119.071 General exemptions from inspection or copying of public records.—

(5) OTHER PERSONAL INFORMATION.—

(f)1. The following information held by the Department of Economic Opportunity, the Florida Housing Finance Corporation, a
a. Medical history records and information related to health or property insurance provided to the Department of Economic Opportunity, the Florida Housing Finance Corporation, a county, a municipality, or a local housing finance agency by an applicant for or a participant in a federal, state, or local housing assistance program are confidential and exempt from s. 119.07(1) and s. 24(a), Art. I of the State Constitution.

b. Property photographs and personal identifying information of an applicant for or a participant in a federal, state, or local housing assistance program for the purpose of disaster recovery assistance for a presidentially declared disaster.

2. Governmental entities or their agents shall have access to such confidential and exempt records and information for the purpose of auditing federal, state, or local housing programs or housing assistance programs.

3. Such confidential and exempt records and information may be used in any administrative or judicial proceeding, provided such records are kept confidential and exempt unless otherwise ordered by a court.

4. Sub-subparagraph 1.b. is subject to the Open Government Sunset Review Act in accordance with s. 119.15 and shall stand repealed on October 2, 2025, unless reviewed and saved from repeal through reenactment by the Legislature.

Section 2. The Legislature finds that it is a public necessity that property photographs and personal identifying
information of an applicant for or participant in a federal, state, or local housing assistance program for the purpose of disaster recovery assistance for a presidentially declared disaster be made confidential and exempt from s. 119.07(1), Florida Statutes, and s. 24(a), Article I of the State Constitution. In response to a disaster, an agency, in an effort to determine damage and ascertain the estimated cost of rehabilitation, may conduct a property inspection to observe and record damage to the property. This information may be used to locate the damaged property and to identify and contact the property owner or tenant. Following a disaster, the people affected are vulnerable and frequently displaced due to the severely damaged and often uninhabitable condition of their residences. If released, property photographs and personal identifying information could be used by fraudulent contractors, predatory lenders, thieves, or individuals seeking to impose on the vulnerability of the distressed property owner or tenant following a disaster. Therefore, it is necessary that property photographs and personal identifying information be protected to ensure that those affected by a disaster are not harassed, intimidated, or potentially defrauded.

Section 3. This act shall take effect July 1, 2020.
