Section 17. Subsection (4) of section 723.011, Florida
801 Statutes, is amended to read:
802
803 723.011 Disclosure prior to rental of a mobile home lot;
804 prospectus, filing, approval.—
805
806 (4) With regard to a tenancy in existence on the effective
807 date of this chapter, the prospectus or offering circular
808 offered by the mobile home park owner must shall contain the
809 same terms and conditions as rental agreements offered to all
810 other mobile home owners residing in the park on the effective
811 date of this act, excepting only rent variations based upon lot
812 location and size, and may shall not require any mobile home
813 owner to install any permanent improvements, except that the
814 mobile home owner may be required to install permanent
815 improvements to the mobile home as disclosed in the prospectus.
816
817 Section 18. Subsection (5) of section 723.012, Florida
818 Statutes, is amended to read:
819
820 723.012 Prospectus or offering circular.—The prospectus or
821 offering circular, which is required to be provided by s.
822 723.011, must contain the following information:
823
824 (5) A description of the recreational and other common
825 facilities, if any, that will be used by the mobile home owners,
826 including, but not limited to:
827
828 (a) The number of buildings and each room thereof and its
829 intended purposes, location, approximate floor area, and
830 capacity in numbers of people.
831
832 (b) Each swimming pool, as to its general location,
approximate size and depths, and approximate deck size and capacity and whether heated.

(c) All other facilities and permanent improvements that will serve the mobile home owners.

(d) A general description of the items of personal property available for use by the mobile home owners.

(e) A general description of the days and hours that facilities will be available for use.

(f) A statement as to whether all improvements are complete and, if not, their estimated completion dates.

If a mobile home park owner intends to include additional property and mobile home lots and to increase the number of lots that will use the shared facilities of the park, the mobile home park owner must amend the prospectus to disclose such additions. If the number of mobile home lots in the park increases by more than 15 percent of the total number of lots in the original prospectus, the mobile home park owner must reasonably offset the impact of the additional lots by increasing the shared facilities. The amendment to the prospectus must include a reasonable timeframe for providing the required additional shared facilities. The costs and expenses necessary to increase the shared facilities may not be passed on or passed through to the existing mobile home owners.

Section 19. Section 723.023, Florida Statutes, is amended
to read:

723.023 Mobile home owner's general obligations.—A mobile home owner shall at all times:

1. At all times comply with all obligations imposed on mobile home owners by applicable provisions of building, housing, and health codes, including compliance with all building permits and construction requirements for construction on the mobile home and lot. The home owner is responsible for all fines imposed by the local government for noncompliance with any local codes.

2. At all times keep the mobile home lot that which he or she occupies clean, neat, and sanitary, and maintained in compliance with all local codes.

3. At all times comply with properly promulgated park rules and regulations and require other persons on the premises with his or her consent to comply with such rules and to conduct themselves, and other persons on the premises with his or her consent, in a manner that does not unreasonably disturb other residents of the park or constitute a breach of the peace.

4. Receive written approval from the mobile home park owner before making any exterior modification or addition to the home.

5. When vacating the premises, remove any debris and other property of any kind which is left on the mobile home lot.

Section 20. Subsection (5) of section 723.031, Florida
Statutes, is amended to read:

(5) The rental agreement must contain the lot rental amount and services included. An increase in lot rental amount upon expiration of the term of the lot rental agreement must be in accordance with ss. 723.033 and 723.037 or s. 723.059(4), whichever is applicable; provided that, pursuant to s. 723.059(4), the amount of the lot rental increase is disclosed and agreed to by the purchaser, in writing. An increase in lot rental amount shall not be arbitrary or discriminatory between similarly situated tenants in the park. A lot rental amount may not be increased during the term of the lot rental agreement, except:

(a) When the manner of the increase is disclosed in a lot rental agreement with a term exceeding 12 months and which provides for such increases not more frequently than annually.

(b) For pass-through charges as defined in s. 723.003.

