency in another state in which the vehicle is identified as being titled or registered by the National Motor Vehicle Title Information System<sup>12</sup> (NMVTIS) or an equivalent commercially available system.<sup>13</sup>

The notice of claim of lien must be sent by certified mail within 7 business days from the date storage charges begin to accrue and must contain:

- The vehicle's description;<sup>14</sup>
- The name and address of the vehicle's owner, the customer listed on the repair order, and any person claiming an interest in or lien on the vehicle;<sup>15</sup>
- The repair shop's name, address, and telephone number;<sup>16</sup>
- The date, time, and location of proposed or scheduled sale of the vehicle, if known;<sup>17</sup> and
- Notice that:
  - The repair shop claims a lien on the vehicle for labor and services performed and storage charges, if any, and the amount that, if paid, would satisfy the lien;<sup>18</sup>
  - The lien is subject to enforcement and the vehicle may be sold to satisfy the lien;<sup>19</sup>
  - The owner of the vehicle or any person claiming an interest in or lien on the vehicle has a right to a hearing at any time before the sale;<sup>20</sup>

<sup>9</sup> S. 559.920(6), F.S.

<sup>10</sup> S. 559.920(8), F.S.

<sup>11</sup> This is a possessory lien, meaning a repair shop can only claim a lien on a vehicle if it has actual or constructive possession of the vehicle. Ss. 713.58(1) and (3), F.S.; *State v. Miller*, 373 So.2d 677, 678 (Fla. 1979) (“appellee invoked the provisions of s. 713.58, F.S., which grants a possessory lien in favor of persons providing labor and services on personal property”).

<sup>12</sup> “National Motor Vehicle Title Information System” means the federally authorized electronic National Motor Vehicle Title Information System. S. 713.78(1)(d), F.S.

<sup>13</sup> “Equivalent commercially available system” means a service that charges a fee to provide vehicle information and that, at a minimum, maintains records from those states participating in data sharing with the NMVTIS. Ss. 718.78(1)(e) and 713.78(4)(a), F.S.

<sup>14</sup> S. 713.585(1)(a), F.S.

<sup>15</sup> S. 713.585(1)(b), F.S.

<sup>16</sup> S. 713.585(1)(c), F.S.

<sup>17</sup> S. 713.585(1)(f), F.S.

<sup>18</sup> S. 713.585(1)(d), F.S.

<sup>19</sup> S. 713.585(1)(e), F.S.

<sup>20</sup> S. 713.585(1)(g), F.S.

- The owner of the vehicle has a right to recover possession of the vehicle without instituting judicial proceedings by posting a bond;<sup>21</sup>
- Any proceeds from the sale of the vehicle remaining after payment of the amount claimed to be owed to the lienor will be deposited with the clerk of the circuit court for disposition;<sup>22</sup> and
- A lienholder, if any, has the right to demand a hearing or to post a bond.<sup>23</sup>

If a repair shop fails to give notice of the claim of lien to any person claiming a lien on the vehicle within 7 business days after the storage charges begin to accrue, the repair shop is precluded from charging for more than 7 days of storage.<sup>24</sup> However, failure to timely provide the notice does not affect charges owed for repairs.<sup>25</sup>

### ***Unidentified Owner or Lienholder***

A repair shop that cannot identify a vehicle's owner or lienholder must, after 7 business days from the date storage charges begin to accrue on the vehicle, notify local law enforcement by certified mail or acknowledged hand delivery that:

- The repair shop was unable to identify the owner or lienholder;
- A physical search of the vehicle did not disclose ownership information; and
- The repair shop made a good faith effort to identify the owner or lienholder.<sup>26</sup>

A good faith effort means the repair shop checked the:

- DHSMV database for the identity of the owner and lienholder;<sup>27</sup>
- NMVTIS or an equivalent commercially available system to determine the state of registration if there is no current registration on file with the DHSMV;<sup>28</sup> and
- Vehicle for:
  - Any type of tag, tag record, temporary tag, or regular tag;<sup>29</sup>
  - An inspection sticker or other stickers and decals that could indicate the state of possible registration;<sup>30</sup> and
  - Any papers that could be in the glove box, trunk, or other areas for the state of registration.<sup>31</sup>

Failure of the repair shop to make a good faith effort to identify the owner or lienholder of the vehicle precludes it from assessing any storage charges.<sup>32</sup>

### ***Inspection of Vehicle***

Currently, registered owners, customers, and persons claiming an interest in or lien on a vehicle on which a repair shop claims a lien for repairs and storage do not have a statutory right to inspect the vehicle.

