(i) “RAP limit” means, for the 2022-2023 contract year, the RAP insurer’s maximum payout, which is its share of the $2 billion RAP layer aggregate limit. For the 2023-2024 contract year, for RAP insurers that are subject to participation deferral under subsection (6) and participate during the 2023-2024 contract year, the RAP limit means the RAP insurer’s maximum payout, which is its share of the total amount of the RAP program layer aggregate limit deferred from 2022-2023.

The RAP qualification ratio shall be based on the reported 2022-2023 contract year company premiums, as of December 31, 2022, adjusted to 90 percent.

2. For the 2023-2024 contract year, the ratio of FHCF mandatory premium adjusted to 90 percent for the qualified RAP insurers that have deferred RAP coverage to 2023-2024 divided by the FHCF mandatory premium adjusted to 90 percent for all insurers. The preliminary RAP qualification ratio shall be based on the 2022-2023 contract year’s company premiums as of December 31, 2022, adjusted to 90 percent based on the 2023-2024 contract year coverage selections. The RAP qualification ratio shall be based on the reported 2023-2024 contract year company premiums as of December 31, 2023, adjusted to 90 percent.

(1) “RAP retention” means the amount of losses below which a RAP insurer is not entitled to reimbursement under the RAP program.

(m) “Unsound insurer” means a RAP insurer determined by the Office of Insurance Regulation to be in unsound condition as defined in s. 624.80(2) or a RAP insurer placed in receivership under chapter 631.

(3) COVERAGE.—
(a) As a condition of doing business in this state, each RAP insurer shall obtain coverage under the RAP program.

(b) The board shall provide a reimbursement layer of $2 billion below the FHCF retention prior to the third event dropdown of the FHCF retention set forth in s. 215.555(2)(e).

Subject to the mandatory notice provisions in subsection (5), the board shall enter into a RAP reimbursement contract with each eligible RAP insurer writing covered policies in this state to provide to the insurer the reimbursement described in this section.

(4) RAP REIMBURSEMENT CONTRACTS.—

(a)1. The board shall issue a RAP reimbursement contract to each eligible RAP insurer which is effective:

a. June 1, 2022, for RAP insurers that participate in the RAP program during the 2022-2023 contract year; or

b. June 1, 2023, for RAP insurers that are subject to participation deferral under subsection (6) and participate in the RAP program during the 2023-2024 contract year.

2. The reimbursement contract shall be executed no later than:

a. July 15, 2022, for RAP insurers that participate in the RAP program during the 2022-2023 contract year; or

b. March 1, 2023, for RAP insurers that are subject to participation deferral under subsection (6) and participate in the RAP program during the 2023-2024 contract year.

3. If a RAP insurer fails to execute the RAP reimbursement contract by the dates required in this paragraph, the RAP insurance contract is deemed to have been executed by the RAP insurer.
(b) For the two covered events with the largest losses, the RAP reimbursement contract must contain a promise by the board to reimburse the RAP insurer for 90 percent of its losses from each covered event in excess of the insurer’s RAP retention, plus 10 percent of the reimbursed losses to cover loss adjustment expenses. The sum of the losses and 10 percent loss adjustment expense allocation from the RAP layer may not exceed the RAP limit. Recoveries on losses in the FHCF mandatory layer shall inure to the benefit of the RAP contract layer.

(c) The RAP reimbursement contract must provide that reimbursement amounts are not reduced by reinsurance paid or payable to the insurer from other sources excluding the FHCF.

(d) The board shall calculate and report to each RAP insurer the RAP payout multiples as the ratio of the RAP industry limit of $2 billion for the 2022-2023 contract year, or the deferred limit for the 2022-2023 contract year, to the mandatory FHCF retention multiplied by the mandatory FHCF retention multiples divided by the RAP qualification ratio. The RAP payout multiple for an insurer is multiplied by the RAP insurer’s FHCF premium to calculate its RAP maximum payout. RAP payout multiples are calculated for 45 percent, 75 percent, and 90 percent FHCF mandatory coverage selections.