(c) That a charge may not be collected which results in payment of money for sums previously collected as part of the lot rental amount. The provisions hereof notwithstanding, the mobile home park owner may pass on, at any time during the term of the lot rental agreement, ad valorem property taxes, non-ad valorem assessments, and utility charges, or increases of either, provided that the ad valorem property taxes, non-ad valorem assessments, and utility charges are not otherwise being
collected in the remainder of the lot rental amount and provided
further that the passing on of such ad valorem taxes, non-ad
valorem assessments, or utility charges, or increases of either,
was disclosed prior to tenancy, was being passed on as a matter
of custom between the mobile home park owner and the mobile home
owner, or such passing on was authorized by law. A park owner is
deemed to have disclosed the passing on of ad valorem property
taxes and non-ad valorem assessments if ad valorem property
taxes or non-ad valorem assessments were disclosed as a separate
charge or a factor for increasing the lot rental amount in the
prospectus or rental agreement. Such ad valorem taxes, non-ad
valorem assessments, and utility charges shall be a part of the
lot rental amount as defined by this chapter. The term "non-ad
valorem assessments" has the same meaning as provided in s.
197.3632(1)(d). Other provisions of this chapter
notwithstanding, pass-on charges may be passed on only within 1
year of the date a mobile home park owner remits payment of the
charge. A mobile home park owner is prohibited from passing on
any fine, interest, fee, or increase in a charge resulting from
a park owner's payment of the charge after the date such charges
become delinquent. A mobile home park owner is prohibited from
charging or collecting from the mobile home owners any sum for
ad valorem taxes or non-ad valorem tax charges in an amount in
excess of the sums remitted by the park owner to the tax
collector. Nothing herein shall prohibit a park owner and a
homeowner from mutually agreeing to an alternative manner of
payment to the park owner of the charges.

(d) If a notice of increase in lot rental amount is not
given 90 days before the renewal date of the rental agreement,
the rental agreement must remain under the same terms until a
90-day notice of increase in lot rental amount is given. The
notice may provide for a rental term shorter than 1 year in
order to maintain the same renewal date.

Section 21. Subsection (1) and paragraph (a) of subsection
(4) of section 723.037, Florida Statutes, are amended to read:

723.037 Lot rental increases; reduction in services or
utilities; change in rules and regulations; mediation.—

(1) A park owner shall give written notice to each
affected mobile home owner and the board of directors of the
homeowners' association, if one has been formed, at least 90
days before any increase in lot rental amount or reduction in
services or utilities provided by the park owner or change in
rules and regulations. The park owner may give notice of all
increases in lot rental amount for multiple anniversary dates in
the same 90-day notice. The notice must identify all other
affected homeowners, which may be by lot number, name, group, or
phase. If the affected homeowners are not identified by name,
the park owner shall make the names and addresses available upon
request. However, this requirement does not authorize the
release of the names, addresses, or other private information
about the homeowners to the association or any other person for any other purpose. The home owner's right to the 90-day notice may not be waived or precluded by a home owner, or the homeowners' committee, in an agreement with the park owner. Rules adopted as a result of restrictions imposed by governmental entities and required to protect the public health, safety, and welfare may be enforced prior to the expiration of the 90-day period but are not otherwise exempt from the requirements of this chapter. Pass-through charges must be separately listed as to the amount of the charge, the name of the governmental entity mandating the capital improvement, and the nature or type of the pass-through charge being levied. Notices of increase in the lot rental amount due to a pass-through charge must state the additional payment and starting and ending dates of each pass-through charge. The homeowners' association shall have no standing to challenge the increase in lot rental amount, reduction in services or utilities, or change of rules and regulations unless a majority of the affected homeowners agree, in writing, to such representation.

(4)(a) A committee, not to exceed five in number, designated by a majority of the affected mobile home owners or by the board of directors of the homeowners' association, if applicable, and the park owner shall meet, at a mutually convenient time and place no later than 60 days before the
effective date of the change to discuss the reasons for the increase in lot rental amount, reduction in services or utilities, or change in rules and regulations. The negotiating committee shall make a written request for a meeting with the park owner or subdivision developer to discuss those matters addressed in the 90-day notice, and may include in the request a listing of any other issue, with supporting documentation, that the committee intends to raise and discuss at the meeting. The committee shall address all lot rental amount increases that are specified in the notice of lot rental amount increase, regardless of the effective date of the increase.

