59 Be It Enacted by the Legislature of the State of Florida:

60
61 Section 1. Effective January 1, 2023, paragraph (j) of
62 subsection (8) and subsection (22) of section 253.025, Florida
63 Statutes, are amended to read:

64 253.025 Acquisition of state lands.—

65 (8) Before approval by the board of trustees, or, when
66 applicable, the Department of Environmental Protection, of any
67 agreement to purchase land pursuant to this chapter, chapter
68 259, chapter 260, or chapter 375, and before negotiations with
69 the parcel owner to purchase any other land, title to which will
70 vest in the board of trustees, an appraisal of the parcel shall
71 be required as follows:

72 (j)1. The board of trustees shall adopt by rule the method
73 for determining the value of parcels sought to be acquired by
74 state agencies pursuant to this section. An offer by a state
75 agency may not exceed the value for that parcel as determined
76 pursuant to the highest approved appraisal or the value
77 determined pursuant to the rules of the board of trustees,
78 whichever value is less.

79 2. For a joint acquisition by a state agency and a local
80 government or other entity apart from the state, the joint
81 purchase price may not exceed 150 percent of the value for a
82 parcel as determined in accordance with the limits in
83 subparagraph 1. The state agency share of a joint purchase offer
84 may not exceed what the agency may offer singly pursuant to
85 subparagraph 1.

86 3. This paragraph does not apply to the acquisition of
87 historically unique or significant property as determined by the

88 Division of Historical Resources of the Department of State or
89 to land, including interests in land, acquired pursuant to
90 chapter 570.

91
92 Notwithstanding this subsection, on behalf of the board of
93 trustees and before the appraisal of parcels approved for
94 purchase under this chapter or chapter 259, the Secretary of
95 Environmental Protection or the director of the Division of
96 State Lands may enter into option contracts to buy such parcels.
97 Any such option contract shall state that the final purchase
98 price is subject to approval by the board of trustees or, if
99 applicable, the Secretary of Environmental Protection, and that
100 the final purchase price may not exceed the maximum offer
101 allowed by law. Any such option contract presented to the board
102 of trustees for final purchase price approval shall explicitly
103 state that payment of the final purchase price is subject to an
104 appropriation from the Legislature. The consideration for such
105 an option may not exceed \$1,000 or 0.01 percent of the estimate
106 by the department of the value of the parcel, whichever amount
107 is greater.

108 (22) The board of trustees, by an affirmative vote of at
109 least three members, may direct the Department of Agriculture
110 and Consumer Services to purchase lands pursuant to chapter 570
111 or the Department of Environmental Protection to purchase lands
112 on an immediate basis using up to 15 percent of the funds
113 allocated to the department pursuant to s. 259.105 for the
114 acquisition of lands that:

115 (a) Are listed or placed at auction by the Federal
116 Government as part of the Resolution Trust Corporation sale of

117 lands from failed savings and loan associations;

123 the time the land can be purchased under the program within
124 which the land is listed for acquisition; or

125 (d) Will prevent or satisfy private property rights claims
126 resulting from limitations imposed by the designation of an area
127 of critical state concern pursuant to chapter 380.

128
129 Lands acquired pursuant to this subsection must, at the time of
130 purchase, be on one of the acquisition lists established
131 pursuant to chapter 259 or chapter 570, or be essential for
132 water resource development, protection, or restoration, or a
133 significant portion of the lands must contain natural
134 communities or plant or animal species that are listed by the
135 Florida Natural Areas Inventory as critically imperiled,
136 imperiled, or rare, or as excellent quality occurrences of

20222508pb

146 interlocal agreements with any other state agency, any water
147 management district, or any local government conducting programs
148 related to or materially affecting the water resources of the
149 state. All such agreements shall be subject to the provisions of
150 s. 373.046. In addition to its other powers and duties, the
151 department shall, to the greatest extent possible:

152 (8)

153 (b) To ensure to the greatest extent possible that project

155 collaborate with the South Florida Water Management District in
156 implementing the comprehensive plan as defined in s.
157 373.470(2)(b), the Lake Okeechobee Watershed Protection Plan as
158 defined in s. 373.4595(2), and the River Watershed Protection
159 Plans as defined in s. 373.4595(2). Before any project component
160 is submitted to Congress for authorization or receives an
161 appropriation of state funds, the department must approve, or
162 approve with amendments, each project component within 60 days
163 following formal submittal of the project component to the
164 department. Prior to the release of state funds for the

167 Management District's compliance with s. 373.1501(5) and (7).
168 Additionally, each budget amendment requesting the release of
169 state funds for the implementation of a project component or a
170 water control plan or regulation schedule required for the
171 operation of the project shall be contingent on the submission
172 of the certification required in s. 373.1501(7). Once a project
173 component is approved, the South Florida Water Management
174 District shall provide to the President of the Senate and the

