462 established a separate class of membership within the Florida
463 Retirement System to be known as the "Senior Management Service
464 Class," which shall become effective February 1, 1987.

465 (1)

466 (b)1. Except as provided in subparagraph 2., effective
467 January 1, 1990, participation in the Senior Management Service
468 Class is compulsory for the president of each community college,
469 the manager of each participating municipality or county, and
470 all appointed district school superintendents. Effective January
471 1, 1994, additional positions may be designated for inclusion in
472 the Senior Management Service Class if:

473 a. Positions to be included in the class are designated by
474 the local agency employer. Notice of intent to designate

608062

475 positions for inclusion in the class must be published for at
476 least 2 consecutive weeks if published on the legal notice
477 website established pursuant to s. 50.0311 or once a week for 2
478 consecutive weeks in a newspaper of general circulation
479 published in the county or counties affected, as provided in
480 chapter 50.

481 b. Up to 10 nonelective full-time positions may be
482 designated for each local agency employer reporting to the
483 department; for local agencies with 100 or more regularly
484 established positions, additional nonelective full-time
485 positions may be designated, not to exceed 1 percent of the
486 regularly established positions within the agency.

487 c. Each position added to the class must be a managerial or
488 policymaking position filled by an employee who is not subject
489 to continuing contract and serves at the pleasure of the local
490 agency employer without civil service protection, and who:

491 (I) Heads an organizational unit; or

492 (II) Has responsibility to effect or recommend personnel,
493 budget, expenditure, or policy decisions in his or her areas of
494 responsibility.

495 2. In lieu of participation in the Senior Management
496 Service Class, members of the Senior Management Service Class,
497 pursuant to subparagraph 1., may withdraw from the Florida
498 Retirement System altogether. The decision to withdraw from the
499 system is irrevocable as long as the employee holds the
500 position. Any service creditable under the Senior Management
501 Service Class shall be retained after the member withdraws from
502 the system; however, additional service credit in the Senior
503 Management Service Class may not be earned after such

608062

504 withdrawal. Such members are not eligible to participate in the
505 Senior Management Service Optional Annuity Program.

506 3. Effective January 1, 2006, through June 30, 2006, an
507 employee who has withdrawn from the Florida Retirement System
508 under subparagraph 2. has one opportunity to elect to
509 participate in the pension plan or the investment plan.

510 a. If the employee elects to participate in the investment
511 plan, membership shall be prospective, and the applicable
512 provisions of s. 121.4501(4) govern the election.

513 b. If the employee elects to participate in the pension
514 plan, the employee shall, upon payment to the system trust fund
515 of the amount calculated under sub-sub-subparagraph (I), receive
516 service credit for prior service based upon the time during
517 which the employee had withdrawn from the system.

518 (I) The cost for such credit shall be an amount
519 representing the actuarial accrued liability for the affected
520 period of service. The cost shall be calculated using the
521 discount rate and other relevant actuarial assumptions that were
522 used to value the pension plan liabilities in the most recent
523 actuarial valuation. The calculation must include any service
524 already maintained under the pension plan in addition to the
525 period of withdrawal. The actuarial accrued liability
526 attributable to any service already maintained under the pension
527 plan shall be applied as a credit to the total cost resulting
528 from the calculation. The division must ensure that the transfer
529 sum is prepared using a formula and methodology certified by an
530 actuary.

531 (II) The employee must transfer a sum representing the net
532 cost owed for the actuarial accrued liability in sub-sub-

608062

533 subparagraph (I) immediately following the time of such
534 movement, determined assuming that attained service equals the
535 sum of service in the pension plan and the period of withdrawal.

536 (h)1. Except as provided in subparagraph 3., effective
537 January 1, 1994, participation in the Senior Management Service

539 the Deputy State Courts Administrators, the Clerk of the Supreme
540 Court, the Marshal of the Supreme Court, the Executive Director
541 of the Justice Administrative Commission, the capital collateral
542 regional counsel, the clerks of the district courts of appeals,
543 the marshals of the district courts of appeals, and the trial
544 court administrator and the Chief Deputy Court Administrator in
545 each judicial circuit. Effective January 1, 1994, additional
546 positions in the offices of the state attorney and public
547 defender in each judicial circuit may be designated for
548 inclusion in the Senior Management Service Class of the Florida
549 Retirement System, provided that:

550 a. Positions to be included in the class shall be
551 designated by the state attorney or public defender, as
552 appropriate. Notice of intent to designate positions for
553 inclusion in the class shall be published for at least 2
554 consecutive weeks if published on the legal notice website
555 established pursuant to s. 50.0311 or once a week for 2
556 consecutive weeks in a newspaper of general circulation
557 published in the county or counties affected, as provided in
558 chapter 50.