This subsection is not intended to be enforced by civil or administrative action. Rather, the meetings and discussions are intended to be in the nature of settlement discussions prior to the parties proceeding to mediation of any dispute.

Section 22. Subsections (5) and (6) are added to section 723.041, Florida Statutes, to read:

723.041 Entrance fees; refunds; exit fees prohibited; replacement homes.—

(5) A mobile home park that is damaged or destroyed due to wind, water, or other natural force may be rebuilt on the same site with the same density as was approved, permitted, and built before the park was damaged or destroyed.

(6) This section does not limit the regulation of the
uniform firesafety standards established under s. 633.206, but supersedes any other density, separation, setback, or lot size regulation adopted after initial permitting and construction of the mobile home park.

Section 23. Section 723.042, Florida Statutes, is amended to read:

723.042 Provision of improvements.—A no person may not be required by a mobile home park owner or developer, as a condition of residence in the mobile home park, to provide any improvement unless the requirement is disclosed pursuant to s. 723.012(7) s. 723.011 prior to occupancy in the mobile home park.

Section 24. Subsections (3) and (4) of section 723.059, Florida Statutes, are amended to read:

723.059 Rights of Purchaser of a mobile home within a mobile home park.—

(3) The purchaser of a mobile home who intends to become a resident of the mobile home park in accordance with this section has the right to assume the remainder of the term of any rental agreement then in effect between the mobile home park owner and the seller and may assume the seller's prospectus. However, nothing herein shall prohibit a mobile home park owner from offering the purchaser of a mobile home any approved prospectus shall be entitled to rely on the terms and conditions of the prospectus or offering circular as delivered.
to the initial recipient.

(4) However, nothing herein shall be construed to prohibit a mobile home park owner from increasing the rental amount to be paid by the purchaser upon the expiration of the assumed rental agreement in an amount deemed appropriate by the mobile home park owner, so long as such increase is disclosed to the purchaser prior to his or her occupancy and is imposed in a manner consistent with the purchaser's initial offering circular or prospectus and this act.

Section 25. Paragraph (d) of subsection (1) of section 723.061, Florida Statutes, is amended, and subsection (5) is added to that section, to read:

723.061 Eviction; grounds, proceedings.—

(1) A mobile home park owner may evict a mobile home owner, a mobile home tenant, a mobile home occupant, or a mobile home only on one or more of the following grounds:

(d) Change in use of the land comprising the mobile home park, or the portion thereof from which mobile homes are to be evicted, from mobile home lot rentals to some other use, if:

1. The park owner gives written notice to the homeowners' association formed and operating under ss. 723.075-723.079 of its right to purchase the mobile home park, if the land comprising the mobile home park is changing use from mobile home lot rentals to a different use, at the price and under the terms and conditions set forth in the written notice.
a. The notice shall be delivered to the officers of the homeowners' association by United States mail. Within 45 days after the date of mailing of the notice, the homeowners' association may execute and deliver a contract to the park owner to purchase the mobile home park at the price and under the terms and conditions set forth in the notice. If the contract between the park owner and the homeowners' association is not executed and delivered to the park owner within the 45-day period, the park owner is under no further obligation to the homeowners' association except as provided in sub-subparagraph b.

b. If the park owner elects to offer or sell the mobile home park at a price lower than the price specified in her or his initial notice to the officers of the homeowners' association, the homeowners' association has an additional 10 days to meet the revised price, terms, and conditions of the park owner by executing and delivering a revised contract to the park owner.

c. The park owner is not obligated under this subparagraph or s. 723.071 to give any other notice to, or to further negotiate with, the homeowners' association for the sale of the mobile home park to the homeowners' association after 6 months after the date of the mailing of the initial notice under sub-subparagraph a.