576-02627-22

20222508pb

175 Speaker of the House of Representatives a schedule for
176 implementing the project component, the estimated total cost of
177 the project component, any existing federal or nonfederal
178 credits, the estimated remaining federal and nonfederal share of
179 costs, and an estimate of the amount of state funds that will be
180 needed to implement the project component. All requests for an
181 appropriation of state funds needed to implement the project
182 component shall be submitted to the department, and such
183 requests shall be included in the department's annual request to
184 the Governor. Prior to the release of state funds for the
185 implementation of the Lake Okeechobee Watershed Protection Plan
186 or the River Watershed Protection Plans, on an annual basis, the
187 South Florida Water Management District shall prepare an annual
188 work plan as part of the consolidated annual report required in
189 s. 373.036(7). Upon a determination by the secretary of the
190 annual work plan's consistency with the goals and objectives of
191 ss. 373.1501(7) and 373.4595 ~~s. 373.4595~~, the secretary may
192 approve the release of state funds. Any modifications to the
193 annual work plan shall be submitted to the secretary for review

387 state and to prevent the subdivision and conversion of such land
388 into other uses. This right or interest in property shall
389 prohibit only the following:

390 (a) Construction or placing of buildings, roads, billboards
391 or other advertising, utilities, or structures, except those
392 structures and unpaved roads necessary for the agricultural
393 operations on the land or structures necessary for other
394 activities allowed under the easement, and except for linear
395 facilities described in s. 704.06(11).~~†~~

408 conservation on their lands over and above that which is already
409 required by law or which provide recreational opportunities.
410 They will be for a term of not less than 5 years and not more
411 than 10 years. Property owners will become eligible to enter
412 into a resource conservation agreement only upon entering into a
413 conservation easement or rural lands protection easement.

414 (5) Agricultural protection agreements shall be for terms
415 of 30 years and will provide payments to landowners having
416 significant natural areas on their land. Public access and

418 request of the landowner.

419 (a) For the length of the agreement, the landowner shall
420 agree to prohibit:

432 control, soil conservation, or fish or wildlife habitat.

433 (b) As part of the agricultural protection agreement, the
434 parties shall agree that the state shall have a right to buy a
435 conservation easement or rural land protection easement at the

576-02627-22

436 end of the 30-year term. If the landowner tenders the easement
437 for the purchase and the state does not timely exercise its
438 right to buy the easement, the landowner shall be released from
439 the agricultural agreement. The purchase price of the easement
440 shall be established in the agreement and shall be based on the
441 value of the easement at the time the agreement is entered into,
442 plus a reasonable escalator multiplied by the number of full
443 calendar years following the date of the commencement of the
444 agreement. The landowner may transfer or sell the property
445 before the expiration of the 30-year term, but only if the
446 property is sold subject to the agreement and the buyer becomes
447 the successor in interest to the agricultural protection
448 agreement. Upon mutual consent of the parties, a landowner may

457 on the balance shall be equal annual payments over the term of
458 the agreement.

459 (8) Payments for the resource conservation agreements shall
460 be equal annual payments over the term of the agreement.

461 (9) Easements purchased pursuant to this act may not:

462 (a) Prevent landowners from transferring the remaining fee
463 value with the easement; or

464 (b) At the request of the landowner, restrict a landowner's

485 included in any lists or maps developed to implement this act,
486 the department must ~~shall~~ remove the property from any such
487 lists or maps upon receipt of the landowner's written request to
488 do so.

489 (12) The department may use appropriated funds from the

506 Section 8. Effective January 1, 2023, section 570.715,
507 Florida Statutes, is amended to read:

508 570.715 Land ~~Conservation easement~~ acquisition procedures.-

509 (1) For land acquisitions, including less than fee simple
510 acquisitions, pursuant to s. 570.71, the Department of
511 Agriculture and Consumer Services shall comply with the
512 following acquisition procedures:

521 1. Each parcel to be acquired must ~~shall~~ have at least one

20222508pb

523 of the parcel exceeds \$1 million. However, when both appraisals
524 exceed \$1 million and differ significantly, a third appraisal
525 may be obtained.

526 2. Appraisal fees and associated costs must ~~shall~~ be paid
527 by the department. All appraisals used for the acquisition of
528 ~~less than fee simple interest in~~ lands pursuant to this section
529 must ~~shall~~ be prepared by a state-certified appraiser who meets
530 the standards and criteria established by rule of the board of
531 trustees. Each appraiser selected to appraise a particular
532 parcel shall, before contracting with the department or a
533 participant in a multiparty agreement, submit to the department
534 or participant an affidavit substantiating that he or she has no
535 vested or fiduciary interest in such parcel.

