5 **Amendment (with title amendment)**

6 Between lines 87 and 88, insert:

7 (q)1. Establish an information technology policy for all
8 information technology-related state contracts, including state
9 term contracts for information technology commodities,
10 consultant services, and staff augmentation services. The
11 information technology policy must include:

12 a. Identification of the information technology product
13 and service categories to be included in state term contracts.

14 b. Requirements to be included in solicitations for state
15 term contracts.

Amendment No.

16 c. Evaluation criteria for the award of information
17 technology-related state term contracts.

18 d. The term of each information technology-related state
19 term contract.

20 e. The maximum number of vendors authorized on each state
21 term contract.

22 f. At a minimum, a requirement that any contract for
23 information technology commodities or services meet the National
24 Institute of Standards and Technology Cybersecurity Framework.

25 g. For an information technology project wherein project
26 oversight is required pursuant to paragraph (d) or paragraph
27 (n), a requirement that independent verification and validation
28 be employed throughout the project lifecycle with the primary
29 objective of independent verification and validation being to
30 provide an objective assessment of products and processes
31 throughout the project lifecycle. An entity providing
32 independent verification and validation may not have technical,
33 managerial, or financial interest in the project and may not
34 have responsibility for, or participation in, any other aspect
35 of the project.

36 2. Evaluate vendor responses for information technology-
37 related state term contract solicitations and invitations to
38 negotiate.

39 3. Answer vendor questions on information technology-
40 related state term contract solicitations.

Amendment No.

41 4. Ensure that the information technology policy
42 established pursuant to subparagraph 1. is included in all
43 solicitations and contracts that are administratively executed
44 by the department.