2. The park owner gives the affected mobile home owners
and tenants at least 6 months' notice of the eviction due to the
projected change in use and of their need to secure other
accommodations. Within 20 days after giving an eviction notice
to a mobile home owner, the park owner must provide the division
with a copy of the notice. The division must provide the
executive director of the Florida Mobile Home Relocation
Corporation with a copy of the notice.
   a. The notice of eviction due to a change in use of the
land must include in a font no smaller than the body of the
notice the following statement:

YOU MAY BE ENTITLED TO COMPENSATION FROM THE FLORIDA MOBILE HOME
RELOCATION TRUST FUND, ADMINISTERED BY THE FLORIDA MOBILE HOME
RELOCATION CORPORATION (FMHRC). FMHRC CONTACT INFORMATION IS
AVAILABLE FROM THE FLORIDA DEPARTMENT OF BUSINESS AND
PROFESSIONAL REGULATION.

   b. The park owner may not give a notice of increase in lot
rental amount within 90 days before giving notice of a change in
use.

(5) A park owner who accepts payment of any portion of the
lot rental amount with actual knowledge of noncompliance after
notice and termination of the rental agreement due to a
violation under paragraph (1)(b), paragraph (1)(c), or paragraph
(1)(e) does not waive the right to terminate the rental
agreement or the right to bring a civil action for the
noncompliance, but not for any subsequent or continuing
noncompliance. Any rent so received must be accounted for at the
final hearing.

Section 26. Subsection (1) of section 723.076, Florida
Statutes, is amended to read:

723.076 Incorporation; notification of park owner.—
(1) Upon receipt of its certificate of incorporation, the
homeowners' association shall notify the park owner in writing
of such incorporation and shall advise the park owner of the
names and addresses of the officers of the homeowners'
association by personal delivery upon the park owner's
representative as designated in the prospectus or by certified
mail, return receipt requested. Thereafter, the homeowners'
association shall notify the park owner in writing by certified
mail, return receipt requested, of any change of names and
addresses of its president or registered agent. Upon election or
appointment of new officers or members, the homeowners'
association shall notify the park owner in writing by certified
mail, return receipt requested, of the names and addresses of
the new officers or members.

Section 27. Paragraphs (b) through (e) of subsection (2)
of section 723.078, Florida Statutes, are amended, and paragraph
(i) of that subsection is reenacted, to read:

723.078 Bylaws of homeowners' associations.—
(2) The bylaws shall provide and, if they do not, shall be deemed to include, the following provisions:

(b) Quorum; voting requirements; proxies.—

1. Unless otherwise provided in the bylaws, 30 percent of the total membership is required to constitute a quorum. Decisions shall be made by a majority of members represented at a meeting at which a quorum is present.

2.a. A member may not vote by general proxy but may vote by limited proxies substantially conforming to a limited proxy form adopted by the division. Limited proxies and general proxies may be used to establish a quorum. Limited proxies may be used for votes taken to amend the articles of incorporation or bylaws pursuant to this section, and any other matters for which this chapter requires or permits a vote of members. A proxy, limited or general, may not be used in the election of board members in general elections or elections to fill vacancies caused by recall, resignation, or otherwise. Board members must be elected by written ballot or by voting in person. If a mobile home or subdivision lot is owned jointly, the owners of the mobile home or subdivision lot must be counted as one for the purpose of determining the number of votes required for a majority. Only one vote per mobile home or subdivision lot shall be counted. Any number greater than 50 percent of the total number of votes constitutes a majority. Notwithstanding this section, members may vote in person at
member meetings or by secret ballot, including absentee ballots, as defined by the division.

b. Elections shall be decided by a plurality of the ballots cast. There is no quorum requirement; however, at least 20 percent of the eligible voters must cast a ballot in order to have a valid election. A member may not allow any other person to cast his or her ballot, and any ballots improperly cast are invalid. An election is not required unless there are more candidates nominated than vacancies that exist on the board.

c. Each member or other eligible person who desires to be a candidate for the board of directors shall appear on the ballot in alphabetical order by surname. A ballot may not indicate if any of the candidates are incumbent on the board.

All ballots must be uniform in appearance. Write-in candidates and more than one vote per candidate per ballot are not allowed. A ballot may not provide a space for the signature of, or any other means of identifying, a voter. If a ballot contains more votes than vacancies or fewer votes than vacancies, the ballot is invalid unless otherwise stated in the bylaws.

d. An impartial committee shall be responsible for overseeing the election process and complying with all ballot requirements. For purposes of this section, the term "impartial committee" means a committee whose members do not include any of the following people or their spouses:

(I) Current board members.
(II) Current association officers.