536 (c) A certified survey must be made that meets the minimum
537 requirements for upland parcels established in the Standards of
538 Practice for Land Surveying in Florida published by the
539 department and that accurately portrays, to the greatest extent
540 practicable, the condition of the parcel as it currently exists.
541 The requirement for a certified survey may, in whole or in part,
542 be waived by the board of trustees any time before the land
543 acquisition ~~of the less than fee simple interest~~. If an existing
544 boundary map and description of a parcel are determined by the
545 department to be sufficient for appraisal purposes, the
546 department may temporarily waive the requirement for a survey
547 until any time before conveyance of title to the parcel.

548 (d) On behalf of the board of trustees and before the
549 appraisal of parcels approved for purchase under ss.
550 259.105(3)(i) and 570.71, the department may enter into option
551 contracts to buy ~~less than fee simple interest in~~ such parcels.

576-02627-22

20222508pb

552 Any such option contract must ~~shall~~ state that the final
553 purchase price is subject to approval by the board of trustees
554 and that the final purchase price may not exceed a fair market
555 value as determined by the department, so long as the public's
556 interest is reasonably protected ~~the maximum offer authorized by~~
557 ~~law~~. Any such option contract presented to the board of trustees
558 for final purchase price approval must ~~shall~~ explicitly state
559 that payment of the final purchase price is subject to an
560 appropriation by the Legislature. The consideration for any such
561 option contract may not exceed \$1,000 or 0.01 percent of the
562 estimate by the department of the value of the parcel, whichever
563 amount is greater.

564 (e) A final offer must ~~shall~~ be in the form of an option
565 contract or agreement for purchase of the land ~~less than fee~~
566 ~~simple interest~~ and must ~~shall~~ be signed and attested to by the
567 owner and the department. Before the department signs the
568 agreement for purchase of the land ~~less than fee simple interest~~
569 or exercises the option contract, the requirements of s. 286.23
570 must ~~shall~~ be complied with.

571 (f) The procedures provided in s. 253.025(9)(a)-(d) and
572 (10) must ~~shall~~ be followed.

573 (2) If the public's interest is reasonably protected, the
574 board of trustees may:

575 (a) Waive any requirement of this section.

576 (b) Waive any rules adopted pursuant to s. 570.71,
577 notwithstanding chapter 120.

578 (c) Substitute any other reasonably prudent procedures,
579 including federally mandated acquisition procedures, for the
580 procedures in this section, if federal funds are available and

576-02627-22

20222508pb

581 will be used for the purchase of land ~~a less than fee simple~~
582 ~~interest in lands~~, title to which will vest in the board of
583 trustees, and qualification for such federal funds requires
584 compliance with federally mandated acquisition procedures.

585 (3) The ~~less than fee simple~~ land acquisition procedures
586 provided in this section are for voluntary, negotiated
587 acquisitions.

588 (4) For purposes of this section, the term "negotiations"
589 does not include preliminary contacts with the property owner to
590 determine availability or eligibility of the property, existing
591 appraisal data, existing abstracts, and surveys.

592 (5) Appraisal reports are confidential and exempt from s.
593 119.07(1), for use by the department and the board of trustees,
594 until an option contract is executed or, if an option contract
595 is not executed, until 2 weeks before a contract or agreement
596 for purchase is considered for approval by the board of
597 trustees. However, the department has the authority, at its
598 discretion, to disclose appraisal reports to private landowners
599 during negotiations for acquisitions using alternatives to fee
600 simple techniques, if the department determines that disclosure
601 of such reports will bring the proposed acquisition to closure.
602 The department may also disclose appraisal information to public
603 agencies or nonprofit organizations that agree to maintain the
604 confidentiality of the reports or information when joint
605 acquisition of property is contemplated, or when a public agency
606 or nonprofit organization enters into a written multiparty
607 agreement with the department. For purposes of this subsection,
608 the term "nonprofit organization" means an organization whose
609 purposes include the preservation of natural resources, and

576-02627-22

610 which is exempt from federal income tax under s. 501(c)(3) of
611 the Internal Revenue Code. The department may release an
612 appraisal report when the passage of time has rendered the
613 conclusions of value in the report invalid or when the
614 department has terminated negotiations.

615 Section 9. Type two transfer from the Agency for Persons
616 with Disabilities.—

617 (1) All powers, duties, functions, records, offices,
618 personnel, associated administrative support positions,
619 property, pending issues, existing contracts, administrative
620 authority, administrative rules, and unexpended balances of
621 appropriations, allocations, and other funds relating to the
622 William J. "Billy Joe" Rish Recreational Park within the Agency
623 for Persons with Disabilities are transferred by a type two
624 transfer, as defined in s. 20.06(2), Florida Statutes, to the
625 Department of Environmental Protection.

627 before July 1, 2022, between the Agency for Persons with
628 Disabilities, or an entity or agency of the department, and any
629 other agency, entity, or person relating to the William J.

631 contract or agreement for the remainder of the term of the
632 contract or agreement on the successor entity responsible for
633 the program, activity, or functions relative to the contract or
