student. The procedures must reinforce the fundamental right of parents to make decisions regarding the upbringing and control of their children by requiring school district personnel to encourage a student to discuss issues relating to his or her well-being with his or her parent or to seek permission to discuss or facilitate discussion of the issue with the parent.

The procedures must comply with s. 1002.22(2) and may not prohibit a parent from accessing any of his or her minor child's education records created, maintained, or used by the school district. This paragraph does not limit or alter any obligation of school district personnel to report suspected abuse, abandonment, or neglect, as those terms are defined in s. 39.01.

2. A school district may not adopt procedures or student support forms that prohibit school district personnel from notifying a parent about his or her student's mental, emotional, or physical health or well-being, or a change in related services or monitoring, or that encourage or have the effect of encouraging a student to withhold from a parent such information. School district personnel may not discourage or prohibit parental notification of and involvement in critical decisions affecting a student's mental, emotional, or physical health or well-being. This subparagraph does not prohibit a school district from adopting procedures that permit school personnel to withhold such information from a parent if a reasonably prudent person would believe that disclosure would
result in abuse, abandonment, or neglect, as those terms are
defined in s. 39.01.

3. A school district may not encourage classroom
discussion about sexual orientation or gender identity in
primary grade levels or in a manner that is not age-appropriate
or developmentally appropriate for students.

4. A parent of a student may bring an action against a
school district to obtain a declaratory judgment that a school
district procedure or practice violates this paragraph and seek
injunctive relief. A court may award damages and shall award
reasonable attorney fees and court costs to a parent who
receives declaratory or injunctive relief.

5. Student support services training developed or provided
by a school district to school district personnel must adhere to
student services guidelines, standards, and frameworks
established by the Department of Education.

Section 2. By June 30, 2023, the Department of Education
shall review and update, as necessary, school counseling
frameworks and standards; educator practices and professional
conduct principles; and any other student services personnel
guidelines, standards, or frameworks in accordance with the
requirements of this act.

Section 3. This act shall take effect July 1, 2022.
