House

The Committee on Appropriations (Burgess) recommended the following:

Senate Amendment (with directory amendment)

Delete lines 270 - 280

and insert:

detached single-family residential homes ~~that are either~~
~~detached~~ or 25 multifamily dwelling units, which may include
apartments ~~dwelling~~s. ~~This paragraph does not apply to~~
~~multifamily projects over five stories in height.~~

(b) Each single-family residential home or residence will
have its own residential graywater system ~~that is~~ dedicated for

157718

11 its use. Each residence forming part of a multifamily project
12 will be serviced by either its own residential graywater system
13 dedicated for its use or a master graywater collection and reuse
14 system for the entire project.

15 (d) The required maintenance of the graywater system will
16 be the responsibility of the owner ~~residential homeowner~~.

17 (e) An operation and maintenance manual for the graywater
18 system will be supplied to either the initial owner of the
19 residence or the initial owner of a multifamily project that
20 will be serviced by a master graywater collection and reuse
21 system ~~the initial homeowner of each home~~. The manual must ~~shall~~
22 provide a method of contacting the installer or manufacturer and
23 must ~~shall~~ include directions to the initial owner ~~residential~~
24 ~~homeowner~~ that the manual shall remain with the residence or the
25 project throughout the life cycle of the system.

26
27 ===== D I R E C T O R Y C L A U S E A M E N D M E N T =====

28 And the directory clause is amended as follows:

29 Delete line 257

30 and insert:

31 (a), (b), (d), and (e) of subsection (3) of section 403.892,
32 Florida
