Senator Taddeo moved the following:

**Senate Amendment (with title amendment)**

Between lines 265 and 266 insert:

(8) An employer that, as a result of complying with the requirements of this section, is unable to implement all safety measures approved or recommended by the Federal Government to protect its employees or customers from exposure to COVID-19 is entitled to reimbursement from the Legislature for any loss of revenue or profit suffered as a result of COVID-19 infections or the threat of COVID-19 infections.
And the title is amended as follows:
Delete line 40
and insert:
policy; providing that employers are entitled to reimbursement from the Legislature for lost revenue or profit under certain circumstances; providing for expiration; creating s.