(III) Candidates for the association or board.

e. The association bylaws shall provide a method for
determining the winner of an election in which two or more
candidates for the same position receive the same number of
votes.

f. A person who has been convicted of a felony in this
state or in a United States District Court or Territorial Court,
or who has been convicted of any offense in another jurisdiction
which would be considered a felony if committed in this state,
may not seek election to the board and is not eligible for board
membership unless the person's civil rights have been restored
for at least 5 years before the date on which the person seeks
election to the board. The validity of an action taken by the
board is not affected if it is later determined that a member of
the board is ineligible for board membership.

g. The division shall adopt procedural rules to govern
elections, including, but not limited to, rules for providing
notice by electronic transmission and rules for maintaining the
secrecy of ballots.

3. A proxy is effective only for the specific meeting for
which originally given and any lawfully adjourned meetings
thereof. In no event shall any proxy be valid for a period
longer than 90 days after the date of the first meeting for
which it was given. Every proxy shall be revocable at any time
4. A member of the board of directors or a committee may submit in writing his or her agreement or disagreement with any action taken at a meeting that the member did not attend. This agreement or disagreement may not be used as a vote for or against the action taken and may not be used for the purposes of creating a quorum.

(c) Board of directors' and committee meetings.—

1. Meetings of the board of directors and meetings of its committees at which a quorum is present shall be open to all members. Notwithstanding any other provision of law, the requirement that board meetings and committee meetings be open to the members does not apply to meetings between the park owner and the board of directors or any of the board's committees, board or committee meetings held for the purpose of discussing personnel matters, or meetings between the board or a committee and the association's attorney, with respect to potential or pending litigation, when the meeting is held for the purpose of seeking or rendering legal advice, and when the contents of the discussion would otherwise be governed by the attorney-client privilege. Notice of all meetings open to members shall be posted in a conspicuous place upon the park property at least 48 hours in advance, except in an emergency. Notice of any meeting in which dues assessments against members are to be considered for any reason shall specifically contain a
statement that dues assessments will be considered and the nature of such dues assessments.

2. A board or committee member's participation in a meeting via telephone, real-time videoconferencing, or similar real-time telephonic, electronic, or video communication counts toward a quorum, and such member may vote as if physically present. A speaker shall be used so that the conversation of those board or committee members attending by telephone may be heard by the board or committee members attending in person, as well as by members present at a meeting.

3. Members of the board of directors may use e-mail as a means of communication but may not cast a vote on an association matter via e-mail.

4. The right to attend meetings of the board of directors and its committees includes the right to speak at such meetings with reference to all designated agenda items. The association may adopt reasonable written rules governing the frequency, duration, and manner of members' statements. Any item not included on the notice may be taken up on an emergency basis by at least a majority plus one of the members of the board. Such emergency action shall be noticed and ratified at the next regular meeting of the board. Any member may tape record or videotape meetings of the board of directors and its committees, except meetings between the board of directors or its appointed homeowners' committee and the park owner. The division shall
adopt reasonable rules governing the tape recording and
videotaping of the meeting.

5. Except as provided in paragraph (i), a vacancy
occurring on the board of directors may be filled by the
affirmative vote of the majority of the remaining directors,
even though the remaining directors constitute less than a
quorum; by the sole remaining director; if the vacancy is not so
filled or if no director remains, by the members; or, on the
application of any person, by the circuit court of the county in
which the registered office of the corporation is located.

6. The term of a director elected or appointed to fill a
vacancy expires at the next annual meeting at which directors
are elected. A directorship to be filled by reason of an
increase in the number of directors may be filled by the board
of directors, but only for the term of office continuing until
the next election of directors by the members.

7. A vacancy that will occur at a specific later date, by
reason of a resignation effective at a later date, may be filled
before the vacancy occurs. However, the new director may not
take office until the vacancy occurs.

8.a. The officers and directors of the association have a
fiduciary relationship to the members.

b. A director and committee member shall discharge his or
her duties in good faith, with the care an ordinarily prudent
person in a like position would exercise under similar
circumstances, and in a manner he or she reasonably believes to be in the best interests of the corporation.

