(1)(a) The supervisor shall accept a request for a vote-by-mail ballot from an elector in person or in writing. One request is deemed sufficient to receive a vote-by-mail ballot for all elections until the elector or the elector’s designee notifies the supervisor that the elector rescinds such request through the end of the calendar year of the second ensuing
regularly scheduled general election, unless the elector or the elector’s designee indicates at the time the request is made the elections for which the elector desires to receive a vote-by-mail ballot. Such request may be considered canceled when any first-class mail sent by the supervisor to the elector is returned as undeliverable.

Section 2. Paragraph (a) of subsection (2) of section 101.68, Florida Statutes, is amended to read:

101.68 Canvassing of vote-by-mail ballot.—
(2)(a) The county canvassing board may begin the canvassing of vote-by-mail ballots upon the completion of the public testing of automatic tabulating equipment pursuant to s. 101.5612(2) at 7 a.m. on the 22nd day before the election, but must begin such canvassing by no not later than noon on the day following the election. In addition, for any county using electronic tabulating equipment, the processing of vote-by-mail ballots through such tabulating equipment may begin at 7 a.m. on the 22nd day before the election. However, notwithstanding any such authorization to begin canvassing or otherwise processing vote-by-mail ballots early, no result shall be released until after the closing of the polls in that county on election day. Any supervisor, deputy supervisor, canvassing board member, election board member, or election employee who releases the results of a canvassing or processing of vote-by-mail ballots prior to the closing of the polls in that county on election day commits a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084.