(e) A RAP insurer’s RAP retention is calculated as follows:

1. The board shall calculate and report to each RAP insurer the RAP retention multiples for each FHCF coverage selection as the FHCF retention multiple minus the RAP payout multiple. The RAP retention multiple for an insurer is multiplied by the RAP insurer’s FHCF premium to calculate its RAP retention. RAP retention multiples are calculated for 45 percent, 75 percent,
and 90 percent FHCF mandatory coverage selections.

2. The RAP industry retention for the 2022-2023 contract year is the FHCF’s industry retention minus $2 billion, prior to allocation to qualifying RAP insurers. The RAP industry retention for the 2023-2024 contract year is the FHCF’s industry retention for the 2023-2024 contract year minus the total deferred RAP limit, prior to allocation to qualifying RAP insurers.

3. A RAP insurer determines its actual RAP retention by multiplying its actual mandatory reimbursement FHCF premium by the RAP retention multiple.

(f) To ensure that insurers have properly reported the losses for which RAP reimbursements have been made, the board may inspect, examine, and verify the records of each RAP insurer’s covered policies at such times as the board deems appropriate for the specific purpose of validating the accuracy of losses required to be reported under the terms and conditions of the RAP reimbursement contract.

(5) INSURER QUALIFICATION.—

(a) An insurer is not eligible to participate in the RAP program if the board receives a notice from the Commissioner of Insurance Regulation which certifies that the insurer is in an unsound financial condition no later than:

1. June 15, 2022, for RAP insurers that participate during the 2022-2023 contract year; or

2. February 1, 2023, for RAP insurers subject to participation deferral under subsection (6) and participate during the 2023-2024 contract year.

(a) A RAP insurer that has any private reinsurance within the RAP layer of coverage for the 2022-2023 contract year shall notify the board in writing of such coverage no later than June 30, 2022. Participation in the RAP program for such RAP insurers shall be deferred until the 2023-2024 contract year.

(b) The office shall aggregate on a statewide basis the data submitted by each insurer or insurer group under paragraph (a) and make such data publicly available by publishing such data on the office’s website within 1 month after each quarterly and annual filing. Such information, when aggregated on a statewide basis as to an individual insurer or insurer group, is not a trade secret as defined in s. 688.002(4) or s. 812.081 and is not subject to the public records exemption for trade secrets provided in s. 119.0715.

Section 11. Section 626.9373, Florida Statutes, is amended to read:

626.9373 Attorney fees.—

(1) Upon the rendition of a judgment or decree by any court of this state against a surplus lines insurer in favor of any named or omnibus insured or the named beneficiary under a policy or contract executed by the insurer on or after the effective date of this act, the trial court or, if the insured or beneficiary prevails on appeal, the appellate court, shall adjudge or decree against the insurer in favor of the insured or beneficiary a reasonable sum as fees or compensation for the
insured’s or beneficiary’s attorney prosecuting the lawsuit for which recovery is awarded. In a suit arising under a residential or commercial property insurance policy not brought by an assignee, the amount of reasonable attorney fees shall be awarded only as provided in s. 57.105 or s. 627.70152, as applicable.

(2) If awarded, attorney fees or compensation shall be included in the judgment or decree rendered in the case.

(3) In a suit arising under a residential or commercial property insurance policy, the right to attorney fees under this section may not be transferred to, assigned to, or acquired in any other manner by anyone other than a named or omnibus insured or a named beneficiary.