### ***Bond to Release Vehicle***

A customer may have his or her vehicle released from a lien claimed by a repair shop for repair work performed under a written estimate by filing with the clerk of the court in the circuit in which the repairs occurred a bond, payable to the shop claiming the lien and conditioned for the payment of any judgment which may be entered on the lien.<sup>33</sup> When a customer posts such a bond, the clerk of the court must notify the repair shop of the bond and direct the shop to release the vehicle.<sup>34</sup> The shop has 60 days to file suit to recover the bond, or else the bond will be discharged.<sup>35</sup> The prevailing party in the suit may be awarded damages, court costs, and reasonable attorney fees.<sup>36</sup>

A customer may also initiate judicial proceedings against a repair shop that does not release or return the vehicle after receiving notice of the bond and a directive to do so.<sup>37</sup> If the customer prevails in such proceedings, he or she may be entitled to damages, court costs, and reasonable attorney fees.<sup>38</sup> If the repair shop prevails, the repair shop may be entitled to its reasonable attorney fees.<sup>39</sup>

However, persons of record claiming a lien against a vehicle are not entitled to post a bond for the release of the vehicle or to initiate judicial proceedings pursuant to this section.

### ***Sale of the Vehicle; Notice***

If the date of the sale was not included in the notice of claim of lien, the repair shop must send a notice of sale by certified mail, no less than 15 days before the date of the sale, to:

- The customer listed on the repair order; and
- All other persons claiming an interest in or lien on the vehicle, as disclosed by the records of:
  - The DHSMV; or
  - A corresponding agency of any other state in which the vehicle appears to have been registered after checking the NMVTIS or an equivalent commercially available system.<sup>40</sup>

The repair shop must also publish notice of the time and place of the sale, at least 15 days before the date of the sale, in a newspaper of general circulation in the county in which the vehicle is held.<sup>41</sup>

### ***Proceeds of Sale***

Following the sale of a vehicle to satisfy a lien for repairs or storage, the repair shop must deposit the proceeds of the sale, minus the amount owed for repairs and storage and all reasonable costs incurred in conducting the sale, with the clerk of the circuit court.<sup>42</sup> The clerk must hold the proceeds for the owner of the vehicle or any lienholder whose lien is discharged by the sale and may disburse the proceeds only upon a court order.<sup>43</sup>

### ***Transfer of Title***

When a vehicle is sold to satisfy a lien for repairs or storage, the purchaser takes title to the vehicle free and clear of all liens unless otherwise provided by court order.<sup>44</sup>

To transfer title to the vehicle following a sale, the repair shop must file with the DHSMV:

- A certified copy of:
  - The certificate of compliance filed with the clerk of court; and
  - The report of sale;
    - Proof of the required check of the NMVTIS or an equivalent commercially available system; and
    - Any other proof required by DHSMV rules and regulations.<sup>45</sup>

### **Towing and Wrecker Companies**

Towing and wrecker companies are licensed and regulated by the counties in which they operate and are regulated by county ordinances.<sup>46</sup> These ordinances may establish license application procedures and fees, maximum towing rates, towing authorization requirements, and penalties for ordinance violations, among other things.<sup>47</sup>

There is no right at common law to a lien on a vehicle or vessel for towing and storage charges.<sup>48</sup> Such a lien is instead a statutory creation.<sup>49</sup>

<sup>49</sup> S. 713.78, F.S.

## Liens for Recovering, Towing, or Storing Vehicles and Vessels

### *Claim of Lien; Notice*

A person who regularly engages in transporting vehicles<sup>50</sup> or vessels<sup>51</sup> by wrecker,<sup>52</sup> tow truck, or car carrier (towing-storage operator) may claim a lien for reasonable towing and storage fees upon any vehicle or vessel recovered, removed, or stored for more than 6 hours at the request of:

- The owner of the vehicle or vessel;<sup>53</sup>
- The owner or lessor, or a person authorized by the owner or lessor, of property on which the vehicle or vessel is wrongfully parked;<sup>54</sup>
- A landlord, or a person authorized by a landlord, when the vehicle or vessel remained on leased premises after the tenancy terminated;<sup>55</sup> or
- A law enforcement agency.<sup>56</sup>

