The Committee on Appropriations (Pizzo) recommended the following:

**Senate Amendment (with title amendment)**

Between lines 1512 and 1513 insert:

Section 22. Subsection (1) of section 468.4334, Florida Statutes, is amended to read:

468.4334 Professional practice standards; liability.—

(1)(a) A community association manager or a community association management firm is deemed to act as agent on behalf of a community association as principal within the scope of
authority authorized by a written contract or under this chapter. A community association manager and a community association management firm shall discharge duties performed on behalf of the association as authorized by this chapter loyally, skillfully, and diligently; dealing honestly and fairly; in good faith; with care and full disclosure to the community association; accounting for all funds; and not charging unreasonable or excessive fees.

(b) If a community association manager or a community association management firm has a contract with a community association that has a building on the association’s property that is subject to s. 553.899, the community association manager or the community association management firm must comply with that section as directed by the board.

Section 23. Section 553.899, Florida Statutes, is created to read:

553.899 Mandatory structural inspections for condominium and cooperative buildings.—

(1) The Legislature finds that maintaining the structural integrity of a building throughout its service life is of paramount importance in order to ensure that buildings are structurally sound so as to not pose a threat to the public health, safety, or welfare. As such, the Legislature finds that the imposition of a statewide structural inspection program for aging condominium and cooperative buildings in this state is necessary to ensure that such buildings are safe for continued use.

(2) As used in this section, the terms:
(a) “Milestone inspection” means a structural inspection of
a building, including an inspection of load-bearing walls and the primary structural members and primary structural systems as those terms are defined in s. 627.706, by a licensed architect or engineer authorized to practice in this state for the purposes of attesting to the life safety and adequacy of the structural components of the building and, to the extent reasonably possible, determining the general structural condition of the building as it affects the safety of such building, including a determination of any necessary maintenance, repair, or replacement of any structural component of the building. The purpose of such inspection is not to determine if the condition of an existing building is in compliance with the Florida Building Code or the firesafety code.

(b) “Substantial structural deterioration” means substantial structural distress that negatively affects a building’s general structural condition and integrity. The term does not include surface imperfections such as cracks, distortion, sagging, deflections, misalignment, signs of leakage, or peeling of finishes unless the licensed engineer or architect performing the phase one or phase two inspection determines that such surface imperfections are a sign of substantial structural deterioration.

(3) A condominium association under chapter 718 and a cooperative association under chapter 719 must have a milestone inspection performed for each building that is three stories or more in height by December 31 of the year in which the building reaches 30 years of age, based on the date the certificate of occupancy for the building was issued, and every 10 years.
thereafter. If the building is located within 3 miles of a coastline as defined in s. 376.031, the condominium association or cooperative association must have a milestone inspection performed by December 31 of the year in which the building reaches 25 years of age, based on the date the certificate of occupancy for the building was issued, and every 10 years thereafter. The condominium association or cooperative association must arrange for the milestone inspection to be performed and is responsible for ensuring compliance with the requirements of this section. The condominium association or cooperative association is responsible for all costs associated with the inspection. This subsection does not apply to a two-family or three-family dwelling with three or fewer habitable stories above ground.

(4) If a milestone inspection is required under this section and the building’s certificate of occupancy was issued on or before July 1, 1992, the building’s initial milestone inspection must be performed before December 31, 2024. If the date of issuance for the certificate of occupancy is not available, the date of issuance of the building’s certificate of occupancy shall be the date of occupancy evidenced in any record of the local building official.

(5) Upon determining that a building must have a milestone inspection, the local enforcement agency must provide written notice of such required inspection to the condominium association or cooperative association by certified mail, return receipt requested.

(6) Within 180 days after receiving the written notice under subsection (5), the condominium association or cooperative...
association must complete phase one of the milestone inspection. For purposes of this section, completion of phase one of the milestone inspection means the licensed engineer or architect who performed the phase one inspection submitted the inspection report by e-mail, United States Postal Service, or commercial delivery service to the local enforcement agency.

(7) A milestone inspection consists of two phases:

(a) For phase one of the milestone inspection, a licensed architect or engineer authorized to practice in this state shall perform a visual examination of habitable and nonhabitable areas of a building, including the major structural components of a building, and provide a qualitative assessment of the structural conditions of the building. If the architect or engineer finds no signs of substantial structural deterioration to any building components under visual examination, phase two of the inspection, as provided in paragraph (b), is not required. An architect or engineer who completes a phase one milestone inspection shall prepare and submit an inspection report pursuant to subsection (8).

(b) A phase two of the milestone inspection must be performed if any substantial structural deterioration is identified during phase one. A phase two inspection may involve destructive or nondestructive testing at the inspector’s direction. The inspection may be as extensive or as limited as necessary to fully assess areas of structural distress in order to confirm that the building is structurally sound and safe for its intended use and to recommend a program for fully assessing and repairing distressed and damaged portions of the building. When determining testing locations, the inspector must give
preference to locations that are the least disruptive and most easily repairable while still being representative of the structure. An inspector who completes a phase two milestone inspection shall prepare and submit an inspection report pursuant to subsection (8).

(8) Upon completion of a phase one or phase two milestone inspection, the architect or engineer who performed the inspection must submit a sealed copy of the inspection report with a separate summary of, at minimum, the material findings and recommendations in the inspection report to the condominium association or cooperative association, and to the building official of the local government which has jurisdiction. The inspection report must, at a minimum, meet all of the following criteria:

(a) Bear the seal and signature, or the electronic signature, of the licensed engineer or architect who performed the inspection.

(b) Indicate the manner and type of inspection forming the basis for the inspection report.

(c) Identify any substantial structural deterioration, within a reasonable professional probability based on the scope of the inspection, describe the extent of such deterioration, and identify any recommended repairs for such deterioration.

(d) State whether unsafe or dangerous conditions, as those terms are defined in the Florida Building Code, were observed.

(e) Recommend any remedial or preventive repair for any items that are damaged but are not substantial structural deterioration.

(f) Identify and describe any items requiring further
(9) The association must distribute a copy of the inspector-prepared summary of the inspection report to each condominium unit owner or cooperative unit owner, regardless of the findings or recommendations in the report, by United States mail or personal delivery and by electronic transmission to unit owners who previously consented to received notice by electronic transmission; must post a copy of the inspector-prepared summary in a conspicuous place on the condominium or cooperative property; and must publish the full report and inspector-prepared summary on the association’s website, if the association is required to have a website.

(10) A local enforcement agency may prescribe timelines and penalties with respect to compliance with this section.

(11) A board of county commissioners may adopt an ordinance requiring that a condominium or cooperative association schedule or commence repairs for substantial structural deterioration within a specified timeframe after the local enforcement agency receives a phase two inspection report; however, such repairs must be commenced within 365 days after receiving such report. If an association fails to submit proof to the local enforcement agency that repairs have been scheduled or have commenced for substantial structural deterioration identified in a phase two inspection report within the required timeframe, the local enforcement agency must review and determine if the building is unsafe for human occupancy.

