Representative Tant offered the following:

**Amendment**

Remove lines 708-716 and insert:

ballot in which every race is undervoted, if there is a clear indication on the ballot that the voter has made a definite choice in the overvoted or undervoted race or ballot measure. A duplicate in which every race is undervoted which shall include all valid votes as determined by the canvassing board based on rules adopted by the division pursuant to s. 102.166(4). A duplicate may not include a vote if the voter's intent in such race or on such ballot measure is not clear ~~which shall include all valid votes as determined~~