A towing-storage operator who claims a lien for recovery, towing, or storing services must send notice of the claim of lien to:

- The registered owner;
- The insurance company insuring the vehicle or vessel; and
- All persons claiming a lien on the vehicle or vessel, as disclosed by the records of:
  - The DHSMV; or
  - Any corresponding agency in another state in which the vehicle is identified as being titled or registered by the NMVTIS or an equivalent commercially available system.<sup>57</sup>

The notice of claim of lien must be sent by certified mail within 7 business days after the date of storage of the vehicle or vessel and state:

- The towing-storage operator possesses the vehicle or vessel;
- That a lien is claimed on the vehicle or vessel;
- That charges have accrued, and the amount of the charges;
- That the lien is subject to enforcement by law;
- That the owner and any lienholder have the right to a hearing; and
- That any vehicle or vessel that remains unclaimed, or for which the charges remain unpaid, may be sold.<sup>58</sup>

If a law enforcement agency authorized a towing-storage operator to remove a vehicle or vessel, or a towing-storage operator notifies a law enforcement agency of possession of a towed vehicle

<sup>50</sup> “Vehicle” means any mobile item, whether motorized or not, which is mounted on wheels. S. 713.78(1)(a), F.S.

<sup>51</sup> “Vessel” means every description of watercraft, barge, and airboat used or capable of being used as a means of transportation on water, other than a seaplane or a “documented vessel” as defined in s. 327.02, F.S. S. and 713.78(1)(b), F.S.

<sup>52</sup> “Wrecker” means any truck or other vehicle which is used to tow, carry, or otherwise transport motor vehicles or vessels upon the streets and highways of this state and which is equipped for that purpose with a boom, winch, car carrier, or other similar equipment. S. 713.78(1)(c), F.S.

<sup>53</sup> S. 713.78(2)(a), F.S.

<sup>54</sup> S. 713.78(2)(b), F.S. Removal must comply with s. 715.07, F.S.

<sup>55</sup> S. 713.78(2)(c), F.S. Removal must comply with ss. 83.806 or 715.104, F.S.

<sup>56</sup> S. 713.78(2)(d), F.S.

<sup>57</sup> S. 713.78(4)(a), F.S.

<sup>58</sup> S. 713.78(4)(c), F.S.

or vessel,<sup>59</sup> the law enforcement agency where the vehicle or vessel is stored must contact the DHSMV, or the appropriate agency in the state of registration, if known, within 24 hours and provide a full description of the vehicle or vessel.<sup>60</sup> The DHSMV, or appropriate state agency, must search its records to determine the identity of the owner, the company insuring the vehicle or vessel, and any lienholders and provide the information to the law enforcement agency within 72 hours.<sup>61</sup> The towing-storage operator must obtain such information from the law enforcement agency within 5 days after the date of storage and provide the required notice.<sup>62</sup>

### ***Unidentified Owner or Lienholder***

Any towing-storage operator who cannot identify the owner or lienholder of a vehicle or vessel must, after 7 working days of the initial tow or storage, notify law enforcement in the jurisdiction where the vehicle or vessel is stored by certified mail or acknowledged hand delivery that:

- The towing-storage operator was unable to identify the owner or lienholder;
- A physical search of the vehicle or vessel did not disclose ownership information; and
- The towing-storage operator made a good faith effort to identify the owner or lienholder.<sup>63</sup>

A good faith effort means the towing-storage operator checked the:

- DHSMV database;<sup>64</sup>
- Electronic NMVTIS or an equivalent commercially available system to determine the state of registration when there is not a current registration record for the vehicle on file with the DHSMV;<sup>65</sup>
- Vehicle or vessel for:
  - Any type of tag, tag record, temporary tag, or regular tag;<sup>66</sup>
  - An inspection sticker or other stickers and decals that may indicate the state of registration;<sup>67</sup>
  - Any papers that may be in the glove box, trunk, or other areas for a state registration;<sup>68</sup> and
  - A vehicle identification number,<sup>69</sup> a vessel registration number,<sup>70</sup> or a hull identification number;<sup>71</sup>
- Law enforcement report:

---

<sup>59</sup> Within 30 minutes after completion of a tow or removal from private property without the consent of the registered owner or other legally authorized person, a towing-storage operator must notify the municipal police department, or, in an unincorporated area, the sheriff, of the tow or removal, the storage site, the time of the tow or removal, and the make, model, color, and license plate number of the vehicle or description and registration number of the vessel. - For a tag number or other information identifying the vehicle or vessel, if the vessel was towed at the request of a law enforcement officer;<sup>72</sup>
- To see if any driver's license information indicates an out-of-state address, if there is no address on the impound report;<sup>73</sup> and
- Trip sheet or tow ticket of the tow truck operator to see if a tag was on the vehicle or vessel at the beginning of the tow.<sup>74</sup>

Failure of the towing-storage operator to make a good faith effort to identify the owner or lienholder of the vehicle or vessel precludes the towing-storage operator from assessing any storage charges.<sup>75</sup>

### ***Inspection of Vehicles and Vessels***

A towing-storage operator must permit vehicle or vessel owners, lienholders, insurance company representatives, or their agents,<sup>76</sup> to inspect the towed vehicle or vessel.<sup>77</sup> The towing-storage operator is not required to accept electronic title as proof of ownership or lien; thus, the towing-storage operator may require parties wishing to inspect the vehicle or vessel to present a paper title before allowing the inspection.

### ***Bond to Release Vehicle or Vessel***

The owner or lienholder of a vehicle or vessel subject to a lien for towing and storage charges may, within 10 days after learning of the location of the vehicle or vessel, file a complaint in the county court of the county where the vehicle or vessel is stored to determine whether the vehicle or vessel was wrongfully taken or withheld.<sup>78</sup> The vehicle or vessel must be released if, after filing a complaint, the owner or lienholder files a bond with the clerk of the court to ensure the payment of charges owed for towing and storage should the owner or lienholder not prevail in litigation.<sup>79</sup> After posting bond, the clerk must issue a notice of the bond to the towing-storage operator and direct the towing-storage operator to release the vehicle or vessel.<sup>80</sup>

### ***Sale of Vehicles and Vessels; Notice***

A towing-storage operator may sell at public auction a stored vehicle or vessel which remains unclaimed, or for which charges for recovery, towing, or storage remain unpaid, after:

- 35 days from the date of storage if the vehicle or vessel is more than 3 years old; or
- 50 days from the date of storage if the vehicle or vessel is 3 years old or less.<sup>81</sup>

<sup>81</sup> S. 713.78(6), F.S.

If a law enforcement agency notified of a towing-storage operator's inability to identify an owner or lienholder pursuant to s. 713.78(4)(d), F.S., fails to respond to such notice prior to the date of sale, the towing-storage operator may proceed with the sale.<sup>82</sup>

If the date of the sale was not included in the notice of claim of lien, the towing-storage operator must send a notice of sale by certified mail, no less than 15 days before the date of the sale, to:

- The person in whose name the vehicle or vessel is registered; and
- All persons claiming a lien on the vehicle or vessel as shown in the records of the DHSMV or any corresponding agency in any other state in which the vehicle is identified as being titled by a records check of the NMVTIS or an equivalent commercially available system.<sup>83</sup>

The towing-storage operator must also publish notice of the time and place of the sale, at least 10 days before the date of the sale, in a newspaper of general circulation in the county where the sale will occur.<sup>84</sup>

### ***Proceeds of Sale***

If the owner or lienholder of the vehicle or vessel sold at auction is absent, the proceeds of the sale of the vehicle or vessel, minus any reasonable towing and storage charges owed and costs of the sale, must be deposited with the clerk of the court for the county where the sale occurred.<sup>85</sup>

The clerk must hold the proceeds for the benefit of the owner or lienholder whose interest in the vehicle or vessel was destroyed by the sale.<sup>86</sup>

### ***Transfer of Title***

Title to a vehicle or vessel sold to satisfy a lien for recovery, towing, or storage transfers to the purchaser free of all liens unless otherwise provided by court order.<sup>87</sup> To transfer title to such a vehicle, the towing-storage operator must apply to the tax collector or local license plate agency.<sup>88</sup> However, if the vehicle does not sell, the towing-storage operator must apply for a certificate of title in its own name.<sup>89</sup>

### **Fraud Allegations**

Some repair shops and towing-storage operators have been accused of exploiting existing lien law to wrest away vehicle finance and leasing companies' (lenders) security or ownership interest in vehicles upon which liens have been placed.<sup>90</sup> These practices allegedly take two forms: fraudulent delivery of the notice of lien and fraudulent or inflated charges.<sup>91</sup>