9. In discharging his or her duties, a director may rely on information, opinions, reports, or statements, including financial statements and other financial data, if prepared or presented by:
   a. One or more officers or employees of the corporation who the director reasonably believes to be reliable and competent in the matters presented;
   b. Legal counsel, public accountants, or other persons as to matters the director reasonably believes are within the persons' professional or expert competence; or
   c. A committee of the board of directors of which he or she is not a member if the director reasonably believes the committee merits confidence.

10. A director is not acting in good faith if he or she has knowledge concerning the matter in question that makes reliance otherwise permitted by subparagraph 9. unwarranted.

11. A director is not liable for any action taken as a director, or any failure to take any action, if he or she performed the duties of his or her office in compliance with this section.

(d) Member meetings.—Members shall meet at least once each calendar year, and the meeting shall be the annual meeting. All members of the board of directors shall be elected at the annual
meeting unless the bylaws provide for staggered election terms
or for their election at another meeting. The bylaws shall not
restrict any member desiring to be a candidate for board
membership from being nominated from the floor. All nominations
from the floor must be made at a duly noticed meeting of the
members held at least 27 days before the annual meeting. The
bylaws shall provide the method for calling the meetings of the
members, including annual meetings. The method shall provide at
least 14 days' written notice to each member in advance of the
meeting and require the posting in a conspicuous place on the
park property of a notice of the meeting at least 14 days prior
to the meeting. The right to receive written notice of
membership meetings may be waived in writing by a member. Unless
waived, the notice of the annual meeting shall be mailed, hand
delivered, or electronically transmitted to each member, and
shall constitute notice. Unless otherwise stated in the bylaws,
an officer of the association shall provide an affidavit
affirming that the notices were mailed, or hand delivered, or
provided by electronic transmission in accordance with the
provisions of this section to each member at the address last
furnished to the corporation. These meeting requirements do not
prevent members from waiving notice of meetings or from acting
by written agreement without meetings, if allowed by the bylaws.

(e) Minutes of meetings.—

1. Notwithstanding any other provision of law, the minutes
of board or committee meetings that are closed to members are
privileged and confidential and are not available for inspection
or photocopying.

2. Minutes of all meetings of members of an association
and meetings open to members of the board of directors and a
committee of the board must be maintained in written form and
approved by the members, board, or committee, as applicable. A
vote or abstention from voting on each matter voted upon for
each director present at a board meeting must be recorded in the
minutes.

3. All approved minutes of open meetings of members,
committees, and the board of directors shall be kept in a
businesslike manner and shall be available for inspection by
members, or their authorized representatives, and board members
at reasonable times. The association shall retain these minutes
within this state for a period of at least 7 years.

(i) Recall of board members.—Any member of the board of
directors may be recalled and removed from office with or
without cause by the vote of or agreement in writing by a
majority of all members. A special meeting of the members to
recall a member or members of the board of directors may be
called by 10 percent of the members giving notice of the meeting
as required for a meeting of members, and the notice shall state
the purpose of the meeting. Electronic transmission may not be
used as a method of giving notice of a meeting called in whole
or in part for this purpose.

1. If the recall is approved by a majority of all members by a vote at a meeting, the recall is effective as provided in this paragraph. The board shall duly notice and hold a board meeting within 5 full business days after the adjournment of the member meeting to recall one or more board members. At the meeting, the board shall either certify the recall, in which case such member or members shall be recalled effective immediately and shall turn over to the board within 5 full business days any and all records and property of the association in their possession, or shall proceed under subparagraph 3.

2. If the proposed recall is by an agreement in writing by a majority of all members, the agreement in writing or a copy thereof shall be served on the association by certified mail or by personal service in the manner authorized by chapter 48 and the Florida Rules of Civil Procedure. The board of directors shall duly notice and hold a meeting of the board within 5 full business days after receipt of the agreement in writing. At the meeting, the board shall either certify the written agreement to recall members of the board, in which case such members shall be recalled effective immediately and shall turn over to the board, within 5 full business days, any and all records and property of the association in their possession, or shall proceed as described in subparagraph 3.
3. If the board determines not to certify the written agreement to recall members of the board, or does not certify the recall by a vote at a meeting, the board shall, within 5 full business days after the board meeting, file with the division a petition for binding arbitration pursuant to the procedures of s. 723.1255. For purposes of this paragraph, the members who voted at the meeting or who executed the agreement in writing shall constitute one party under the petition for arbitration. If the arbitrator certifies the recall of a member of the board, the recall shall be effective upon mailing of the final order of arbitration to the association. If the association fails to comply with the order of the arbitrator, the division may take action under s. 723.006. A member so recalled shall deliver to the board any and all records and property of the association in the member's possession within 5 full business days after the effective date of the recall.