(12) The Florida Building Commission shall review the milestone inspection requirements under this section and make recommendations, if any, to the Legislature to ensure
inspections are sufficient to determine the structural integrity of a building. The commission must provide a written report of any recommendations to the Governor, the President of the Senate, and the Speaker of the House of Representatives by December 31, 2022.

(13) The Florida Building Commission shall consult with the State Fire Marshal to provide recommendations to the Legislature for the adoption of comprehensive structural and life safety standards for maintaining and inspecting all types of buildings and structures in this state that are three stories or more in height. The commission shall provide a written report of its recommendations to the Governor, the President of the Senate, and the Speaker of the House of Representatives by December 31, 2023.

Section 24. Paragraphs (a), (c), and (g) of subsection (12) of section 718.111, Florida Statutes, are amended to read:

718.111 The association.—

(12) OFFICIAL RECORDS.—

(a) From the inception of the association, the association shall maintain each of the following items, if applicable, which constitutes the official records of the association:

1. A copy of the plans, permits, warranties, and other items provided by the developer under s. 718.301(4).

2. A photocopy of the recorded declaration of condominium of each condominium operated by the association and each amendment to each declaration.

3. A photocopy of the recorded bylaws of the association and each amendment to the bylaws.

4. A certified copy of the articles of incorporation of the association.
association, or other documents creating the association, and each amendment thereto.

5. A copy of the current rules of the association.

6. A book or books that contain the minutes of all meetings of the association, the board of administration, and the unit owners.

7. A current roster of all unit owners and their mailing addresses, unit identifications, voting certifications, and, if known, telephone numbers. The association shall also maintain the e-mail addresses and facsimile numbers of unit owners consenting to receive notice by electronic transmission. The e-mail addresses and facsimile numbers are not accessible to unit owners if consent to receive notice by electronic transmission is not provided in accordance with sub-subparagraph (c)3.e. However, the association is not liable for an inadvertent disclosure of the e-mail address or facsimile number for receiving electronic transmission of notices.

8. All current insurance policies of the association and condominiums operated by the association.

9. A current copy of any management agreement, lease, or other contract to which the association is a party or under which the association or the unit owners have an obligation or responsibility.

10. Bills of sale or transfer for all property owned by the association.

11. Accounting records for the association and separate accounting records for each condominium that the association operates. Any person who knowingly or intentionally defaces or destroys such records, or who knowingly or intentionally fails
to create or maintain such records, with the intent of causing harm to the association or one or more of its members, is personally subject to a civil penalty pursuant to s. 718.501(1)(d). The accounting records must include, but are not limited to:

a. Accurate, itemized, and detailed records of all receipts and expenditures.

b. A current account and a monthly, bimonthly, or quarterly statement of the account for each unit designating the name of the unit owner, the due date and amount of each assessment, the amount paid on the account, and the balance due.

c. All audits, reviews, accounting statements, and financial reports of the association or condominium.

d. All contracts for work to be performed. Bids for work to be performed are also considered official records and must be maintained by the association for at least 1 year after receipt of the bid.

12. Ballots, sign-in sheets, voting proxies, and all other papers and electronic records relating to voting by unit owners, which must be maintained for 1 year from the date of the election, vote, or meeting to which the document relates, notwithstanding paragraph (b).

13. All rental records if the association is acting as agent for the rental of condominium units.

14. A copy of the current question and answer sheet as described in s. 718.504.

15. A copy of the inspection report as described in ss. 553.899 and 718.301(4)(p) and any other inspection report relating to a structural or life safety inspection of
condominium property. Such record must be maintained by the
association for 15 years after receipt of the report
718.301(4)(p).

16. Bids for materials, equipment, or services.
17. All affirmative acknowledgments made pursuant to s.
718.121(4)(c).

18. All other written records of the association not
specifically included in the foregoing which are related to the
operation of the association.

(c)1. The official records of the association are open to
inspection by any association member or the authorized
representative of such member at all reasonable times. The right
to inspect the records includes the right to make or obtain
copies, at the reasonable expense, if any, of the member or
authorized representative of such member. A renter of a unit has
a right to inspect and copy only the declaration of condominium,
and the association’s bylaws and rules, and the inspection
reports described in ss. 553.899 and 718.301(4)(p). The
association may adopt reasonable rules regarding the frequency,
time, location, notice, and manner of record inspections and
copying but may not require a member to demonstrate any purpose
or state any reason for the inspection. The failure of an
association to provide the records within 10 working days after
receipt of a written request creates a rebuttable presumption
that the association willfully failed to comply with this
paragraph. A unit owner who is denied access to official records
is entitled to the actual damages or minimum damages for the
association’s willful failure to comply. Minimum damages are $50
per calendar day for up to 10 days, beginning on the 11th
working day after receipt of the written request. The failure to permit inspection entitles any person prevailing in an enforcement action to recover reasonable attorney fees from the person in control of the records who, directly or indirectly, knowingly denied access to the records.

2. Any person who knowingly or intentionally defaces or destroys accounting records that are required by this chapter to be maintained during the period for which such records are required to be maintained, or who knowingly or intentionally fails to create or maintain accounting records that are required to be created or maintained, with the intent of causing harm to the association or one or more of its members, is personally subject to a civil penalty pursuant to s. 718.501(1)(d).

3. The association shall maintain an adequate number of copies of the declaration, articles of incorporation, bylaws, and rules, and all amendments to each of the foregoing, as well as the question and answer sheet as described in s. 718.504 and year-end financial information required under this section, on the condominium property to ensure their availability to unit owners and prospective purchasers, and may charge its actual costs for preparing and furnishing these documents to those requesting the documents. An association shall allow a member or his or her authorized representative to use a portable device, including a smartphone, tablet, portable scanner, or any other technology capable of scanning or taking photographs, to make an electronic copy of the official records in lieu of the association’s providing the member or his or her authorized representative with a copy of such records. The association may not charge a member or his or her authorized representative for
the use of a portable device. Notwithstanding this paragraph, the following records are not accessible to unit owners:

a. Any record protected by the lawyer-client privilege as described in s. 90.502 and any record protected by the work-product privilege, including a record prepared by an association attorney or prepared at the attorney’s express direction, which reflects a mental impression, conclusion, litigation strategy, or legal theory of the attorney or the association, and which was prepared exclusively for civil or criminal litigation or for adversarial administrative proceedings, or which was prepared in anticipation of such litigation or proceedings until the conclusion of the litigation or proceedings.

b. Information obtained by an association in connection with the approval of the lease, sale, or other transfer of a unit.

c. Personnel records of association or management company employees, including, but not limited to, disciplinary, payroll, health, and insurance records. For purposes of this sub-subparagraph, the term “personnel records” does not include written employment agreements with an association employee or management company, or budgetary or financial records that indicate the compensation paid to an association employee.

d. Medical records of unit owners.

e. Social security numbers, driver license numbers, credit card numbers, e-mail addresses, telephone numbers, facsimile numbers, emergency contact information, addresses of a unit owner other than as provided to fulfill the association’s notice requirements, and other personal identifying information of any person, excluding the person’s name, unit designation, mailing
address, property address, and any address, e-mail address, or facsimile number provided to the association to fulfill the association’s notice requirements. Notwithstanding the restrictions in this sub-subparagraph, an association may print and distribute to unit owners a directory containing the name, unit address, and all telephone numbers of each unit owner. However, an owner may exclude his or her telephone numbers from the directory by so requesting in writing to the association. An owner may consent in writing to the disclosure of other contact information described in this sub-subparagraph. The association is not liable for the inadvertent disclosure of information that is protected under this sub-subparagraph if the information is included in an official record of the association and is voluntarily provided by an owner and not requested by the association.

f. Electronic security measures that are used by the association to safeguard data, including passwords.

g. The software and operating system used by the association which allow the manipulation of data, even if the owner owns a copy of the same software used by the association. The data is part of the official records of the association.

h. All affirmative acknowledgments made pursuant to s. 718.121(4)(c).

