561.20 Limitation upon number of licenses issued.—

(2)(a) The limitation of the number of licenses as provided in this section does not prohibit the issuance of a special license to:

1. Any bona fide hotel, motel, or motor court of not fewer than 80 guest rooms in any county having a population of less than 50,000 residents, and of not fewer than 100 guest rooms in any county having a population of 50,000 residents or greater; or any bona fide hotel or motel located in a historic structure, as defined in s. 561.01(21), with fewer than 100 guest rooms which derives at least 51 percent of its gross revenue from the rental of hotel or motel rooms, which is licensed as a public lodging establishment by the Division of Hotels and Restaurants; provided, however, that a bona fide hotel or motel with no fewer than 10 and no more than 25 guest rooms which is a historic structure, as defined in s. 561.01(21), in a municipality that on the effective date of this act has a population, according to the University of Florida’s Bureau of Economic and Business Research Estimates of Population for 1998, of no fewer than 25,000 and no more than 35,000 residents and that is within a constitutionally chartered county may be issued a special license. This special license shall allow the sale and consumption of alcoholic beverages only on the licensed premises of the hotel or motel. In addition, the hotel or motel must derive at least 60 percent of its gross revenue from the rental of hotel or motel rooms and the sale of food and nonalcoholic beverages; provided that this subparagraph shall supersede local
laws requiring a greater number of hotel rooms;

2. Any condominium accommodation of which no fewer than 100 condominium units are wholly rentable to transients and which is licensed under chapter 509, except that the license shall be issued only to the person or corporation that operates the hotel or motel operation and not to the association of condominium owners;

3. Any condominium accommodation of which no fewer than 50 condominium units are wholly rentable to transients, which is licensed under chapter 509, and which is located in any county having home rule under s. 10 or s. 11, Art. VIII of the State Constitution of 1885, as amended, and incorporated by reference in s. 6(e), Art. VIII of the State Constitution, except that the license shall be issued only to the person or corporation that operates the hotel or motel operation and not to the association of condominium owners;

4. A food service establishment that has 2,500 square feet of service area, is equipped to serve meals to 150 persons at one time, and derives at least 51 percent of its gross food and beverage revenue from the sale of food and nonalcoholic beverages during the first 60-day operating period and each 12-month operating period thereafter. A licensee under this subparagraph may sell or deliver alcoholic beverages in a sealed container for off-premises consumption if the sale or delivery is accompanied by the sale of food within the same order. Such authorized sale or delivery includes wine-based and liquor-based beverages prepared by the licensee or its employee and packaged in a container sealed by the licensee or its employee. This subparagraph may not be construed to authorize public food
service establishments licensed under this subparagraph to sell
a bottle of distilled spirits sealed by a manufacturer. Any sale
or delivery of malt beverages must comply with the container
size, labeling, and filling requirements imposed under s.
563.06. Any delivery of an alcoholic beverage under this
subparagraph must comply with s. 561.57. An alcoholic beverage
drink prepared by the vendor and sold or delivered for
consumption off the premises must be placed in a container
securely sealed by the licensee or its employees with an
unbroken seal that prevents the beverage from being immediately
consumed before removal from the premises. Such alcoholic
beverage also must be placed in a bag or other container that is
secured in such a manner that it is visibly apparent if the
container has been subsequently opened or tampered with, and a
dated receipt for the alcoholic beverage and food must be
provided by the licensee and attached to the bag or container.
If transported in a motor vehicle, an alcoholic beverage that is
not in a container sealed by the manufacturer must be placed in
a locked compartment, a locked trunk, or the area behind the
last upright seat of a motor vehicle. It is a violation of the
prohibition in s. 562.11 to allow any person under the age of 21
to deliver alcoholic beverages on behalf of a vendor. The vendor
or the agent or employee of the vendor must verify the age of
the person making the delivery of the alcoholic beverage before
allowing any person to take possession of an alcoholic beverage
for the purpose of making a delivery on behalf of a vendor under
this section. A food service establishment granted a special
license on or after January 1, 1958, pursuant to general or
special law may not operate as a package store and may not sell
intoxicating beverages under such license after the hours of
serving or consumption of food have elapsed. Failure by a
licensee to meet the required percentage of food and
nonalcoholic beverage gross revenues during the covered
operating period shall result in revocation of the license or
denial of the pending license application. A licensee whose
license is revoked or an applicant whose pending application is
denied, or any person required to qualify on the special license
application, is ineligible to have any interest in a subsequent
application for such a license for a period of 120 days after
the date of the final denial or revocation;