Section 12. Section 627.428, Florida Statutes, is amended to read:

627.428 Attorney fees.—

(1) Upon the rendition of a judgment or decree by any of the courts of this state against an insurer and in favor of any named or omnibus insured or the named beneficiary under a policy or contract executed by the insurer, the trial court or, in the event of an appeal in which the insured or beneficiary prevails, the appellate court shall adjudge or decree against the insurer and in favor of the insured or beneficiary a reasonable sum as fees or compensation for the insured’s or beneficiary’s attorney prosecuting the suit in which the recovery is had. (2) As to suits based on claims arising under life insurance policies or annuity contracts, no such attorney fees shall be allowed if such suit was commenced prior to expiration of 60 days after proof of the claim was duly filed with the insurer.

(3) When so awarded, compensation or fees of the attorney shall be included in the judgment or decree rendered in the case.

(4) In a suit arising under a residential or commercial property insurance policy, the right to attorney fees under this section may not be transferred to, assigned to, or acquired in any other manner by anyone other than a named or omnibus insured or a named beneficiary.

Section 13. Paragraph (d) of subsection (4) of section 627.701, Florida Statutes, is amended, paragraph (c) of subsection (2), paragraph (e) of subsection (4), and subsection (10) are added to that section, and subsection (7) of that section is republished, to read:

627.701 Liability of insureds; coinsurance; deductibles.—

(2) Unless the office determines that the deductible provision is clear and unambiguous, a property insurer may not issue an insurance policy or contract covering real property in this state which contains a deductible provision that:

(c) Applies solely to a roof loss as provided in subsection (10).

(4)

(d)1. A personal lines residential property insurance policy covering a risk valued at less than $500,000 may not have a hurricane deductible in excess of 10 percent of the policy
dwelling limits, unless the following conditions are met:

a. The policyholder must personally write or type and provide to the insurer the following statement in his or her own handwriting and sign his or her name, which must also be signed by every other named insured on the policy, and dated: "I do not want the insurance on my home to pay for the first (specify dollar value) of damage from hurricanes. I will pay those costs. My insurance will not."

b. If the structure insured by the policy is subject to a mortgage or lien, the policyholder must provide the insurer with a written statement from the mortgageholder or lienholder indicating that the mortgageholder or lienholder approves the policyholder electing to have the specified deductible.

2. A deductible subject to the requirements of this paragraph applies for the term of the policy and for each renewal thereafter. Changes to the deductible percentage may be implemented only as of the date of renewal.

3. An insurer shall keep the original copy of the signed statement required by this paragraph, electronically or otherwise, and provide a copy to the policyholder providing the signed statement. A signed statement meeting the requirements of this paragraph creates a presumption that there was an informed, knowing election of coverage.

4. The commission shall adopt rules providing appropriate alternative methods for providing the statements required by this section for policyholders who have a handicapping or disabling condition that prevents them from providing a handwritten statement.

(e)1. A personal lines residential property insurance
policy that contains a separate roof deductible must include, on the page immediately behind the declarations page, with no other policy language on the page, in boldfaced type no smaller than 18 point, the following statement: “YOU ARE ELECTING TO PURCHASE COVERAGE ON YOUR HOME WHICH CONTAINS A SEPARATE DEDUCTIBLE FOR ROOF LOSSES. BE ADVISED THAT THIS MAY RESULT IN HIGH OUT-OF-POCKET EXPENSES TO YOU. PLEASE DISCUSS WITH YOUR INSURANCE AGENT.”

2. For any personal lines residential property insurance policy containing a separate roof deductible, the insurer shall compute and prominently display on the declarations page of the policy or on the premium renewal notice the actual dollar value of the roof deductible of the policy at issuance and renewal.

(7) Prior to issuing a personal lines residential property insurance policy on or after April 1, 1997, or prior to the first renewal of a residential property insurance policy on or after April 1, 1997, the insurer must offer a deductible equal to $500 applicable to losses from perils other than hurricane. The insurer must provide the policyholder with notice of the availability of the deductible specified in this subsection in a form approved by the office at least once every 3 years. The failure to provide such notice constitutes a violation of this code but does not affect the coverage provided under the policy. An insurer may require a higher deductible only as part of a deductible program lawfully in effect on June 1, 1996, or as part of a similar deductible program.