(g)1. By January 1, 2019, an association managing a condominium with 150 or more units which does not contain timeshare units shall post digital copies of the documents specified in subparagraph 2. on its website or make such documents available through an application that can be downloaded on a mobile device.
a. The association’s website or application must be:
   (I) An independent website, application, or web portal wholly owned and operated by the association; or
   (II) A website, application, or web portal operated by a third-party provider with whom the association owns, leases, rents, or otherwise obtains the right to operate a web page, subpage, web portal, collection of subpages or web portals, or an application which is dedicated to the association’s activities and on which required notices, records, and documents may be posted or made available by the association.

b. The association’s website or application must be accessible through the Internet and must contain a subpage, web portal, or other protected electronic location that is inaccessible to the general public and accessible only to unit owners and employees of the association.

c. Upon a unit owner’s written request, the association must provide the unit owner with a username and password and access to the protected sections of the association’s website or application which contain any notices, records, or documents that must be electronically provided.

2. A current copy of the following documents must be posted in digital format on the association’s website or application:
   a. The recorded declaration of condominium of each condominium operated by the association and each amendment to each declaration.
   b. The recorded bylaws of the association and each amendment to the bylaws.
   c. The articles of incorporation of the association, or other documents creating the association, and each amendment to
the articles of incorporation or other documents. The copy
posted pursuant to this sub-subparagraph must be a copy of the
articles of incorporation filed with the Department of State.

d. The rules of the association.

e. A list of all executory contracts or documents to which
the association is a party or under which the association or the
unit owners have an obligation or responsibility and, after
bidding for the related materials, equipment, or services has
closed, a list of bids received by the association within the
past year. Summaries of bids for materials, equipment, or
services which exceed $500 must be maintained on the website or
application for 1 year. In lieu of summaries, complete copies of
the bids may be posted.

f. The annual budget required by s. 718.112(2)(f) and any
proposed budget to be considered at the annual meeting.

g. The financial report required by subsection (13) and any
monthly income or expense statement to be considered at a
meeting.

h. The certification of each director required by s.
718.112(2)(d)4.b.

i. All contracts or transactions between the association
and any director, officer, corporation, firm, or association
that is not an affiliated condominium association or any other
entity in which an association director is also a director or
officer and financially interested.

j. Any contract or document regarding a conflict of
interest or possible conflict of interest as provided in ss.
468.436(2)(b)6. and 718.3027(3).

k. The notice of any unit owner meeting and the agenda for
the meeting, as required by s. 718.112(2)(d)3., no later than 14
days before the meeting. The notice must be posted in plain view
on the front page of the website or application, or on a
separate subpage of the website or application labeled “Notices”
which is conspicuously visible and linked from the front page.
The association must also post on its website or application any
document to be considered and voted on by the owners during the
meeting or any document listed on the agenda at least 7 days
before the meeting at which the document or the information
within the document will be considered.

1. Notice of any board meeting, the agenda, and any other
document required for the meeting as required by s.
718.112(2)(c), which must be posted no later than the date
required for notice under s. 718.112(2)(c).

m. The inspection reports described in ss. 553.899 and
718.301(4)(p) and any other inspection report relating to a
structural or life safety inspection of condominium property.

3. The association shall ensure that the information and
records described in paragraph (c), which are not allowed to be
accessible to unit owners, are not posted on the association’s
website or application. If protected information or information
restricted from being accessible to unit owners is included in
documents that are required to be posted on the association’s
website or application, the association shall ensure the
information is redacted before posting the documents.

Notwithstanding the foregoing, the association or its agent is
not liable for disclosing information that is protected or
restricted under this paragraph unless such disclosure was made
with a knowing or intentional disregard of the protected or
restricted nature of such information.

4. The failure of the association to post information required under subparagraph 2. is not in and of itself sufficient to invalidate any action or decision of the association’s board or its committees.

Section 25. Paragraph (p) is added to subsection (2) of section 718.112, Florida Statutes, to read:

718.112 Bylaws.—

(2) REQUIRED PROVISIONS.—The bylaws shall provide for the following and, if they do not do so, shall be deemed to include the following:

(p) Mandatory milestone inspections.—If an association is required to have a milestone inspection performed pursuant to s. 553.899, the association must arrange for the milestone inspection to be performed and is responsible for ensuring compliance with the requirements of s. 553.899. The association is responsible for all costs associated with the inspection. If the officers or directors of an association willfully and knowingly fail to have a milestone inspection performed pursuant to s. 553.899, such failure is a breach of the officers’ and directors’ fiduciary relationship to the unit owners under s. 718.111(1)(a). Upon completion of a phase one or phase two milestone inspection and receipt of the inspector-prepared summary of the inspection report from the architect or engineer who performed the inspection, the association must distribute a copy of the inspector-prepared summary of the inspection report to each unit owner, regardless of the findings or recommendations in the report, by United States mail or personal delivery and by electronic transmission to unit owners who
previously consented to receive notice by electronic transmission; must post a copy of the inspector-prepared summary in a conspicuous place on the condominium property; and must publish the full report and inspector-prepared summary on the association’s website, if the association is required to have a website.

Section 26. Paragraph (p) of subsection (4) of section 718.301, Florida Statutes, is amended to read:

718.301 Transfer of association control; claims of defect by association.—

(4) At the time that unit owners other than the developer elect a majority of the members of the board of administration of an association, the developer shall relinquish control of the association, and the unit owners shall accept control. Simultaneously, or for the purposes of paragraph (c) not more than 90 days thereafter, the developer shall deliver to the association, at the developer’s expense, all property of the unit owners and of the association which is held or controlled by the developer, including, but not limited to, the following items, if applicable, as to each condominium operated by the association:

(p) Notwithstanding when the certificate of occupancy was issued or the height of the building, a milestone inspection report in compliance with s. 553.899 included in the official records, under seal of an architect or engineer authorized to practice in this state, and attesting to required maintenance, condition, useful life, and replacement costs of the following applicable condominium property common elements comprising a turnover inspection report:
1. Roof.
2. Structure, including load-bearing walls and primary structural members and primary structural systems as those terms are defined in s. 627.706.
3. Fireproofing and fire protection systems.
4. Elevators.
5. Heating and cooling systems.
6. Plumbing.
7. Electrical systems.
8. Swimming pool or spa and equipment.
10. Pavement and parking areas.
11. Drainage systems.
12. Painting.
13. Irrigation systems.

