68 follows:

69 (1) COMPUTATION OF THE BASIC AMOUNT TO BE INCLUDED FOR

183008

72 operation:

73 (n) *Calculation of additional full-time equivalent*
74 *membership based on college board advanced placement scores of*

76 *diplomas.*—A value of 0.16 full-time equivalent student
77 membership shall be calculated for each student in each advanced
78 placement course who receives a score of 3 or higher on the
79 College Board Advanced Placement Examination for the prior year
80 and added to the total full-time equivalent student membership
81 in basic programs for grades 9 through 12 in the subsequent
82 fiscal year. A value of 0.3 full-time equivalent student
83 membership shall be calculated for each student who receives a
84 College Board Advanced Placement Capstone Diploma and meets the
85 requirements for a standard high school diploma under s.
86 1003.4282. Such value shall be added to the total full-time
87 equivalent student membership in basic programs for grades 9
88 through 12 in the subsequent fiscal year. Each district must
89 allocate at least 80 percent of the funds provided to the
90 district for advanced placement instruction, in accordance with
91 this paragraph, to the high school that generates the funds. The
92 school district shall distribute to each classroom teacher who
93 provided advanced placement instruction:

94 1. A bonus in the amount of \$50 for each student taught by
95 the Advanced Placement teacher in each advanced placement course
96 who receives a score of 3 or higher on the College Board

98 2. An additional bonus of \$500 to each Advanced Placement

183008

99 teacher in a school designated with a grade of "D" or "F" who

108 additional bonus of \$50 for each student who has a qualifying
109 score.

110 (11) VIRTUAL EDUCATION CONTRIBUTION.—The Legislature may
111 annually provide in the Florida Education Finance Program a
112 virtual education contribution. The amount of the virtual
113 education contribution shall be the difference between the
114 amount per FTE established in the General Appropriations Act for
115 virtual education and the amount per FTE for each district and
116 the Florida Virtual School, which may be calculated by taking
117 the sum of the base FEFP allocation, the discretionary local
118 effort, the state-funded discretionary contribution, the
119 discretionary millage compression supplement, the research-based
120 reading instruction allocation, the teacher salary increase
121 allocation ~~best and brightest teacher and principal allocation,~~
122 and the instructional materials allocation, and then dividing by
123 the total unweighted FTE. This difference shall be multiplied by
124 the virtual education unweighted FTE for programs and options
125 identified in s. 1002.455 and the Florida Virtual School and its
126 franchises to equal the virtual education contribution and shall
127 be included as a separate allocation in the funding formula.

183008

128 (18) TEACHER SALARY INCREASE ALLOCATION.—The Legislature
129 may annually provide in the Florida Education Finance Program a
130 teacher salary increase allocation to assist school districts in
131 their recruitment and retention of classroom teachers and other
132 instructional personnel. The amount of the allocation shall be
133 specified in the General Appropriations Act.

134 (a) Each school district shall receive an allocation based
135 on the school district's proportionate share of the base FEFP
136 allocation. Each school district shall provide each charter
137 school within its district its proportionate share calculated
138 pursuant to s. 1002.33(17)(b).

139 (b) Allocation funds are restricted in use as follows:

140 1. Each school district and charter school shall use its
141 share of the allocation to increase the minimum base salary for
142 full-time classroom teachers, as defined in s. 1012.01(2)(a),
143 plus certified prekindergarten teachers funded in the Florida
144 Education Finance Program, to at least \$47,500, or to the
145 maximum amount achievable based on the allocation and as
146 specified in the General Appropriations Act. The term "minimum
147 base salary" means the lowest annual base salary reported on the
148 salary schedule for a full-time classroom teacher. No full-time
149 classroom teacher shall receive a salary less than the minimum
150 base salary as adjusted by this subparagraph. This subparagraph
151 does not apply to substitute teachers.

152 2. In addition, each school district shall use its share of
153 the allocation to provide salary increases, as funding permits,
154 for the following personnel:

155 a. Full-time classroom teachers, as defined in s.
156 1012.01(2)(a), plus certified prekindergarten teachers funded in

183008

157 the Florida Education Finance Program, who did not receive an
158 increase or who received an increase of less than two percent
159 under subparagraph 1. or as specified in the General
160 Appropriations Act. This subparagraph does not apply to
161 substitute teachers.

162 b. Other full-time instructional personnel as defined in s.
163 1012.01(2)(b)-(d).

164 3. A school district or charter school may use funds
165 available after the requirements of subparagraph 1. are met to
166 provide salary increases pursuant to subparagraph 2.

167 4. A school district or charter school shall maintain the
168 minimum base salary achieved for classroom teachers provided
169 under subparagraph 1. and may not reduce the salary increases
170 provided under subparagraph 2. in any subsequent fiscal year,
171 unless specifically authorized in the General Appropriations
172 Act.

173 (c) Before distributing allocation funds received pursuant
174 to paragraph (a), each school district and each charter school
175 shall develop a salary distribution plan that clearly delineates
176 the planned distribution of funds pursuant to paragraph (b) in
177 accordance with modified salary schedules, as necessary, for the
178 implementation of this subsection.

179 1. Each school district superintendent and each charter
180 school administrator must submit its proposed salary
181 distribution plan to the district school board or the charter

185 distribution plan for each charter school in the district, to

188 follows:

189 1. By December 1, each school district shall provide a
190 preliminary report to the department that includes a detailed
191 summary explaining the school district's planned expenditure of
192 the entire allocation for the district received pursuant to
193 paragraph (a), the amount of the increase to the minimum base
194 salary for classroom teachers pursuant to paragraph (b), and the
195 school district's salary schedule for the prior fiscal year and
196 the fiscal year in which the base salary is increased. Each
197 charter school governing board shall submit the information
198 required under this subparagraph to the district school board
199 for inclusion in the school district's preliminary report to the
200 department.

201 2. By February 1, the department shall submit to the
202 Governor, President of the Senate, and the Speaker of the House,
203 a statewide report on the planned expenditure of the teacher
204 salary increase allocation, which includes the detailed summary
205 provided by each school district and charter school.

206 3. By August 1, each school district shall provide a final
207 report to the department with the information required in
208 subparagraph 1. for the prior fiscal year. Each charter school
209 governing board shall submit the information required under this
210 subparagraph to the district school board for inclusion in the
211 school district's final report to the department.

212 (e) Although district school boards and charter school
213 governing boards are not precluded from bargaining over wages,
214 the teacher salary increase allocation must be used solely to

183008

215 comply with the requirements of this section. A district school
216 board or charter school governing board that is unable to meet
217 the reporting requirements specified in paragraphs (c) or (d)
218 due to a collective bargaining impasse must provide written
219 notification to department or district school board, as
220 applicable, detailing the reasons for the impasse with a
221 proposed timeline and details for a resolution.

222 (f) Notwithstanding any other provision of law, funds
223 allocated under this subsection shall not be included in the
224 calculated amount for any scholarship awarded under chapter