<sup>91</sup> *Id.*

In some instances, lenders allegedly receive an envelope by certified mail, sign for its receipt, and open it to discover the envelope is empty or contains meaningless documents.<sup>92</sup> However, the service provider may use the signed certified mail receipt as proof the lender received a notice of claim of lien and proceed with the sale of the vehicle when it goes unclaimed.<sup>93</sup> In this situation, a lender is effectively denied the opportunity to satisfy the lien or challenge it in court and may be ultimately forced to abandon its interest in the vehicle because it failed to take action within statutorily prescribed timeframes.<sup>94</sup>

Another allegation is that in other instances, the service provider gives proper notice of claim of lien to the owner, lender, and other interested parties; however, the costs associated with the services provided may be fraudulent or significantly inflated.<sup>95</sup> In such cases, the cost to satisfy the lien may exceed the amount owed to the lender by the owner and, in some cases, the market value of the vehicle.<sup>96</sup> Lenders receiving notice of lien in these circumstances must decide whether to satisfy the lien and recover the vehicle, post a bond to recover the vehicle and challenge the lien in court, or abandon the vehicle.<sup>97</sup> However, the lender may have limited information about the accuracy of the charges to use in making its decision.<sup>98</sup>

Such lien fraud allegedly costs consumer and lenders tens of millions of dollars every year and increases the cost of credit for consumers wishing to finance the purchase of a motor vehicle.<sup>99</sup>

### III. Effect of Proposed Changes:

#### Liens Claimed by Motor Vehicle Repair Shops

##### *Claim of Lien; Notice*

The bill modifies the timeframes applicable to notices of claims of lien required by s. 713.585(1), F.S., by specifying that such notice must be received by the registered owner, the customer, and all other persons claiming an interest in or lien on the vehicle within 7 business days after the date of storage of the vehicle or within 10 business days after the date of completion of the repairs, whichever is earlier. Such notice must be received at least 30 days before the date of the sale. The bill does not address the scenario where factors outside the control of the repair shop prevent the specified parties from receiving the notice of claim of lien within the requisite timeframes.<sup>100</sup>

The bill revises content requirements for a notice of claim of lien. In addition to existing requirements, a notice must:

<sup>99</sup> Letter from Danielle Arlowe, Senior Vice President of State Government Affairs for the American Financial Services Association, Re: House Bill 431- Motor Vehicle Lien Fraud (Feb. 11, 2019).

<sup>100</sup> E.g., a hurricane delays mail delivery for several days, or an intended recipient is traveling out of state during this period.

- Include the vehicle identification number (VIN) of the vehicle subject to the lien clearly identified and printed in the delivery address box on the return receipt card<sup>101</sup> and on the outside of the envelope; and
- Contain:
  - The repair shop's registration number, owner's name, and physical address and the entity name of the business where the repairs or storage occurred, which must also be on the outside of the envelope;
  - The name of the person or entity that authorized the labor or services;
  - An itemized statement of the amount claimed to be owed to the repair shop; and
  - Notice that the repair shop will make the vehicle available for inspection during regular business hours within 3 business days after receiving a written inspection request.

The bill allows an agent of a repair shop to send the notice of claim of lien required by s. 718.585(1), F.S., and specifies that a repair shop must send such notices regardless of whether the repair shop intends to collect storage fees.

#### ***Unidentified Owner or Lienholder***

The bill modifies the timeframe for a repair shop that cannot identify a vehicle's owner or lienholder to provide the notice to local law enforcement required by s. 713.585(2), F.S., by requiring notice to be sent within 7 business days after the date of storage of the vehicle or within 10 business days after the date of completion of the repairs, whichever is earlier.

The bill also modifies the timeframe for a repair shop to make a good faith effort to identify the owner or lienholder of a vehicle required by s. 713.585(2), F.S., by requiring the repair shop to do so within 7 business days after the date of storage of the vehicle. The bill in s. 713.585(13), F.S., continues to prohibit a repair shop that fails to comply with this requirement from charging for more than 7 days of storage.

#### ***Inspection of Vehicles***

The bill creates a new subsection (14) to s. 713.585, F.S., which allows the registered owner, customer, and persons claiming an interest in or lien on a vehicle subject to a lien for repairs or storage to request an inspection of the vehicle at any time before the proposed or scheduled date of sale of the vehicle. The bill requires repair shops to make the vehicle available for inspection during regular business hours within 3 business days after receiving a written inspection request from such persons.