Section 27. Subsection (1) of section 718.501, Florida Statutes, is amended, and subsection (3) is added to that section, to read:

718.501 Authority, responsibility, and duties of Division of Florida Condominiums, Timeshares, and Mobile Homes.—
(1) The division may enforce and ensure compliance with this chapter and rules relating to the development, construction, sale, lease, ownership, operation, and management of residential condominium units and complaints related to the procedural completion of milestone inspections under s. 553.899. In performing its duties, the division has complete jurisdiction to investigate complaints and enforce compliance with respect to associations that are still under developer control or the
control of a bulk assignee or bulk buyer pursuant to part VII of this chapter and complaints against developers, bulk assignees, or bulk buyers involving improper turnover or failure to turnover, pursuant to s. 718.301. However, after turnover has occurred, the division has jurisdiction to investigate complaints related only to financial issues, elections, and the maintenance of and unit owner access to association records under s. 718.111(12).

(a) 1. The division may make necessary public or private investigations within or outside this state to determine whether any person has violated this chapter or any rule or order hereunder, to aid in the enforcement of this chapter, or to aid in the adoption of rules or forms.

2. The division may submit any official written report, worksheet, or other related paper, or a duly certified copy thereof, compiled, prepared, drafted, or otherwise made by and duly authenticated by a financial examiner or analyst to be admitted as competent evidence in any hearing in which the financial examiner or analyst is available for cross-examination and attests under oath that such documents were prepared as a result of an examination or inspection conducted pursuant to this chapter.

(b) The division may require or permit any person to file a statement in writing, under oath or otherwise, as the division determines, as to the facts and circumstances concerning a matter to be investigated.

(c) For the purpose of any investigation under this chapter, the division director or any officer or employee designated by the division director may administer oaths or
affirmations, subpoena witnesses and compel their attendance, take evidence, and require the production of any matter which is relevant to the investigation, including the existence, description, nature, custody, condition, and location of any books, documents, or other tangible things and the identity and location of persons having knowledge of relevant facts or any other matter reasonably calculated to lead to the discovery of material evidence. Upon the failure by a person to obey a subpoena or to answer questions propounded by the investigating officer and upon reasonable notice to all affected persons, the division may apply to the circuit court for an order compelling compliance.

(d) Notwithstanding any remedies available to unit owners and associations, if the division has reasonable cause to believe that a violation of any provision of this chapter or related rule has occurred, the division may institute enforcement proceedings in its own name against any developer, bulk assignee, bulk buyer, association, officer, or member of the board of administration, or its assignees or agents, as follows:

1. The division may permit a person whose conduct or actions may be under investigation to waive formal proceedings and enter into a consent proceeding whereby orders, rules, or letters of censure or warning, whether formal or informal, may be entered against the person.

2. The division may issue an order requiring the developer, bulk assignee, bulk buyer, association, developer-designated officer, or developer-designated member of the board of administration, developer-designated assignees or agents, bulk
assignee-designated assignees or agents, bulk buyer-designated assignees or agents, community association manager, or community association management firm to cease and desist from the unlawful practice and take such affirmative action as in the judgment of the division carry out the purposes of this chapter. If the division finds that a developer, bulk assignee, bulk buyer, association, officer, or member of the board of administration, or its assignees or agents, is violating or is about to violate any provision of this chapter, any rule adopted or order issued by the division, or any written agreement entered into with the division, and presents an immediate danger to the public requiring an immediate final order, it may issue an emergency cease and desist order reciting with particularity the facts underlying such findings. The emergency cease and desist order is effective for 90 days. If the division begins nonemergency cease and desist proceedings, the emergency cease and desist order remains effective until the conclusion of the proceedings under ss. 120.569 and 120.57.

3. If a developer, bulk assignee, or bulk buyer fails to pay any restitution determined by the division to be owed, plus any accrued interest at the highest rate permitted by law, within 30 days after expiration of any appellate time period of a final order requiring payment of restitution or the conclusion of any appeal thereof, whichever is later, the division must bring an action in circuit or county court on behalf of any association, class of unit owners, lessees, or purchasers for restitution, declaratory relief, injunctive relief, or any other available remedy. The division may also temporarily revoke its acceptance of the filing for the developer to which the
restitution relates until payment of restitution is made.

4. The division may petition the court for appointment of a receiver or conservator. If appointed, the receiver or conservator may take action to implement the court order to ensure the performance of the order and to remedy any breach thereof. In addition to all other means provided by law for the enforcement of an injunction or temporary restraining order, the circuit court may impound or sequester the property of a party defendant, including books, papers, documents, and related records, and allow the examination and use of the property by the division and a court-appointed receiver or conservator.

5. The division may apply to the circuit court for an order of restitution whereby the defendant in an action brought under subparagraph 4. is ordered to make restitution of those sums shown by the division to have been obtained by the defendant in violation of this chapter. At the option of the court, such restitution is payable to the conservator or receiver appointed under subparagraph 4. or directly to the persons whose funds or assets were obtained in violation of this chapter.

6. The division may impose a civil penalty against a developer, bulk assignee, or bulk buyer, or association, or its assignee or agent, for any violation of this chapter or related rule. The division may impose a civil penalty individually against an officer or board member who willfully and knowingly violates this chapter, an adopted rule, or a final order of the division; may order the removal of such individual as an officer or from the board of administration or as an officer of the association; and may prohibit such individual from serving as an officer or on the board of a community association for a period
of time. The term “willfully and knowingly” means that the division informed the officer or board member that his or her action or intended action violates this chapter, a rule adopted under this chapter, or a final order of the division and that the officer or board member refused to comply with the requirements of this chapter, a rule adopted under this chapter, or a final order of the division. The division, before initiating formal agency action under chapter 120, must afford the officer or board member an opportunity to voluntarily comply, and an officer or board member who complies within 10 days is not subject to a civil penalty. A penalty may be imposed on the basis of each day of continuing violation, but the penalty for any offense may not exceed $5,000. The division shall adopt, by rule, penalty guidelines applicable to possible violations or to categories of violations of this chapter or rules adopted by the division. The guidelines must specify a meaningful range of civil penalties for each such violation of the statute and rules and must be based upon the harm caused by the violation, the repetition of the violation, and upon such other factors deemed relevant by the division. For example, the division may consider whether the violations were committed by a developer, bulk assignee, or bulk buyer, or owner-controlled association, the size of the association, and other factors. The guidelines must designate the possible mitigating or aggravating circumstances that justify a departure from the range of penalties provided by the rules. It is the legislative intent that minor violations be distinguished from those which endanger the health, safety, or welfare of the condominium residents or other persons and that such guidelines provide reasonable and
meaningful notice to the public of likely penalties that may be imposed for proscribed conduct. This subsection does not limit the ability of the division to informally dispose of administrative actions or complaints by stipulation, agreed settlement, or consent order. All amounts collected shall be deposited with the Chief Financial Officer to the credit of the Division of Florida Condominiums, Timeshares, and Mobile Homes Trust Fund. If a developer, bulk assignee, or bulk buyer fails to pay the civil penalty and the amount deemed to be owed to the association, the division shall issue an order directing that such developer, bulk assignee, or bulk buyer cease and desist from further operation until such time as the civil penalty is paid or may pursue enforcement of the penalty in a court of competent jurisdiction. If an association fails to pay the civil penalty, the division shall pursue enforcement in a court of competent jurisdiction, and the order imposing the civil penalty or the cease and desist order is not effective until 20 days after the date of such order. Any action commenced by the division shall be brought in the county in which the division has its executive offices or in the county where the violation occurred.