under s. 565.02(1) subject to the limitation imposed in
subsection (1), as appropriate. A licensee under this
subparagraph may not store any alcoholic beverages to be sold or
served at a catered event. Any alcoholic beverages purchased by
a licensee under this subparagraph for a catered event that are
not used at that event must remain with the customer; provided
that if the vendor accepts unopened alcoholic beverages, the
licensee may return such alcoholic beverages to the vendor for a
credit or reimbursement. Regardless of the county or counties in
which the licensee operates, a licensee under this subparagraph
shall pay the annual state license tax set forth in s. 565.02(1)(b). A licensee under this subparagraph must maintain
for a period of 3 years all records and receipts for each
catered event, including all contracts, customers’ names, event
locations, event dates, food purchases and sales, alcoholic
beverage purchases and sales, nonalcoholic beverage purchases
and sales, and any other records required by the department by
rule to demonstrate compliance with the requirements of this
subparagraph. Notwithstanding any law to the contrary, any
vendor licensed under s. 565.02(1) subject to the limitation
imposed in subsection (1), may, without any additional licensure
under this subparagraph, serve or sell alcoholic beverages for
consumption on the premises of a catered event at which prepared
food is provided by a caterer licensed under chapter 509. If a
licensee under this subparagraph also possesses any other
license under the Beverage Law, the license issued under this
subparagraph may shall not authorize the holder to conduct
activities on the premises to which the other license or
licenses apply that would otherwise be prohibited by the terms
of that license or the Beverage Law. Nothing in This section
does not shall permit the licensee to conduct activities that

The remainder of the fees collected shall be deposited into the Hotel and Restaurant Trust Fund created pursuant to s. 509.072; or

6. A culinary education program as defined in s. 381.0072(2) which is licensed as a public food service establishment by the Division of Hotels and Restaurants.

   a. This special license shall allow the sale and consumption of alcoholic beverages on the licensed premises of the culinary education program. The culinary education program shall specify designated areas in the facility where the alcoholic beverages may be consumed at the time of application. Alcoholic beverages sold for consumption on the premises may be consumed only in areas designated under pursuant to s. 561.01(11) and may not be removed from the designated area. Such license shall be applicable only in and for designated areas used by the culinary education program.

   b. If the culinary education program provides catering services, this special license shall also allow the sale and consumption of alcoholic beverages on the premises of a catered event at which the licensee is also providing prepared food. A
culinary education program that provides catering services is not required to derive at least 51 percent of its gross revenue from the sale of food and nonalcoholic beverages. Notwithstanding any law to the contrary, a licensee that provides catering services under this sub-subparagraph shall prominently display its beverage license at any catered event at which the caterer is selling or serving alcoholic beverages. Regardless of the county or counties in which the licensee operates, a licensee under this sub-subparagraph shall pay the annual state license tax set forth in s. 565.02(1)(b). A licensee under this sub-subparagraph must maintain for a period of 3 years all records required by the department by rule to demonstrate compliance with the requirements of this sub-subparagraph.

c. If a licensee under this subparagraph also possesses any other license under the Beverage Law, the license issued under this subparagraph does not authorize the holder to conduct activities on the premises to which the other license or licenses apply that would otherwise be prohibited by the terms of that license or the Beverage Law. Nothing in This subparagraph does not shall permit the licensee to conduct activities that are otherwise prohibited by the Beverage Law or local law. Any culinary education program that holds a license to sell alcoholic beverages shall comply with the age requirements set forth in ss. 562.11(4), 562.111(2), and 562.13.

d. The Division of Alcoholic Beverages and Tobacco may adopt rules to administer the license created in this subparagraph, to include rules governing licensure, recordkeeping, and enforcement.
e. A license issued pursuant to this subparagraph does not permit the licensee to sell alcoholic beverages by the package for off-premises consumption.