559 b. One nonelective full-time position may be designated for
560 each state attorney and public defender reporting to the
561 Department of Management Services; for agencies with 200 or more

608062

562 regularly established positions under the state attorney or
563 public defender, additional nonelective full-time positions may
564 be designated, not to exceed 0.5 percent of the regularly
565 established positions within the agency.

566 c. Each position added to the class must be a managerial or
567 policymaking position filled by an employee who serves at the
568 pleasure of the state attorney or public defender without civil
569 service protection, and who:

570 (I) Heads an organizational unit; or

571 (II) Has responsibility to effect or recommend personnel,
572 budget, expenditure, or policy decisions in his or her areas of
573 responsibility.

574 2. Participation in this class shall be compulsory, except
575 as provided in subparagraph 3., for any judicial employee who
576 holds a position designated for coverage in the Senior
577 Management Service Class, and such participation shall continue
578 until the employee terminates employment in a covered position.
579 Effective January 1, 2001, participation in this class is
580 compulsory for assistant state attorneys, assistant statewide
581 prosecutors, assistant public defenders, and assistant capital
582 collateral regional counsel. Effective January 1, 2002,
583 participation in this class is compulsory for assistant
584 attorneys general.

585 3. In lieu of participation in the Senior Management
586 Service Class, such members, excluding assistant state
587 attorneys, assistant public defenders, assistant statewide
588 prosecutors, assistant attorneys general, and assistant capital
589 collateral regional counsel, may participate in the Senior
590 Management Service Optional Annuity Program as established in

860 190.046 Termination, contraction, or expansion of
861 district.—

862 (1) A landowner or the board may petition to contract or
863 expand the boundaries of a community development district in the
864 following manner:

865 (h) For a petition to establish a new community development
866 district of less than 2,500 acres on land located solely in one
867 county or one municipality, sufficiently contiguous lands
868 located within the county or municipality which the petitioner
869 anticipates adding to the boundaries of the district within 10
870 years after the effective date of the ordinance establishing the
871 district may also be identified. If such sufficiently contiguous
872 land is identified, the petition must include a legal
873 description of each additional parcel within the sufficiently
874 contiguous land, the current owner of the parcel, the acreage of
875 the parcel, and the current land use designation of the parcel.
876 At least 14 days before the hearing required under s.
877 190.005(2)(b), the petitioner must give the current owner of
878 each such parcel notice of filing the petition to establish the
879 district, the date and time of the public hearing on the
880 petition, and the name and address of the petitioner. A parcel

608062

881 may not be included in the district without the written consent
882 of the owner of the parcel.

883 1. After establishment of the district, a person may
884 petition the county or municipality to amend the boundaries of
885 the district to include a previously identified parcel that was
886 a proposed addition to the district before its establishment. A
887 filing fee may not be charged for this petition. Each such
888 petition must include:

889 a. A legal description by metes and bounds of the parcel to
890 be added;

891 b. A new legal description by metes and bounds of the
892 district;

893 c. Written consent of all owners of the parcel to be added;

894 d. A map of the district including the parcel to be added;

895 e. A description of the development proposed on the
896 additional parcel; and

897 f. A copy of the original petition identifying the parcel
898 to be added.

899 2. Before filing with the county or municipality, the
900 person must provide the petition to the district and to the
901 owner of the proposed additional parcel, if the owner is not the
902 petitioner.

903 3. Once the petition is determined sufficient and complete,
904 the county or municipality must process the addition of the
905 parcel to the district as an amendment to the ordinance that
906 establishes the district. The county or municipality may process
907 all petitions to amend the ordinance for parcels identified in
908 the original petition, even if, by adding such parcels, the
909 district exceeds 2,500 acres.

608062

910 4. The petitioner shall cause to be published in a
911 newspaper of general circulation in the proposed district a
912 notice of the intent to amend the ordinance that establishes the
913 district. The notice must be in addition to any notice required
914 for adoption of the ordinance amendment. Such notice must be
915 published as provided in chapter 50 at least 10 days before the
916 scheduled hearing on the ordinance amendment ~~and may be~~
917 ~~published in the section of the newspaper reserved for legal~~
918 ~~notices~~. The notice must include a general description of the
919 land to be added to the district and the date and time of the
920 scheduled hearing to amend the ordinance. The petitioner shall
921 deliver, including by mail or hand delivery, the notice of the
922 hearing on the ordinance amendment to the owner of the parcel
923 and to the district at least 14 days before the scheduled
924 hearing.

925 5. The amendment of a district by the addition of a parcel
926 pursuant to this paragraph does not alter the transition from
927 landowner voting to qualified elector voting pursuant to s.
928 190.006, even if the total size of the district after the
929 addition of the parcel exceeds 5,000 acres. Upon adoption of the
