material" that is appropriate for the local community.

(b) Each contract between a recovered materials processing
facility and a county or municipality for processing residential
recyclable material, and each request for proposal or other
solicitation for processing residential recyclable material,
must include all of the following:

11 1. The respective strategies and obligations of the county
12 or municipality and the facility to reduce the amount of
13 contaminated recyclable material being collected and processed.

14 2. The procedures for identifying, documenting, managing,
15 and rejecting residential recycling containers, truck loads,
16 carts, or bins that contain contaminated recyclable material.

17 3. The remedies authorized to be used if a container or
18 truck load contains contaminated recyclable material.

19 4. A definition of the term "contaminated recyclable
20 material" that is appropriate for the local community.

21 (c) After a contract is executed, a residential recycling
22 collector is not required to collect or transport contaminated
23 recyclable material, except pursuant to a contract consistent
24 with paragraph (a). As used in this subsection, the term
25 "residential recycling collector" means a for-profit business
26 entity that collects and transports residential recyclable
27 material on behalf of a county or municipality.

28 (d) After a contract is executed, a recovered materials
29 processing facility is not
