12 of the state-administered retirement systems.

13 (2) Before closing enrollment in any plan within the
14 Florida Retirement System to any employee or officer, the
15 Legislature must commission an independent actuarial study that
16 specifically examines or provides the following:

17 (a) The fiscal impact to the state by closing enrollment in
18 a plan, including the effect the closure would have on projected
19 benefits for all current and future enrollees in the Florida
20 Retirement System.

21 (b) Projected benefits for members already enrolled in the
22 Florida Retirement System as of the effective date of the
23 proposed change, and the employee and employer contribution
24 costs associated with those benefits.

25 (c) A quantitative analysis of projected benefit levels for
26 current and future enrollees.

27 (d) A quantitative analysis of the adequacy of benefits and
28 the effect of different plan structures.

29 (e) A review of the current systems' benefit output and
30 benefit structure in comparison to the proposed plan change and
31 its overall impact.

32 (f) A review of the current systems' economic output and
33 benefit to the state in comparison to the projected output
34 resulting from the proposed plan change.

35 Section 2. This act shall take effect July 1, 2021.