7. If a unit owner presents the division with proof that the unit owner has requested access to official records in writing by certified mail, and that after 10 days the unit owner again made the same request for access to official records in writing by certified mail, and that more than 10 days has elapsed since the second request and the association has still failed or refused to provide access to official records as required by this chapter, the division shall issue a subpoena

Page 26 of 63

requiring production of the requested records where the records are kept pursuant to s. 718.112.

8. In addition to subparagraph 6., the division may seek the imposition of a civil penalty through the circuit court for any violation for which the division may issue a notice to show cause under paragraph (r). The civil penalty shall be at least $500 but no more than $5,000 for each violation. The court may also award to the prevailing party court costs and reasonable attorney fees and, if the division prevails, may also award reasonable costs of investigation.

(e) The division may prepare and disseminate a prospectus and other information to assist prospective owners, purchasers, lessees, and developers of residential condominiums in assessing the rights, privileges, and duties pertaining thereto.

(f) The division may adopt rules to administer and enforce this chapter.

(g) The division shall establish procedures for providing notice to an association and the developer, bulk assignee, or bulk buyer during the period in which the developer, bulk assignee, or bulk buyer controls the association if the division is considering the issuance of a declaratory statement with respect to the declaration of condominium or any related document governing such condominium community.

(h) The division shall furnish each association that pays the fees required by paragraph (2)(a) a copy of this chapter, as amended, and the rules adopted thereto on an annual basis.

(i) The division shall annually provide each association with a summary of declaratory statements and formal legal opinions relating to the operations of condominiums which were
rendered by the division during the previous year.

(j) The division shall provide training and educational programs for condominium association board members and unit owners. The training may, in the division's discretion, include web-based electronic media, and live training and seminars in various locations throughout the state. The division may review and approve education and training programs for board members and unit owners offered by providers and shall maintain a current list of approved programs and providers and make such list available to board members and unit owners in a reasonable and cost-effective manner.

(k) The division shall maintain a toll-free telephone number accessible to condominium unit owners.

(l) The division shall develop a program to certify both volunteer and paid mediators to provide mediation of condominium disputes. The division shall provide, upon request, a list of such mediators to any association, unit owner, or other participant in alternative dispute resolution proceedings under s. 718.1255 requesting a copy of the list. The division shall include on the list of volunteer mediators only the names of persons who have received at least 20 hours of training in mediation techniques or who have mediated at least 20 disputes. In order to become initially certified by the division, paid mediators must be certified by the Supreme Court to mediate court cases in county or circuit courts. However, the division may adopt, by rule, additional factors for the certification of paid mediators, which must be related to experience, education, or background. Any person initially certified as a paid mediator by the division must, in order to continue to be certified,
comply with the factors or requirements adopted by rule.

(m) If a complaint is made, the division must conduct its inquiry with due regard for the interests of the affected parties. Within 30 days after receipt of a complaint, the division shall acknowledge the complaint in writing and notify the complainant whether the complaint is within the jurisdiction of the division and whether additional information is needed by the division from the complainant. The division shall conduct its investigation and, within 90 days after receipt of the original complaint or of timely requested additional information, take action upon the complaint. However, the failure to complete the investigation within 90 days does not prevent the division from continuing the investigation, accepting or considering evidence obtained or received after 90 days, or taking administrative action if reasonable cause exists to believe that a violation of this chapter or a rule has occurred. If an investigation is not completed within the time limits established in this paragraph, the division shall, on a monthly basis, notify the complainant in writing of the status of the investigation. When reporting its action to the complainant, the division shall inform the complainant of any right to a hearing under ss. 120.569 and 120.57. The division may adopt rules regarding the submission of a complaint against an association.

(n) Condominium association directors, officers, and employees; condominium developers; bulk assignees, bulk buyers, and community association managers; and community association management firms have an ongoing duty to reasonably cooperate with the division in any investigation under this section. The
division shall refer to local law enforcement authorities any
person whom the division believes has altered, destroyed,
concealed, or removed any record, document, or thing required to
be kept or maintained by this chapter with the purpose to impair
its verity or availability in the department’s investigation.

(o) The division may:

1. Contract with agencies in this state or other
jurisdictions to perform investigative functions; or

2. Accept grants-in-aid from any source.

(p) The division shall cooperate with similar agencies in
other jurisdictions to establish uniform filing procedures and
forms, public offering statements, advertising standards, and
rules and common administrative practices.

(q) The division shall consider notice to a developer, bulk
assignee, or bulk buyer to be complete when it is delivered to
the address of the developer, bulk assignee, or bulk buyer
currently on file with the division.

(r) In addition to its enforcement authority, the division
may issue a notice to show cause, which must provide for a
hearing, upon written request, in accordance with chapter 120.

(s) The division shall submit to the Governor, the
President of the Senate, the Speaker of the House of
Representatives, and the chairs of the legislative
appropriations committees an annual report that includes, but
need not be limited to, the number of training programs provided
for condominium association board members and unit owners, the
number of complaints received by type, the number and percent of
complaints acknowledged in writing within 30 days and the number
and percent of investigations acted upon within 90 days in
accordance with paragraph (m), and the number of investigations exceeding the 90-day requirement. The annual report must also include an evaluation of the division’s core business processes and make recommendations for improvements, including statutory changes. The report shall be submitted by September 30 following the end of the fiscal year.

(3)(a) On or before January 1, 2023, condominium associations existing on or before July 1, 2022, must provide the following information to the division in writing, by e-mail, United States Postal Service, commercial delivery service, or hand delivery, at a physical address or e-mail address provided by the division and on a form posted on the division’s website:

1. The number of buildings on the condominium property that are three stories or higher in height.
2. The total number of units in all such buildings.
3. The addresses of all such buildings.
4. The counties in which all such buildings are located.

(b) The division must compile a list of the number of buildings on condominium property that are three stories or higher in height, which is searchable by county, and must post the list on the division’s website. This list must include all of the following information:

1. The name of each association with buildings on the condominium property that are three stories or higher in height.
2. The number of such buildings on each association’s property.
3. The addresses of all such buildings.
4. The counties in which all such buildings are located.

(c) An association must provide an update in writing to the
division if there are any changes to the information in the list under paragraph (b) within 6 months after the change.