(10)(a) Notwithstanding any other provision of law, an insurer issuing a personal lines residential property insurance policy may include in such policy a separate roof deductible
that meets all of the following requirements:

1. The insurer has complied with the offer requirements under subsection (7) regarding a deductible applicable to losses from perils other than a hurricane.

2. The roof deductible may not exceed the lesser of 2 percent of the coverage A limit of the policy or 50 percent of the cost to replace the roof.

3. The premium that a policyholder is charged for the policy includes an actuarially sound credit or premium discount for the roof deductible.

4. The roof deductible applies only to a claim adjusted on a replacement cost basis.

5. The roof deductible does not apply to any of the following events:
   a. A total loss to a primary structure in accordance with the valued policy law under s. 627.702 which is caused by a covered peril.
   b. A roof loss resulting from a hurricane as defined in s. 627.4025(2)(c).
   c. A roof loss resulting from a tree fall or other hazard that damages the roof and punctures the roof deck.
   d. A roof loss requiring the repair of less than 50 percent of the roof.

If a roof deductible is applied, no other deductible under the policy may be applied to the loss.

(b) At the time of initial issuance of a personal lines residential property insurance policy, an insurer may offer the policyholder a separate roof deductible with the ability to opt-
out and reject the separate roof deductible. To reject a separate roof deductible, the policyholder shall sign a form approved by the office.

(c) At the time of renewal, an insurer may add a separate roof deductible to a personal lines residential property insurance policy if the insurer provides a notice of change in policy terms pursuant to s. 627.43141. The insurer must also offer the policyholder the ability to opt-out and reject the separate roof deductible. To reject a separate roof deductible, the policyholder shall sign a form approved by the office.

(d) The office shall expedite the review of any filing of insurance forms that only contain a separate roof deductible pursuant to this subsection. The commission may adopt model forms or guidelines that provide options for roof deductible language which may be used for filing by insurers. If an insurer makes a filing pursuant to a model form or guideline issued by the office, the office must review the filing within the initial 30-day review period authorized by s. 627.410(2), and the roof deductible portion of the filing is not subject to the 15-day extension for review under that subsection.

Section 14. Present subsection (5) of section 627.7011, Florida Statutes is redesignated as subsection (6), a new subsection (5) is added to that subsection, and paragraph (a) of subsection (3) of that section is amended, to read:

627.7011 Homeowners’ policies; offer of replacement cost coverage and law and ordinance coverage.—

(3) In the event of a loss for which a dwelling or personal property is insured on the basis of replacement costs:

(a) For a dwelling, the insurer must initially pay at least
the actual cash value of the insured loss, less any applicable deductible. The insurer shall pay any remaining amounts necessary to perform such repairs as work is performed and expenses are incurred. However, if a roof deductible under s. 627.701(10) is applied to the insured loss, the insurer may limit the claim payment as to the roof to the actual cash value of the loss to the roof until the insurer receives reasonable proof of payment by the policyholder of the roof deductible. Reasonable proof of payment includes a canceled check, money order receipt, credit card statement, or copy of an executed installment plan contract or other financing arrangement that requires full payment of the deductible over time. If a total loss of a dwelling occurs, the insurer must pay the replacement cost coverage without reservation or holdback of any depreciation in value, pursuant to s. 627.702.

(5)(a) As used in this subsection, the term “authorized inspector” means an inspector who is approved by the insurer and who is:

1. A home inspector licensed under s. 468.8314;
2. A building code inspector certified under s. 468.607;
3. A general, building, or residential contractor licensed under s. 489.111;
4. A professional engineer licensed under s. 471.015;
5. A professional architect licensed under s. 481.213; or
6. Any other individual or entity recognized by the insurer as possessing the necessary qualifications to properly complete a general inspection of a residential structure insured with a homeowner’s insurance policy.

