House

---

Senator Perry moved the following:

**Senate Amendment (with title amendment)**

Delete lines 63 - 69

and insert:

Development Council to perform a study examining the economic,  
technical, and operational viability of the establishment of a  
port in Putnam County. The council shall evaluate the grant  
application pursuant to subsections (5)-(8) and, if approved,  
the Department of Transportation must include the feasibility  
study in its budget request pursuant to subsection (9). The  
council shall review the study upon completion to determine if a