Section 28. Present paragraphs (b) and (c) of subsection (2) of section 718.503, Florida Statutes, are redesignated as paragraphs (c) and (d), respectively, a new paragraph (b) is added to that subsection, and paragraph (b) of subsection (1) and paragraph (a) of subsection (2) of that section are amended, to read:

(1) DEVELOPER DISCLOSURE.—

(b) Copies of documents to be furnished to prospective buyer or lessee.—Until such time as the developer has furnished the documents listed below to a person who has entered into a contract to purchase a residential unit or lease it for more than 5 years, the contract may be voided by that person, entitling the person to a refund of any deposit together with interest thereon as provided in s. 718.202. 1. The declaration of condominium.
2. Articles of incorporation of the association.
3. Bylaws and rules of the association.

Section 29. Paragraph (q) is added to subsection (24) of section 718.504, Florida Statutes, to read:

718.504 Prospectus or offering circular.—Every developer of a residential condominium which contains more than 20 residential units, or which is part of a group of residential condominiums which will be served by property to be used in common by unit owners of more than 20 residential units, shall prepare a prospectus or offering circular and file it with the Division of Florida Condominiums, Timeshares, and Mobile Homes prior to entering into an enforceable contract of purchase and sale of any unit or lease of a unit for more than 5 years and shall furnish a copy of the prospectus or offering circular to each buyer. In addition to the prospectus or offering circular, each buyer shall be furnished a separate page entitled “Frequently Asked Questions and Answers,” which shall be in accordance with a format approved by the division and a copy of the financial information required by s. 718.111. This page shall, in readable language, inform prospective purchasers regarding their voting rights and unit use restrictions, including restrictions on the leasing of a unit; shall indicate whether and in what amount the unit owners or the association is obligated to pay rent or land use fees for recreational or other
commonly used facilities; shall contain a statement identifying that amount of assessment which, pursuant to the budget, would be levied upon each unit type, exclusive of any special assessments, and which shall further identify the basis upon which assessments are levied, whether monthly, quarterly, or otherwise; shall state and identify any court cases in which the association is currently a party of record in which the association may face liability in excess of $100,000; and which shall further state whether membership in a recreational facilities association is mandatory, and if so, shall identify the fees currently charged per unit type. The division shall by rule require such other disclosure as in its judgment will assist prospective purchasers. The prospectus or offering circular may include more than one condominium, although not all such units are being offered for sale as of the date of the prospectus or offering circular. The prospectus or offering circular must contain the following information:

(24) Copies of the following, to the extent they are applicable, shall be included as exhibits:

(q) A copy of the inspector-prepared summary of the milestone inspection report as described in ss. 553.899 and 718.301(4)(p), as applicable.

Section 30. Paragraphs (a) and (c) of subsection (2) of section 719.104, Florida Statutes, are amended to read:

719.104 Cooperatives; access to units; records; financial reports; assessments; purchase of leases.—

(2) OFFICIAL RECORDS.—

(a) From the inception of the association, the association shall maintain a copy of each of the following, where
applicable, which shall constitute the official records of the association:

1. The plans, permits, warranties, and other items provided by the developer pursuant to s. 719.301(4).

2. A photocopy of the cooperative documents.

3. A copy of the current rules of the association.

4. A book or books containing the minutes of all meetings of the association, of the board of directors, and of the unit owners.

5. A current roster of all unit owners and their mailing addresses, unit identifications, voting certifications, and, if known, telephone numbers. The association shall also maintain the e-mail addresses and the numbers designated by unit owners for receiving notice sent by electronic transmission of those unit owners consenting to receive notice by electronic transmission. The e-mail addresses and numbers provided by unit owners to receive notice by electronic transmission shall be removed from association records when consent to receive notice by electronic transmission is revoked. However, the association is not liable for an erroneous disclosure of the e-mail address or the number for receiving electronic transmission of notices.

6. All current insurance policies of the association.

7. A current copy of any management agreement, lease, or other contract to which the association is a party or under which the association or the unit owners have an obligation or responsibility.

8. Bills of sale or transfer for all property owned by the association.

9. Accounting records for the association and separate
accounting records for each unit it operates, according to good accounting practices. The accounting records shall include, but not be limited to:

   a. Accurate, itemized, and detailed records of all receipts and expenditures.
   b. A current account and a monthly, bimonthly, or quarterly statement of the account for each unit designating the name of the unit owner, the due date and amount of each assessment, the amount paid upon the account, and the balance due.
   c. All audits, reviews, accounting statements, and financial reports of the association.
   d. All contracts for work to be performed. Bids for work to be performed shall also be considered official records and shall be maintained for a period of 1 year.

10. Ballots, sign-in sheets, voting proxies, and all other papers and electronic records relating to voting by unit owners, which shall be maintained for a period of 1 year after the date of the election, vote, or meeting to which the document relates.

11. All rental records where the association is acting as agent for the rental of units.

12. A copy of the current question and answer sheet as described in s. 719.504.

13. All affirmative acknowledgments made pursuant to s. 719.108(3)(b)3.

14. A copy of the inspection reports described in s. 553.899 and s. 719.301(4)(p) and any other inspection report relating to a structural or life safety inspection of the cooperative property. Such record must be maintained by the association for 15 years after receipt of the report.
15. All other written records of the association not specifically included in the foregoing which are related to the operation of the association.

(c) The official records of the association are open to inspection by any association member or the authorized representative of such member at all reasonable times. The right to inspect the records includes the right to make or obtain copies, at the reasonable expense, if any, of the association member. A renter of a unit has a right to inspect and copy only the association’s bylaws and rules and the inspection reports described in ss. 553.899 and 719.301(4)(p). The association may adopt reasonable rules regarding the frequency, time, location, notice, and manner of record inspections and copying, but may not require a member to demonstrate any purpose or state any reason for the inspection. The failure of an association to provide the records within 10 working days after receipt of a written request creates a rebuttable presumption that the association willfully failed to comply with this paragraph. A member who is denied access to official records is entitled to the actual damages or minimum damages for the association’s willful failure to comply. The minimum damages are $50 per calendar day for up to 10 days, beginning on the 11th working day after receipt of the written request. The failure to permit inspection entitles any person prevailing in an enforcement action to recover reasonable attorney fees from the person in control of the records who, directly or indirectly, knowingly denied access to the records. Any person who knowingly or intentionally defaces or destroys accounting records that are required by this chapter to be maintained during the period for
which such records are required to be maintained, or who knowingly or intentionally fails to create or maintain accounting records that are required to be created or maintained, with the intent of causing harm to the association or one or more of its members, is personally subject to a civil penalty under s. 719.501(1)(d). The association shall maintain an adequate number of copies of the declaration, articles of incorporation, bylaws, and rules, and all amendments to each of the foregoing, as well as the question and answer sheet as described in s. 719.504 and year-end financial information required by the department, on the cooperative property to ensure their availability to members and prospective purchasers, and may charge its actual costs for preparing and furnishing these documents to those requesting the same. An association shall allow a member or his or her authorized representative to use a portable device, including a smartphone, tablet, portable scanner, or any other technology capable of scanning or taking photographs, to make an electronic copy of the official records in lieu of the association providing the member or his or her authorized representative with a copy of such records. The association may not charge a member or his or her authorized representative for the use of a portable device. Notwithstanding this paragraph, the following records shall not be accessible to members:

1. Any record protected by the lawyer-client privilege as described in s. 90.502 and any record protected by the work-product privilege, including any record prepared by an association attorney or prepared at the attorney’s express direction which reflects a mental impression, conclusion,
litigation strategy, or legal theory of the attorney or the
association, and which was prepared exclusively for civil or
criminal litigation or for adversarial administrative
proceedings, or which was prepared in anticipation of such
litigation or proceedings until the conclusion of the litigation
or proceedings.

