subparagraph may sell or deliver alcoholic beverages for off-premises consumption pursuant to s. 561.575. A food service establishment granted a special license on or after January 1, 1958, pursuant to general or special law may not operate as a package store except as provided in s. 561.575 and may not sell intoxicating beverages under such license after the hours of
serving or consumption of food have elapsed. Failure by a 
licensee to meet the required percentage of food and 
nonalcoholic beverage gross revenues during the covered 
operating period shall result in revocation of the license or 
denial of the pending license application. A licensee whose 
license is revoked or an applicant whose pending application is 
denied, or any person required to qualify on the special license 
application, is ineligible to have any interest in a subsequent 
application for such a license for a period of 120 days after 
the date of the final denial or revocation;

5. Any caterer, deriving at least 51 percent of its gross 
food and beverage revenue from the sale of food and nonalcoholic 
beverages at each catered event, licensed by the Division of 
Hotels and Restaurants under chapter 509. This subparagraph does 
not apply to a culinary education program, as defined in s. 
381.0072(2), which is licensed as a public food service 
establishment by the Division of Hotels and Restaurants and 
provides catering services. Notwithstanding any law to the 
contrary, a licensee under this subparagraph shall sell or serve 
alcoholic beverages only for consumption on the premises of a 
catered event at which the licensee is also providing prepared 
food, and shall prominently display its license at any catered 
event at which the caterer is selling or serving alcoholic 
beverages. A licensee under this subparagraph shall purchase all 
alcoholic beverages it sells or serves at a catered event from a 
vendor licensed under s. 563.02(1), s. 564.02(1), or licensed 
under s. 565.02(1) subject to the limitation imposed in 
subsection (1), as appropriate. A licensee under this 
subparagraph may not store any alcoholic beverages to be sold or
served at a catered event. Any alcoholic beverages purchased by a licensee under this subparagraph for a catered event that are not used at that event must remain with the customer; provided that if the vendor accepts unopened alcoholic beverages, the licensee may return such alcoholic beverages to the vendor for a credit or reimbursement. Regardless of the county or counties in which the licensee operates, a licensee under this subparagraph shall pay the annual state license tax set forth in s. 565.02(1)(b). A licensee under this subparagraph must maintain for a period of 3 years all records and receipts for each catered event, including all contracts, customers’ names, event locations, event dates, food purchases and sales, alcoholic beverage purchases and sales, nonalcoholic beverage purchases and sales, and any other records required by the department by rule to demonstrate compliance with the requirements of this subparagraph. Notwithstanding any law to the contrary, any vendor licensed under s. 565.02(1) subject to the limitation imposed in subsection (1), may, without any additional licensure under this subparagraph, serve or sell alcoholic beverages for consumption on the premises of a catered event at which prepared food is provided by a caterer licensed under chapter 509. If a licensee under this subparagraph also possesses any other license under the Beverage Law, the license issued under this subparagraph shall not authorize the holder to conduct activities on the premises to which the other license or licenses apply that would otherwise be prohibited by the terms of that license or the Beverage Law. Nothing in this section shall permit the licensee to conduct activities that are otherwise prohibited by the Beverage Law or local law. The
Division of Alcoholic Beverages and Tobacco is hereby authorized
to adopt rules to administer the license created in this
subparagraph, to include rules governing licensure,
recordkeeping, and enforcement. The first $300,000 in fees
collected by the division each fiscal year pursuant to this
subparagraph shall be deposited in the Department of Children
and Families’ Operations and Maintenance Trust Fund to be used
only for alcohol and drug abuse education, treatment, and
prevention programs. The remainder of the fees collected shall
be deposited into the Hotel and Restaurant Trust Fund created
pursuant to s. 509.072; or

6. A culinary education program as defined in s.
381.0072(2) which is licensed as a public food service
establishment by the Division of Hotels and Restaurants.
   a. This special license shall allow the sale and
consumption of alcoholic beverages on the licensed premises of
the culinary education program. The culinary education program
shall specify designated areas in the facility where the
alcoholic beverages may be consumed at the time of application.
Alcoholic beverages sold for consumption on the premises may be
consumed only in areas designated pursuant to s. 561.01(11) and
may not be removed from the designated area. Such license shall
be applicable only in and for designated areas used by the
culinary education program.
   b. If the culinary education program provides catering
services, this special license shall also allow the sale and
consumption of alcoholic beverages on the premises of a catered
event at which the licensee is also providing prepared food. A
culinary education program that provides catering services is
not required to derive at least 51 percent of its gross revenue from the sale of food and nonalcoholic beverages. Notwithstanding any law to the contrary, a licensee that provides catering services under this sub-subparagraph shall prominently display its beverage license at any catered event at which the caterer is selling or serving alcoholic beverages. Regardless of the county or counties in which the licensee operates, a licensee under this sub-subparagraph shall pay the annual state license tax set forth in s. 565.02(1)(b). A licensee under this sub-subparagraph must maintain for a period of 3 years all records required by the department by rule to demonstrate compliance with the requirements of this sub-subparagraph.