#### ***Bond to Release Vehicle***

The bill amends s. 559.917, F.S., to add any person of record claiming a lien against a vehicle to the list of persons who may have a vehicle released by filing a bond with the clerk of the court in the circuit in which the repairs occurred. The bill also allows such persons to initiate judicial proceedings against a repair shop that does not release or return the vehicle after receiving notice of the bond and a directive to release the vehicle. However, the bill does not authorize the registered owner to take such actions, unless the registered owner is also the customer.

<sup>101</sup> The VIN must be clearly visible on the electronic image of the return receipt card.

### ***Sale of Vehicles; Notice***

The bill amends s. 713.585(3), F.S., prohibits sale of a vehicle to satisfy a lien for repairs or storage within 60 days after completion of the repair work. The bill also modifies the timeframe applicable to notices of sale required by s. 713.585(3), F.S., by specifying that the requisite parties must receive the notice of sale at least 15 days before the date of the sale.

The bill adds requirements for the notice of sale. Such notice must contain:

- The VIN of the vehicle subject to the sale clearly identified and printed in the delivery address box of the return receipt card and on the outside of the envelopes;<sup>102</sup> and
- The repair shop's registration number, owner's name, and physical address, and the entity name of the business where the repair work or storage occurred, which must also be on the outside of the envelope.

The bill requires a repair shop to publish a notice of sale in a newspaper circulated in the county where the repair shop completed the repairs and in the county where the sale of the vehicle will occur. The bill also adds to the list in s. 713.585(9), F.S., of what must be included in or filed with the certificate of compliance filed with the clerk of the court following publication:

- The VIN of the vehicle to be sold;
- A copy of the notice of lien and the notice of sale; and
- A copy of all return receipts for mailing the notices, which must include the VIN.

### ***Transfer of Title***

To transfer title to a vehicle following the public sale to satisfy a lien for repairs or storage under s. 713.585(9), F.S., the bill requires a repair shop to file with the DHSMV a copy of:

- The certificate of compliance, which includes the VIN;
- The notice of lien;
- The notice of sale; and
- All return receipts for mailing the notices, which must include the VIN.

The bill also prohibits the DHSMV from approving such a title transfer if the application does not include a copy of:

- The notice of claim of lien;
- The notice of sale; and
- All return receipts for mailing of the notices, indicating their timely receipt and the VIN.<sup>103</sup>

### ***Fees***

The bill creates a new subsection (15) in s. 713.585, F.S., which allows a repair shop, or its agent, to add a fee for administrative costs not to exceed \$250 to the amount due for storage or repairs to the vehicle. However, the bill precludes the repair shop from charging fees not authorized by s. 713.585, F.S. Further, the bill prohibits a repair shop from charging fees authorized by s. 713.585, F.S., which, added together, total more than \$250

---

<sup>102</sup> *Id.*

<sup>103</sup> The VIN on the return receipts must match the VIN of the vehicle subject to the transfer of title and must be clearly visible on the electronic image of the turn receipt card available on the United States Postal Service (USPS) website.

### ***Unlawful Acts and Practices***

The bill amends 559.920, F.S., to make it unlawful for a repair shop and its employees to violate any provision of s. 713.585, F.S., regarding the enforcement of liens for repair and storage costs by sale of the vehicles subject to the liens. A violation of s. 713.585, F.S., constitutes a violation of the Florida Motor Vehicle Repair Act.

### **Liens for Recovering, Towing, or Storing Vehicles and Vessels**

#### ***Claim of Lien; Notice***

The bill modifies the timeframes applicable to a notice of claim of lien required by s. 713.78(4), F.S., by requiring such notices to be received by the registered owner, the insurance company insuring the vehicle, and all lienholders within 7 business days after the date of storage of the vehicle or vessel or within 10 business days after the date of completion of services, whichever is earlier. Such notice must be received at least 30 days before the date of the sale. The bill does not address the scenario where factors outside the control of the towing-storage operator prevent the specified parties from receiving the notice of claim of lien within the requisite timeframes.<sup>104</sup>

The bill revises requirements for a notice of claim of lien. In addition to existing requirements, a notice must:

- Include a clearly identified and printed VIN, if the claim of lien is for a vehicle:
  - In the delivery address box of the return receipt card;
  - On the outside of the envelope; and
  - On the electronic image of the return receipt card;
- State the name, physical address, and telephone number of the towing-storage operator and the entity name of the business where the towing and storage occurred, which must also appear on the outside of the envelope;
- State the name of the person or entity that authorized the towing-storage operator to take possession of the vehicle or vessel;
- State that charges have accrued and include an itemized statement of said charges; and
- State that any vehicle or vessel that goes unclaimed, or for which the charges owed remain unpaid, may be sold:
  - 35 days after the vehicle or vessel is stored if the vehicle or vessel is more than 3 years old; or
  - 50 days after the vehicle or vessel is stored if the vehicle or vessel is 3 years old or less.