(b) An insurer may not refuse to issue or refuse to renew a
homeowner’s policy insuring a residential structure with a roof that is less than 15 years old solely because of the age of the roof.

(c) For a roof that is at least 15 years old, an insurer must allow a homeowner to have a roof inspection performed by an authorized inspector at the homeowner’s expense before requiring the replacement of the roof of a residential structure as a condition of issuing or renewing a homeowner’s insurance policy. The insurer may not refuse to issue or refuse to renew a homeowner’s insurance policy solely because of roof age if an inspection of the roof of the residential structure performed by an authorized inspector indicates that the roof has 5 years or more of useful life remaining.

(d) This subsection applies to homeowners’ insurance policies issued or renewed on or after July 1, 2022.

Section 15. Effective January 1, 2023, subsection (3) and paragraph (a) of subsection (7) of section 627.70131, Florida Statutes, are amended to read:

627.70131 Insurer’s duty to acknowledge communications regarding claims; investigation.—

(3)(a) Unless otherwise provided by the policy of insurance or by law, within 14 days after an insurer receives proof of loss statements, the insurer shall begin such investigation as is reasonably necessary unless the failure to begin such investigation is caused by factors beyond the control of the insurer which reasonably prevent the commencement of such investigation.

(b) If such investigation involves a physical inspection of the property, the licensed adjuster assigned by the insurer must
provide the policyholder with a printed or electronic document containing his or her name and state adjuster license number. For claims other than those subject to a hurricane deductible, an insurer must conduct any such physical inspection within 45 days after its receipt of the proof of loss statements.

(c) Any subsequent communication with the policyholder regarding the claim must also include the name and license number of the adjuster communicating about the claim. Communication of the adjuster’s name and license number may be included with other information provided to the policyholder.

(d) Within 7 days after the insurer’s assignment of an adjuster to the claim, the insurer must notify the policyholder that he or she may request a copy of any detailed estimate of the amount of the loss generated by an insurer’s adjuster. After receiving such a request from the policyholder, the insurer must send any such detailed estimate to the policyholder within the later of 7 days after the insurer received the request or 7 days after the detailed estimate of the amount of the loss is completed. This paragraph does not require that an insurer create a detailed estimate of the amount of the loss if such estimate is not reasonably necessary as part of the claim investigation.

(7)(a) Within 90 days after an insurer receives notice of an initial, reopened, or supplemental property insurance claim from a policyholder, the insurer shall pay or deny such claim or a portion of the claim unless the failure to pay is caused by factors beyond the control of the insurer which reasonably prevent such payment. The insurer shall provide a reasonable explanation in writing to the policyholder of the basis in the
insurance policy, in relation to the facts or applicable law, for the payment, denial, or partial denial of a claim. If the insurer’s claim payment is less than specified in any insurer’s detailed estimate of the amount of the loss, the insurer must provide a reasonable explanation in writing of the difference to the policyholder. Any payment of an initial or supplemental claim or portion of such claim made 90 days after the insurer receives notice of the claim, or made more than 15 days after there are no longer factors beyond the control of the insurer which reasonably prevented such payment, whichever is later, bears interest at the rate set forth in s. 55.03. Interest begins to accrue from the date the insurer receives notice of the claim. The provisions of this subsection may not be waived, voided, or nullified by the terms of the insurance policy. If there is a right to prejudgment interest, the insured must select whether to receive prejudgment interest or interest under this subsection. Interest is payable when the claim or portion of the claim is paid. Failure to comply with this subsection constitutes a violation of this code. However, failure to comply with this subsection does not form the sole basis for a private cause of action.

