Senator Rodriguez moved the following:

Senate Amendment (with title amendment)

Delete everything after the enacting clause
and insert:

Section 1. Subsection (10) of section 525.07, Florida
Statutes, is amended to read:

525.07 Powers and duties of department; inspections;
unlawful acts.—

(10) (a) Each person who owns or operates ~~manages~~ a retail
petroleum fuel measuring device shall have affixed to or
installed onto the measuring device a security measure to

147488

12 restrict the unauthorized access of customer payment card
13 information. The security measure must include one or more of
14 the following:

15 1. The placement and maintenance of pressure-sensitive
16 security tape over the panel opening that leads to the scanning
17 device for the retail petroleum fuel measuring device in a
18 manner that will restrict the unauthorized opening of the panel
19 or the placement and maintenance of pressure-sensitive custom
20 branded security tape unique to the station in more than one
21 location over the panel opening.

22 2. A device or system that will render the retail petroleum
23 fuel measuring device or the scanning device in the measuring
24 device inoperable if there is an unauthorized opening of the
25 panel.

26 3. A device or system that encrypts the customer payment
27 card information in the scanning device.

28 4. A physical locking mechanism that requires an access key
29 unique to each station to restrict the unauthorized access of
30 customer payment card information.

31 5. A device or system that will sound an alarm to alert the
32 owner or operator if there is an unauthorized opening of the
33 retail petroleum measuring device panel.

34 6. A daily inspection of each measuring device that
35 includes opening the panels, using an anti-skimmer application
36 that detects wireless based skimmers, and documenting such
37 inspections.

38 7. A device or system that permits customers to use a
39 contactless payment method, such as an electronic contact-free
40 system, tap-and-go system, or mobile cryptographic system, for

147488

41 payment that does not use a magnetic strip scanning device.

42 8.4. Another security measure approved by the department.

43 (b) Effective January 1, 2022, the owner or operator of a
44 retail petroleum fuel measuring device shall have affixed to or
45 installed onto the measuring device at least two of the security
46 measures under paragraph (a). The use and maintenance of two
47 security measures on each measuring device by an owner or
48 operator is deemed to be in compliance with this subsection.

49 (c) ~~(b)~~ The owner or manager of A retail petroleum fuel
50 measuring device without a security measure or with an illegal
51 skimming or filtering device or an altered or damaged security
52 measure, upon discovery by the department, shall be prohibited
53 from further use until the security measure is installed,
54 replaced, or repaired. The department may take a retail
55 petroleum fuel measuring device that is in violation of this
56 subsection out of service until compliance is restored ~~upon~~
57 ~~written notice from the department of such noncompliance, shall~~
58 ~~have 5 calendar days to comply with this subsection. After the~~
59 ~~fifth day of noncompliance, the department may prohibit further~~
60 ~~use of the retail petroleum fuel measuring device until a~~
61 ~~security measure is installed, replaced, or repaired. A repeat~~
62 ~~violation found on the same retail petroleum fuel measuring~~
63 ~~device will be cause for The department to immediately take the~~
64 ~~measuring device out of service.~~

65 (d) ~~(e)~~ For purposes of this subsection, the terms "scanning
66 device" and "payment card" have the same meanings as ~~defined~~ in
67 s. 817.625.

68 (e) ~~(d)~~ This subsection applies only to retail petroleum
69 fuel measuring devices that have a scanning device.

147488

(f)~~(e)~~ The department may seize without warrant any skimming device, as defined in s. 817.625, for use as evidence.

(g)~~(f)~~ The regulation of retail petroleum fuel measuring devices is preempted to the state. The department shall enforce, and may adopt rules to administer, this subsection; however, s. 525.16 may not be used to enforce this section unless the owner or operator of a retail petroleum fuel measuring device has failed to install or implement security measures pursuant to this section or has placed the measuring device back in service before compliance with this section has been restored. However, if noncompliance is the result of damage or alteration after repair by the owner or operator of the security measure, and the owner or operator demonstrates or provides sufficient evidence of such, the department may not use s. 525.16 to enforce this section.

Section 2. Subsection (6) is added to section 525.16, Florida Statutes, to read:

525.16 Administrative fine; penalties; prosecution of cases by state attorney.—

(6) This section may not be used to enforce s. 525.07(10) or rules adopted thereunder unless the owner or operator of a retail petroleum fuel measuring device has failed to install or implement security measures pursuant to s. 525.07(10) or has placed the measuring device back in service before compliance with s. 525.07(10) has been restored. However, if noncompliance is the result of damage or alteration after repair by the owner or operator of the security measure, and the owner or operator demonstrates or provides sufficient evidence of such, the department may not use this section to enforce s. 525.07(10).

147488

Section 3. This act shall take effect July 1, 2021.