2. Information obtained by an association in connection
with the approval of the lease, sale, or other transfer of a
unit.

3. Personnel records of association or management company
employees, including, but not limited to, disciplinary, payroll,
health, and insurance records. For purposes of this
subparagraph, the term “personnel records” does not include
written employment agreements with an association employee or
management company, or budgetary or financial records that
indicate the compensation paid to an association employee.

4. Medical records of unit owners.

5. Social security numbers, driver license numbers, credit
card numbers, e-mail addresses, telephone numbers, facsimile
numbers, emergency contact information, addresses of a unit
owner other than as provided to fulfill the association’s notice
requirements, and other personal identifying information of any
person, excluding the person’s name, unit designation, mailing
address, property address, and any address, e-mail address, or
facsimile number provided to the association to fulfill the
association’s notice requirements. Notwithstanding the
restrictions in this subparagraph, an association may print and
distribute to unit owners a directory containing the name, unit
address, and all telephone numbers of each unit owner. However,
an owner may exclude his or her telephone numbers from the
directory by so requesting in writing to the association. An
owner may consent in writing to the disclosure of other contact
information described in this subparagraph. The association is
not liable for the inadvertent disclosure of information that is
protected under this subparagraph if the information is included
in an official record of the association and is voluntarily
provided by an owner and not requested by the association.

6. Electronic security measures that are used by the
association to safeguard data, including passwords.

7. The software and operating system used by the
association which allow the manipulation of data, even if the
owner owns a copy of the same software used by the association.
The data is part of the official records of the association.

8. All affirmative acknowledgments made pursuant to s.
719.108(3)(b)3.

Section 31. Paragraph (n) is added to subsection (1) of
section 719.106, Florida Statutes, to read:

719.106 Bylaws; cooperative ownership.—
(1) MANDATORY PROVISIONS.—The bylaws or other cooperative
documents shall provide for the following, and if they do not,
they shall be deemed to include the following:

(n) Mandatory milestone inspections.—If an association is
required to have a milestone inspection performed pursuant to s.
553.899, the association must arrange for the milestone
inspection to be performed and is responsible for ensuring
compliance with the requirements of s. 553.899. The association
is responsible for all costs associated with the inspection. If
the officers or directors of an association willfully and
knowingly fail to have a milestone inspection performed pursuant to s. 553.899, such failure is a breach of the officers’ and directors’ fiduciary relationship to the unit owners under s. 719.104(8)(a). Upon completion of a phase one or phase two milestone inspection and receipt of the inspector-prepared summary of the inspection report from the architect or engineer who performed the inspection, the association must distribute a copy of the inspector-prepared summary of the inspection report to each unit owner, regardless of the findings or recommendations in the report, by United States mail or personal delivery and by electronic transmission to unit owners who previously consented to receive notice by electronic transmission; must post a copy of the inspector-prepared summary in a conspicuous place on the cooperative property; and must publish the full report and inspector-prepared summary on the association’s website, if the association is required to have a website.

Section 32. Paragraph (p) is added to subsection (4) of section 719.301, Florida Statutes, to read:

719.301 Transfer of association control.—

(4) When unit owners other than the developer elect a majority of the members of the board of administration of an association, the developer shall relinquish control of the association, and the unit owners shall accept control. Simultaneously, or for the purpose of paragraph (c) not more than 90 days thereafter, the developer shall deliver to the association, at the developer’s expense, all property of the unit owners and of the association held or controlled by the developer, including, but not limited to, the following items,
if applicable, as to each cooperative operated by the
association:

   (p) Notwithstanding when the certificate of occupancy was
issued or the height of the building, a milestone inspection
report in compliance with s. 553.899 included in the official
records, under seal of an architect or engineer authorized to
practice in this state, attesting to required maintenance,
condition, useful life, and replacement costs of the following
applicable cooperative property comprising a turnover inspection
report:

   1. Roof.
   2. Structure, including load-bearing walls and primary
structural members and primary structural systems as those terms
are defined in s. 627.706.
   3. Fireproofing and fire protection systems.
   4. Elevators.
   5. Heating and cooling systems.
   6. Plumbing.
   7. Electrical systems.
   8. Swimming pool or spa and equipment.
10. Pavement and parking areas.
11. Drainage systems.
12. Painting.
13. Irrigation systems.

Section 33. Subsection (1) of section 719.501, Florida
Statutes, is amended, and subsection (3) is added to that
section, to read:
719.501 Powers and duties of Division of Florida Condominiums, Timeshares, and Mobile Homes.—

(1) The Division of Florida Condominiums, Timeshares, and Mobile Homes of the Department of Business and Professional Regulation, referred to as the “division” in this part, in addition to other powers and duties prescribed by chapter 718, has the power to enforce and ensure compliance with this chapter and adopted rules relating to the development, construction, sale, lease, ownership, operation, and management of residential cooperative units and complaints related to the procedural completion of milestone inspections under s. 553.899. In performing its duties, the division shall have the following powers and duties:

(a) The division may make necessary public or private investigations within or outside this state to determine whether any person has violated this chapter or any rule or order hereunder, to aid in the enforcement of this chapter, or to aid in the adoption of rules or forms hereunder.

(b) The division may require or permit any person to file a statement in writing, under oath or otherwise, as the division determines, as to the facts and circumstances concerning a matter to be investigated.

(c) For the purpose of any investigation under this chapter, the division director or any officer or employee designated by the division director may administer oaths or affirmations, subpoena witnesses and compel their attendance, take evidence, and require the production of any matter which is relevant to the investigation, including the existence, description, nature, custody, condition, and location of any
books, documents, or other tangible things and the identity and
location of persons having knowledge of relevant facts or any
other matter reasonably calculated to lead to the discovery of
material evidence. Upon failure by a person to obey a subpoena
or to answer questions propounded by the investigating officer
and upon reasonable notice to all persons affected thereby, the
division may apply to the circuit court for an order compelling
compliance.

(d) Notwithstanding any remedies available to unit owners
and associations, if the division has reasonable cause to
believe that a violation of any provision of this chapter or
related rule has occurred, the division may institute
enforcement proceedings in its own name against a developer,
association, officer, or member of the board, or its assignees
or agents, as follows:

1. The division may permit a person whose conduct or
actions may be under investigation to waive formal proceedings
and enter into a consent proceeding whereby orders, rules, or
letters of censure or warning, whether formal or informal, may
be entered against the person.