Section 16. Paragraph (d) of subsection (2) and subsection (8) of section 627.70152, Florida Statutes, are amended to read:

627.70152 Suits arising under a property insurance policy.—
(2) DEFINITIONS.—As used in this section, the term:
(d) “Presuit settlement demand” means the demand made by the claimant in the written notice of intent to initiate litigation as required by paragraph (3)(a) (3)(e). The demand must include the amount of reasonable and necessary attorney
fees and costs incurred by the claimant, to be calculated by multiplying the number of hours actually worked on the claim by the claimant’s attorney as of the date of the notice by a reasonable hourly rate.

(8) ATTORNEY FEES.—

(a) In a suit arising under a residential or commercial property insurance policy not brought by an assignee, the amount of reasonable attorney fees and costs under s. 626.9373(1) or s. 627.428(1) shall be calculated and awarded as follows:

1. If the difference between the amount obtained by the claimant and the presuit settlement offer, excluding reasonable attorney fees and costs, is less than 20 percent of the disputed amount, each party pays its own attorney fees and costs and a claimant may not be awarded attorney fees under s. 626.9373(1) or s. 627.428(1).

2. If the difference between the amount obtained by the claimant and the presuit settlement offer, excluding reasonable attorney fees and costs, is at least 20 percent but less than 50 percent of the disputed amount, the insurer pays the claimant’s attorney fees and costs under s. 626.9373(1) or s. 627.428(1) equal to the percentage of the disputed amount obtained times the total attorney fees and costs.

3. If the difference between the amount obtained by the claimant and the presuit settlement offer, excluding reasonable attorney fees and costs, is at least 50 percent of the disputed amount, the insurer pays the claimant’s full attorney fees and costs under s. 626.9373(1) or s. 627.428(1).

(b) In a suit arising under a residential or commercial property insurance policy not brought by an assignee, if a court
dismisses a claimant’s suit pursuant to subsection (5), the court may not award to the claimant any incurred attorney fees for services rendered before the dismissal of the suit. When a claimant’s suit is dismissed pursuant to subsection (5), the court may award to the insurer reasonable attorney fees and costs associated with securing the dismissal.

(c) In awarding attorney fees under this subsection, a strong presumption is created that a lodestar fee is sufficient and reasonable. Such presumption may be rebutted only in a rare and exceptional circumstance with evidence that competent counsel could not be retained in a reasonable manner.

Section 17. Section 627.7142, Florida Statutes, is amended to read:

627.7142 Homeowner Claims Bill of Rights.—An insurer issuing a personal lines residential property insurance policy in this state must provide a Homeowner Claims Bill of Rights to a policyholder within 14 days after receiving an initial communication with respect to a claim. The purpose of the bill of rights is to summarize, in simple, nontechnical terms, existing Florida law regarding the rights of a personal lines residential property insurance policyholder who files a claim of loss. The Homeowner Claims Bill of Rights is specific to the claims process and does not represent all of a policyholder’s rights under Florida law regarding the insurance policy. The Homeowner Claims Bill of Rights does not create a civil cause of action by any individual policyholder or class of policyholders against an insurer or insurers. The failure of an insurer to properly deliver the Homeowner Claims Bill of Rights is subject to administrative enforcement by the office but is not
admissible as evidence in a civil action against an insurer. The Homeowner Claims Bill of Rights does not enlarge, modify, or contravene statutory requirements, including, but not limited to, ss. 626.854, 626.9541, 627.70131, 627.7015, and 627.7074, and does not prohibit an insurer from exercising its right to repair damaged property in compliance with the terms of an applicable policy or ss. 627.7011(6)(e) 627.7011(5)(e) and 627.702(7). The Homeowner Claims Bill of Rights must state:

The interest, if applicable, must be paid when your claim or the undisputed portion of your claim is paid.

5. Free mediation of your disputed claim by the Florida Department of Financial Services, Division of Consumer Services, under most circumstances and subject to certain restrictions.

6. Require all contractors to provide proof of insurance before beginning repairs.

7. Take precautions if the damage requires you to leave your home, including securing your property and turning off your gas, water, and electricity, and contacting your insurance company and provide a phone number where you can be reached.
