Remove lines 2-8 and insert:

Amendment No. 1

17 An act relating to fire department communications; amending
18 s. 633.202, F.S.; authorizing the use of radio
19 communication enhancement systems to comply with minimum
20 radio signal strength requirements; prohibiting the
21 authority having jurisdiction from requiring certain radio
22 communication enhancement systems in apartments or
23 buildings of a certain height; revising the transitory