The bill amends s. 713.78(9), F.S., to prohibit a towing-storage operator that fails to provide a notice of claim of lien from charging for more than 7 days of storage. Such failure does not prohibit the towing-storage operator from charging for towing the vehicle or vessel.

#### ***Bond to Release Vehicles or Vessels***

The bill in s. 713.78(5), F.S., authorizes an owner or lienholder to post a bond for release of a vehicle or vessel with the clerk of the court at any time before the sale of the vehicle or vessel. The owner or lienholder is no longer required to file a complaint before posting such a bond.

***Sale of Vehicles; Notice***

The bill adds requirements for a notice of sale required by s. 713.78(6), F.S. The notice must:

- Include the VIN of the vehicle subject to sale in the delivery address box of the return receipt card, on the outside of the envelope, and on the electronic image of the return receipt card, if the claim of lien is for a vehicle; and
- State the name, physical address, and telephone number of the towing-storage operator, which must also be on the envelope.

***Transfer of Title***

The bill adds subsection (14) to s. 713.78, F.S., which provides that to transfer title to a vehicle or vessel after a public sale to satisfy a lien for recovery, towing, or storage charges, a towing-storage operator must file with the DHSMV:

- Copies of:
  - The notice of lien;
  - The notice of sale; and
  - All return receipts for mailing of the notices, which must include the VIN if the claim of lien was for a vehicle; and
- Proof of the required check of the records of the NMVTIS or an equivalent commercially available system.

The bill also prohibits the DHSMV from approving such a title transfer if the application does not include copies of:

- The notice of lien;
- The notice of sale; and
- All return receipts for mailing of the notices, indicating their timely receipt and the VIN.<sup>105</sup>

***Fees***

The bill adds subsection (15) to s. 713.78, F.S., to allow a towing-storage operator, or its agent, to add a fee for administrative costs not to exceed \$250 to the amount due for towing and storing a vehicle.<sup>106</sup> However, the bill precludes the towing-storage operator from charging fees not authorized by ss. 125.013, 166.043, and 713.78, F.S. Further, the bill prohibits towing-storage operators from charging fees authorized by these sections which, added together, total more than \$250.

The bill provides an effective date of July 1, 2019.

**IV. Constitutional Issues:****A. Municipality/County Mandates Restrictions:**

None.

<sup>105</sup> If the claim of lien is for a vehicle, the VIN on the return receipts must match the VIN of the vehicle subject to the title transfer and must be clearly visible on the electronic image of the return receipt card available on the USPS website.

<sup>106</sup> The bill does not permit a towing-storage operator to charge such a fee for towing or storing a vessel.

**B. Public Records/Open Meetings Issues:**

None.

**C. Trust Funds Restrictions:**

None.

**D. State Tax or Fee Increases:**

None.

**E. Other Constitutional Issues:**

None.

**V. Fiscal Impact Statement:****A. Tax/Fee Issues:**

None.

**B. Private Sector Impact:**

The bill may reduce losses experienced by motor vehicle and vessel lienholders, including lenders, as it may reduce fraudulent practices relating to notices of lien and sale. The bill may also reduce costs to consumers hoping to finance the purchase of a vehicle.

The bill may impact repair shops and towing-storage operators by capping the amount of administrative costs and fees they may add to the amount due for repair, towing, or storage of a vehicle or vessel.

**C. Government Sector Impact:**

None.

**VI. Technical Deficiencies:**

None.

**VII. Related Issues:**

None.

**VIII. Statutes Affected:**

This bill substantially amends the following sections of the Florida Statutes: 559.917, 559.920, 713.585, and 713.78.

**IX. Additional Information:**

- A. **Committee Substitute – Statement of Changes:**  
(Summarizing differences between the Committee Substitute and the prior version of the bill.)

None.

- B. **Amendments:**