c. If a licensee under this subparagraph also possesses any other license under the Beverage Law, the license issued under this subparagraph does not authorize the holder to conduct activities on the premises to which the other license or licenses apply that would otherwise be prohibited by the terms of that license or the Beverage Law. Nothing in this subparagraph shall permit the licensee to conduct activities that are otherwise prohibited by the Beverage Law or local law. Any culinary education program that holds a license to sell alcoholic beverages shall comply with the age requirements set forth in ss. 562.11(4), 562.111(2), and 562.13.

d. The Division of Alcoholic Beverages and Tobacco may adopt rules to administer the license created in this subparagraph, to include rules governing licensure, recordkeeping, and enforcement.

e. A license issued pursuant to this subparagraph does not
permit the licensee to sell alcoholic beverages by the package for off-premises consumption.

However, any license heretofore issued to any such hotel, motel, motor court, or restaurant or hereafter issued to any such hotel, motel, or motor court, including a condominium accommodation, under the general law shall not be moved to a new location, such license being valid only on the premises of such hotel, motel, motor court, or restaurant. Licenses issued to hotels, motels, motor courts, or restaurants under the general law and held by such hotels, motels, motor courts, or restaurants on May 24, 1947, shall be counted in the quota limitation contained in subsection (1). Any license issued for any hotel, motel, or motor court under this law shall be issued only to the owner of the hotel, motel, or motor court or, in the event the hotel, motel, or motor court is leased, to the lessee of the hotel, motel, or motor court; and the license shall remain in the name of the owner or lessee so long as the license is in existence. Any special license now in existence heretofore issued under this law cannot be renewed except in the name of the owner of the hotel, motel, motor court, or restaurant or, in the event the hotel, motel, motor court, or restaurant is leased, in the name of the lessee of the hotel, motel, motor court, or restaurant in which the license is located and must remain in the name of the owner or lessee so long as the license is in existence. Any license issued under this section shall be marked “Special,” and nothing herein provided shall limit, restrict, or prevent the issuance of a special license for any restaurant or motel which shall hereafter meet the requirements
of the law existing immediately prior to the effective date of
this act, if construction of such restaurant has commenced prior
to the effective date of this act and is completed within 30
days thereafter, or if an application is on file for such
special license at the time this act takes effect; and any such
licenses issued under this proviso may be annually renewed as
now provided by law. Nothing herein prevents an application for
transfer of a license to a bona fide purchaser of any hotel, motel, motor court, or restaurant by the purchaser of such
facility or the transfer of such license pursuant to law.

Section 2. Section 561.575, Florida Statutes, is created to
read:

561.575 Food service establishments; off-premises
consumption of alcoholic beverages.—
(1) Notwithstanding any other law, a public food service
establishment licensed under s. 561.20(2)(a)4. may sell
manufacturer-sealed containers of wine, containers of malt
beverages, or any alcoholic beverage drink prepared by the
vendor, including any wine-based and liquor-based drinks, sold
in containers sealed by the licensee or its employees for
consumption off of the licensed premises if accompanied by the
sale of food within the same order. The container for any
alcoholic beverage sold or delivered for consumption off the
premises pursuant to this section may not exceed 32 ounces. An
alcoholic beverage drink prepared by the vendor and sold or
delivered for consumption off the premises must be securely
sealed by the licensee or its employees with an unbroken seal
that prevents the beverage from being immediately consumed
before removal from the premises. Such alcoholic beverage also
must be placed in a bag or other container that is secured in such a manner that it is visibly apparent if the container has been subsequently opened or tampered with, and a dated receipt for the alcoholic beverage and meal must be provided by the licensee and attached to the sealed container. If transported in a motor vehicle, an alcoholic beverage that is not in a container sealed by the manufacturer must be placed in a locked glove compartment, a locked trunk, or the area behind the last upright seat of a motor vehicle that is not equipped with a trunk.

(2) Any sale or delivery of a malt beverage under this section must comply with the container size, labeling, and filling requirements under s. 563.06, except that such container may not exceed 32 ounces.

(3) Any delivery of an alcoholic beverage under this section must comply with s. 561.57.

(4) This section may not be construed to authorize public food service establishments licensed under s. 561.20(2)(a)4. to sell as package manufacturer-sealed containers of distilled spirits.

Section 3. Subsection (9) of section 316.1936, Florida Statutes, is amended to read:

316.1936 Possession of open containers of alcoholic beverages in vehicles prohibited; penalties.—

(9) A bottle of wine that has been resealed and is transported pursuant to s. 564.09 or an alcoholic beverage that has been sealed by a licensee or the employee of a licensee and is transported pursuant to s. 561.575 is not an open container under the provisions of this section.