2. The division may issue an order requiring the developer,
association, officer, or member of the board, or its assignees
or agents, to cease and desist from the unlawful practice and
take such affirmative action as in the judgment of the division
will carry out the purposes of this chapter. Such affirmative
action may include, but is not limited to, an order requiring a
developer to pay moneys determined to be owed to a condominium
association.

3. The division may bring an action in circuit court on
behalf of a class of unit owners, lessees, or purchasers for declaratory relief, injunctive relief, or restitution.

4. The division may impose a civil penalty against a developer or association, or its assignees or agents, for any violation of this chapter or related rule. The division may impose a civil penalty individually against any officer or board member who willfully and knowingly violates a provision of this chapter, a rule adopted pursuant to this chapter, or a final order of the division. The term “willfully and knowingly” means that the division informed the officer or board member that his or her action or intended action violates this chapter, a rule adopted under this chapter, or a final order of the division, and that the officer or board member refused to comply with the requirements of this chapter, a rule adopted under this chapter, or a final order of the division. The division, prior to initiating formal agency action under chapter 120, shall afford the officer or board member an opportunity to voluntarily comply with this chapter, a rule adopted under this chapter, or a final order of the division. An officer or board member who complies within 10 days is not subject to a civil penalty. A penalty may be imposed on the basis of each day of continuing violation, but in no event shall the penalty for any offense exceed $5,000. By January 1, 1998, the division shall adopt, by rule, penalty guidelines applicable to possible violations or to categories of violations of this chapter or rules adopted by the division. The guidelines must specify a meaningful range of civil penalties for each such violation of the statute and rules and must be based upon the harm caused by the violation, the repetition of the violation, and upon such other factors deemed relevant by
the division. For example, the division may consider whether the violations were committed by a developer or owner-controlled association, the size of the association, and other factors. The guidelines must designate the possible mitigating or aggravating circumstances that justify a departure from the range of penalties provided by the rules. It is the legislative intent that minor violations be distinguished from those which endanger the health, safety, or welfare of the cooperative residents or other persons and that such guidelines provide reasonable and meaningful notice to the public of likely penalties that may be imposed for proscribed conduct. This subsection does not limit the ability of the division to informally dispose of administrative actions or complaints by stipulation, agreed settlement, or consent order. All amounts collected shall be deposited with the Chief Financial Officer to the credit of the Division of Florida Condominiums, Timeshares, and Mobile Homes Trust Fund. If a developer fails to pay the civil penalty, the division shall thereupon issue an order directing that such developer cease and desist from further operation until such time as the civil penalty is paid or may pursue enforcement of the penalty in a court of competent jurisdiction. If an association fails to pay the civil penalty, the division shall thereupon pursue enforcement in a court of competent jurisdiction, and the order imposing the civil penalty or the cease and desist order shall not become effective until 20 days after the date of such order. Any action commenced by the division shall be brought in the county in which the division has its executive offices or in the county where the violation occurred.
(e) The division may prepare and disseminate a prospectus and other information to assist prospective owners, purchasers, lessees, and developers of residential cooperatives in assessing the rights, privileges, and duties pertaining thereto.

(f) The division has authority to adopt rules pursuant to ss. 120.536(1) and 120.54 to implement and enforce the provisions of this chapter.

(g) The division shall establish procedures for providing notice to an association when the division is considering the issuance of a declaratory statement with respect to the cooperative documents governing such cooperative community.

(h) The division shall furnish each association which pays the fees required by paragraph (2)(a) a copy of this act, subsequent changes to this act on an annual basis, an amended version of this act as it becomes available from the Secretary of State’s office on a biennial basis, and the rules adopted thereto on an annual basis.

(i) The division shall annually provide each association with a summary of declaratory statements and formal legal opinions relating to the operations of cooperatives which were rendered by the division during the previous year.

(j) The division shall adopt uniform accounting principles, policies, and standards to be used by all associations in the preparation and presentation of all financial statements required by this chapter. The principles, policies, and standards shall take into consideration the size of the association and the total revenue collected by the association.

(k) The division shall provide training and educational programs for cooperative association board members and unit
owners. The training may, in the division’s discretion, include web-based electronic media, and live training and seminars in various locations throughout the state. The division may review and approve education and training programs for board members and unit owners offered by providers and shall maintain a current list of approved programs and providers and make such list available to board members and unit owners in a reasonable and cost-effective manner.

(l) The division shall maintain a toll-free telephone number accessible to cooperative unit owners.

(m) When a complaint is made to the division, the division shall conduct its inquiry with reasonable dispatch and with due regard to the interests of the affected parties. Within 30 days after receipt of a complaint, the division shall acknowledge the complaint in writing and notify the complainant whether the complaint is within the jurisdiction of the division and whether additional information is needed by the division from the complainant. The division shall conduct its investigation and shall, within 90 days after receipt of the original complaint or timely requested additional information, take action upon the complaint. However, the failure to complete the investigation within 90 days does not prevent the division from continuing the investigation, accepting or considering evidence obtained or received after 90 days, or taking administrative action if reasonable cause exists to believe that a violation of this chapter or a rule of the division has occurred. If an investigation is not completed within the time limits established in this paragraph, the division shall, on a monthly basis, notify the complainant in writing of the status of the
investigation. When reporting its action to the complainant, the division shall inform the complainant of any right to a hearing pursuant to ss. 120.569 and 120.57.

(n) The division shall develop a program to certify both volunteer and paid mediators to provide mediation of cooperative disputes. The division shall provide, upon request, a list of such mediators to any association, unit owner, or other participant in arbitration proceedings under s. 718.1255 requesting a copy of the list. The division shall include on the list of voluntary mediators only persons who have received at least 20 hours of training in mediation techniques or have mediated at least 20 disputes. In order to become initially certified by the division, paid mediators must be certified by the Supreme Court to mediate court cases in county or circuit courts. However, the division may adopt, by rule, additional factors for the certification of paid mediators, which factors must be related to experience, education, or background. Any person initially certified as a paid mediator by the division must, in order to continue to be certified, comply with the factors or requirements imposed by rules adopted by the division.

(3)(a) On or before January 1, 2023, cooperative associations existing on or before July 1, 2022, must provide the following information to the division in writing, by e-mail, United States Postal Service, commercial delivery service, or hand delivery, at a physical address or e-mail address provided by the division and on a form posted on the division’s website:

1. The number of buildings on the cooperative property that are three stories or higher in height.
2. The total number of units in all such buildings.
3. The addresses of all such buildings.
4. The counties in which all such buildings are located.

(b) The division must compile a list of the number of buildings on cooperative property that are three stories or higher in height, which is searchable by county, and must post the list on the division’s website. This list must include all of the following information:
1. The name of each association with buildings on the cooperative property that are three stories or higher in height.
2. The number of such buildings on each association’s property.
3. The addresses of all such buildings.
4. The counties in which all such buildings are located.

(c) An association must provide an update in writing to the division if there are any changes to the information in the list under paragraph (b) within 6 months after the change.
