**I. Summary:**

The Division of Law Revision and Information of the Office of Legislative Services is required, by statute, to conduct a systematic and continuing study of the Florida Statutes. The purpose of this study is to recommend to the Legislature changes that will remove inconsistencies, redundancies, and unnecessary repetition from the statutes; improve clarity and facilitate correct interpretation; correct grammatical and typographical errors; and delete obsolete, repealed, or superseded provisions. These recommendations are submitted to the Legislature in the form of technical, nonsubstantive reviser's bills. Responses to directives from the Legislature to make specific changes in the statutes, such as renaming a department, are also submitted to the Legislature via reviser's bills.

Section 13, ch. 2021-269, Laws of Florida, directed the Division of Law Revision to replace references to the Division of Pari-mutuel Wagering and references to the Department of Business and Professional Regulation relating to gaming with references to the Florida Gaming Control Commission to conform the Florida Statutes to the transfer in s. 11, ch. 2021-269.