4. If the board fails to duly notice and hold a board meeting within 5 full business days after service of an agreement in writing or within 5 full business days after the adjournment of the members' recall meeting, the recall shall be deemed effective and the board members so recalled shall immediately turn over to the board all records and property of the association.

5. If the board fails to duly notice and hold the required meeting or fails to file the required petition, the member's
representative may file a petition pursuant to s. 723.1255 challenging the board's failure to act. The petition must be filed within 60 days after expiration of the applicable 5-full-business-day period. The review of a petition under this subparagraph is limited to the sufficiency of service on the board and the facial validity of the written agreement or ballots filed.

6. If a vacancy occurs on the board as a result of a recall and less than a majority of the board members are removed, the vacancy may be filled by the affirmative vote of a majority of the remaining directors, notwithstanding any other provision of this chapter. If vacancies occur on the board as a result of a recall and a majority or more of the board members are removed, the vacancies shall be filled in accordance with procedural rules to be adopted by the division, which rules need not be consistent with this chapter. The rules must provide procedures governing the conduct of the recall election as well as the operation of the association during the period after a recall but before the recall election.

7. A board member who has been recalled may file a petition pursuant to s. 723.1255 challenging the validity of the recall. The petition must be filed within 60 days after the recall is deemed certified. The association and the member's representative shall be named as the respondents.

8. The division may not accept for filing a recall
petition, whether or not filed pursuant to this subsection, and regardless of whether the recall was certified, when there are 60 or fewer days until the scheduled reelection of the board member sought to be recalled or when 60 or fewer days have not elapsed since the election of the board member sought to be recalled.

Section 28. Paragraphs (d) and (f) through (i) of subsection (4) and subsection (5) of section 723.079, Florida Statutes, are amended to read:

If the association has a photocopy machine available where the records are maintained, it must provide a member with copies on request during the inspection if the entire request is no more than 25 pages. An association shall allow a member or his or her authorized representative to use a portable device, including a smartphone, tablet, portable scanner, or any other technology capable of scanning or taking photographs, to make an electronic copy of the official records in lieu of the association's providing the member or his or her authorized representative with a copy of such records. failed to comply with this subsection.

entitled to the actual damages or minimum damages for the
association's willful failure to comply with this subsection in
the amount of. The minimum damages are to be $10 per calendar

(d) The association may adopt reasonable written rules
governing the frequency, time, location, notice, records to be
inspected, and manner of inspections, but may not require a
member to demonstrate a proper purpose for the inspection, state
a reason for the inspection, or limit a member's right to
inspect records to less than 1 business day per month. The
association may impose fees to cover the costs of providing
copies of the official records, including the costs of copying
and for personnel to retrieve and copy the records if the time
spent retrieving and copying the records exceeds 30 minutes and
if the personnel costs do not exceed $20 per hour. Personnel
costs may not be charged for records requests that result in the
copying of 25 or fewer pages. The association may charge up to
25 cents per page for copies made on the association's
photocopier. If the association does not have a photocopy
machine available where the records are kept, or if the records
requested to be copied exceed 25 pages in length, the
association may have copies made by an outside duplicating
service and may charge the actual cost of copying, as supported
by the vendor invoice. The association shall maintain an
adequate number of copies of the recorded governing documents,
to ensure their availability to members and prospective members.

accessible to members or home owners:

However, a home owner may exclude his or her telephone number from the directory by so requesting in writing to the association. The association is not liable for the disclosure of information that is protected under this subparagraph if the information is included in an official record of the association and is voluntarily provided by a home owner and not requested by the association.
