House

---

The Committee on Appropriations (Rouson) recommended the following:

**Senate Amendment**

Delete lines 141 - 142  
and insert:  
516.03 concurrently with the application for the program  
license. The application required by s. 516.03 must be approved  
and the license under that section must be issued in order to  
obtain the program license.
